- Virtual Permits – Introduction Of Online Parking Permission Management Solution

This report includes an exempt appendix and the Executive Meetings and Key Decisions Notice did not include the relevant notice concerning this item.

Consideration of the item cannot reasonably be deferred. The report is urgent and needs to be presented to CPC & Cabinet in March 2014. The reason for urgency is that any delay will prevent the procurement of the new IT system from starting. The impact of this will be a delay in the delivery of the new system, which will increase the costs associated with its delivery, and delay the delivery of the benefits it will bring to residents.

The Chair of Overview and Scrutiny Board has agreed that the meeting is urgent, to consider this item, and that it cannot reasonably be deferred.
