OF THE LOCAL AUTHORITIES (EXECUTIVE ARRANGEMENTS (MEETINGS
AND ACCESS TO INFORMATION) ENGLAND REGULATIONS 2012 RULES**

The following item was not listed on the Executive Meetings and Key Decision Notice:

Cardinal Pole School Extension – The Use of the London Housing Consortium (LHC) Framework for the Delivery of Education Capital Works and the Cardinal Pole 6th Form Extension Pre-Contract Services Agreement

This item was not shown on the Executive Meetings and Key Decisions Notice and pursuant to Regulation 11 of the Local Authorities (Executive Arrangements (Meetings and Access to Information) England Regulations 2012 this report is submitted as a General Exception. The reason why compliance with Regulation 11 is impracticable is set out below.

The report is being considered under special urgency as Cardinal Pole School has a current educational need for an increase in size of its sixth form and SEN space. It is proposed to alleviate this need by building a new extension block; to be delivered and opened in time for Sept 2016.

Following extensive efforts LBH have sourced a procurement vehicle and contractor willing to undertake the works in this time frame. Owing to the scale and size of works, this procurement route represents the last realistic chance for a construction works to be sourced and delivered within this urgent timeframe.

The work value is £2.2million and the School are paying for this work, with LBH taking the role of Project Manager on the project.
