COMMENTS

I make the following relevant representations in relation to the above application to the TEN at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety ◆
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm □

Representations (which include comments and/or objections) in relation to:

Police object to the granting of this TEN for the 29th October 2023 on the grounds of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm for the following reason(s):

Police need to be satisfied that the licensing objectives will not be undermined. This venue has a recent history of causing issues around dispersal, nitrous oxide use outside and large scale public disorder. Most recently this was caused by promoters over selling tickets leading to the doors being rushed. Police note that the original TEN submitted was invalidated as the number of people present was listed as 1,000. The venue is large and does hold in excess of a 1,000 people. We can not be satisfied that ticket numbers in excess of 499 will not be sold. In any event, how would the venue remove large numbers of ticket paying customers at 0001 hours in order to comply with the legislation?

Additionally we understand that numerous noise complaints have been received by the Local Authority as a result of the roof structure being inadequate for this type of venue which has led to noise escaping upwards to the block of flats next door. Extending licensable activity until 0300 hours affords these residents no respite.

The above representations are supported by the following evidence and information.

Police National Computer (PNC) data, Criminal Intelligence Reports, personal knowledge

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
