MEETING OF COUNCIL

WEDNESDAY 28 February 2024 at 7pm

Supplementary Agenda 1

Public Questions

The main agenda can be viewed at:

<https://hackney.moderngov.co.uk/ieListDocuments.aspx?CId=112&MId=5667>

6. Questions from Members for the Public

6.1 To the Mayor from Derek Miller

In light of John Henderson's investigation into the resignations of Tom Dewey and Philip Glanville, would you ensure that no councillor will be exposed to our most vulnerable residents including visiting schools without having been DBS checked?

6.2 To the Deputy Cabinet Member on Homelessness and Housing Needs from Lisa Neidich

I read that the new homelessness strategy was passed in Cabinet in December. How will this impact on and reduce the number of homeless residents?

6.3 To the Mayor from Mr Anthony

If it is safe to swim "any speed and stroke" in the swim for all lane at the London Fields lido, why isn't it safe to do this in any other lane in the pool if that other lane has more room?

6.4 To the Cabinet Member for Climate Change, Environment and Transport from Hendrik Wittkopf

How does Hackney Council support residents living near Leabridge Road, to expand nature in the marshes, i.e. through the East London Waterworks Park initiative, in line with the Mayor's "30 by 2030" pledge, and to enlarge the corridor north and south of Leabridge Road?

6.5 To the Cabinet Member for Climate Change, Environment and Transport from Reiner Tegtmeier

Why has the annual Citizens' Assembly of Hackney's Climate Emergency Declaration and Labour's Manifesto been changed to a Citizens' Climate Jury and will three evenings be enough to thoroughly scrutinise the Council's progress and explore climate change challenges solutions, set as the Assembly's goal?

Public Attendance

The Town Hall is open. Information on forthcoming Council meetings can be obtained from the Town Hall Reception.

Members of the public and representatives of the press are entitled to attend Council meetings and remain and hear discussions on matters within the public part of the meeting. They are not, however, entitled to participate in any discussions. Council meetings can also be observed via the live-stream facility, the link for which appears on the agenda front sheet of each committee meeting.

On occasions part of the meeting may be held in private and will not be open to the public. This is if an item being considered is likely to lead to the disclosure of exempt or confidential information in accordance with Schedule 12A of the Local Government Act 1972 (as amended). Reasons for exemption will be specified for each respective agenda item.

For further information, including public participation, please visit our website <https://hackney.gov.uk/menu#get-involved-council-decisions> or contact: governance@hackney.gov.uk

Rights of Press and Public to Report on Meetings

The Openness of Local Government Bodies Regulations 2014 give the public the right to film, record audio, take photographs, and use social media and the internet at meetings to report on any meetings that are open to the public.

By attending a public meeting of the Council, Executive, any committee or sub-committee, any Panel or Commission, or any Board you are agreeing to these guidelines as a whole and in particular the stipulations listed below:

- Anyone planning to record meetings of the Council and its public meetings through any audio, visual or written methods they find appropriate can do so providing they do not disturb the conduct of the meeting;
- You are welcome to attend a public meeting to report proceedings, either in 'real time' or after conclusion of the meeting, on a blog, social networking site, news forum or other online media;
- You may use a laptop, tablet device, smartphone or portable camera to record a written or audio transcript of proceedings during the meeting;
- Facilities within the Town Hall and Council Chamber are limited and recording equipment must be of a reasonable size and nature to be easily accommodated.
- You are asked to contact the Officer whose name appears at the beginning of this Agenda if you have any large or complex recording equipment to see whether this can be accommodated within the existing facilities;
- You must not interrupt proceedings and digital equipment must be set to 'silent' mode;
- You should focus any recording equipment on Councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to

respect the wishes of those who do not wish to be filmed or photographed. Failure to respect the wishes of those who do not want to be filmed and photographed may result in the Chair instructing you to cease reporting or recording and you may potentially be excluded from the meeting if you fail to comply;

- Any person whose behaviour threatens to disrupt orderly conduct will be asked to leave;
- Be aware that libellous comments against the council, individual Councillors or officers could result in legal action being taken against you;
- The recorded images must not be edited in a way in which there is a clear aim to distort the truth or misrepresent those taking part in the proceedings;
- Personal attacks of any kind or offensive comments that target or disparage any ethnic, racial, age, religion, gender, sexual orientation or disability status could also result in legal action being taken against you.

Failure to comply with the above requirements may result in the support and assistance of the Council in the recording of proceedings being withdrawn. The Council regards violation of any of the points above as a risk to the orderly conduct of a meeting. The Council therefore reserves the right to exclude any person from the current meeting and refuse entry to any further council meetings, where a breach of these requirements occurs. The Chair of the meeting will ensure that the meeting runs in an effective manner and has the power to ensure that the meeting is not disturbed through the use of flash photography, intrusive camera equipment or the person recording the meeting moving around the room.

Advice to Members on Declaring Interests

If you require advice on declarations of interests, this can be obtained from:

- The Monitoring Officer;
- The Deputy Monitoring Officer; or
- The legal adviser to the meeting.

It is recommended that any advice be sought in advance of, rather than at, the meeting.

Disclosable Pecuniary Interests (DPIs)

You will have a Disclosable Pecuniary Interest (*DPI) if it:

- Relates to your employment, sponsorship, contracts as well as wider financial interests and assets including land, property, licenses and corporate tenancies.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to DPIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner.
- Relates to an interest which should be registered in that part of the Register of Interests form relating to DPIs, but you have not yet done so.

If you are present at any meeting of the Council and you have a DPI relating to any business that will be considered at the meeting, you **must**:

- Not seek to improperly influence decision-making on that matter;
- Make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent; and
- Leave the room whilst the matter is under consideration

You must not:

- Participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business; or
- Participate in any vote or further vote taken on the matter at the meeting.

If you have obtained a dispensation from the Monitoring Officer or Standards Committee prior to the matter being considered, then you should make a verbal declaration of the existence and nature of the DPI and that you have obtained a dispensation. The dispensation granted will explain the extent to which you are able to participate.

Other Registrable Interests

You will have an 'Other Registrable Interest' (ORI) in a matter if it

- Relates to appointments made by the authority to any outside bodies, membership of: charities, trade unions,, lobbying or campaign groups, voluntary organisations in the borough or governorships at any educational institution within the borough.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to ORIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner; or
- Relates to an interest which should be registered in that part of the Register of Interests form relating to ORIs, but you have not yet done so.

Where a matter arises at any meeting of the Council which affects a body or organisation you have named in that part of the Register of Interests Form relating to ORIs, **you must** make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Disclosure of Other Interests

Where a matter arises at any meeting of the Council which **directly relates** to your financial interest or well-being or a financial interest or well-being of a relative or close associate, you **must** disclose the interest. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Where a matter arises at any meeting of the Council which **affects** your financial interest or well-being, or a financial interest or well-being of a relative or close associate to a greater extent than it affects the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision and a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you **must** declare the interest. You **may** only speak on the matter if members of the public are able to speak. Otherwise you must not take part in any discussion or voting on the matter and must not remain in the room unless you have been granted a dispensation.

In all cases, where the Monitoring Officer has agreed that the interest in question is a **sensitive interest**, you do not have to disclose the nature of the interest itself.

Advice to Members regarding restrictions on voting for Members with council tax arrears

Members should be aware of the provisions of Section 106 of the Local Government Finance Act 1992, which applies to all elected members where:

They are present at a meeting of the Council, Cabinet or any Committee and at the time of the meeting an amount of council tax is payable by them and has remained unpaid for at least two months; and Any budget or council tax calculation, or recommendation or decision which might affect the making of any such calculation, is the subject of consideration at the meeting.

In these circumstances, any such members shall at the meeting, and as soon as practicable after its commencement, disclose the fact that section 106 applies to them and they may not vote on any question concerning the matters outlined in paragraph 12(b) above, although they may speak on those matters.

The application of Section 106 is very wide and there have been successful prosecutions under this legislation. It can include meetings held at any time during the year, not just the annual budget meeting, and it may include meetings of committees or sub-committees as well as Council meetings. Members should be aware that the responsibility for ensuring that they act within the law at all times rest solely with the individual Member concerned.

Failure to comply with the requirements under section 106 is a criminal offence unless the member can prove that they did not know

- (a) that the section applied to them at the time of the meeting or
- (b) that the matter in question was the subject of consideration at the meeting.

Thus unwitting Members who for example can prove that they did not know and had no reason to suppose at the time of the meeting that their bank has failed to honour a standing order will be protected should any prosecution arise. With regard to applications for benefits, it would not be enough to state that an application has been submitted which has not yet been determined, as the liability to pay remains pending any determination.

The application of Section 106 is very wide and there have been successful prosecutions under this legislation. It can include meetings held at any time during the year, not just the annual budget meeting, and it may include meetings of committees or sub-committees as well as Council meetings.
