A 99 LEASE TO UKPN FOR SUB STATION IN TOWN HALL

This item was not listed on the Executive Meetings and Key Decisions Notice and pursuant to Regulation 10 of the Local Authorities (Executive Arrangements (Meetings and Access to Information) England Regulations 2012 this report is submitted as a General Exception. The reason why compliance with Regulation 10 is impracticable is set out below. This report is being submitted to Cabinet under general exception as it is urgent.

The reason for urgency is outlined below.....

The report seeks approval at Cabinet on the 30th March 2015 to the grant of a lease of an area in the Basement of the Town Hall to construct a new Sub-Station to provide addition electrical capacity for the increased occupancy/demand of the Town Hall. The extra capacity is required within the year and there is a need to start work ASAP in order to meet that timescale. If approval is delayed to the next scheduled Cabinet meeting the work will not be able to commence in time to meet the occupational needs.
