

**NOTICE UNDER REGULATION 10
OF THE LOCAL AUTHORITIES (EXECUTIVE ARRANGEMENTS (MEETINGS AND ACCESS
TO INFORMATION) ENGLAND REGULATIONS 2012 RULES**

**The following item was not on the Executive Meetings and Key Decisions
Notice**

- **ELECTRICAL SPECIALIST WORKS 2016**

This item was not shown on the Executive Meetings and Key Decisions Notice and pursuant to Regulation 10 of the Local Authorities (Executive Arrangements (Meetings and Access to Information) England Regulations 2012 this report is submitted as a General Exception. The reason why compliance with Regulation 10 is impracticable is set out below.

This report is being submitted under general exception as it is urgent.
Reasons for urgency are as follows:

Officers must urgently initiate the procurement for a new Electrical Specialist Services contract due to the finite term remaining on the existing arrangement. The incumbent contractor has exercised their right under the Term Partnering Contract (TPC) to serve a termination notice, which has been accepted by the Council and as such it is anticipated that their contract will end on the 31st August 2016. The Contractor has also entered into a Project Partnering Contract (PPC) which will terminate on the same date as it is not prepared to enter into contract call-offs under this partnering contract.

The next Cabinet Procurement Committee that this Business Case report can be presented to is 19th January 2016. Advance publication on the Executive Meetings and Key Decisions Notice (EM&KDN) for the requisite 28 day period is not possible and the Monitoring Officer has been made aware of this.

Consideration of this item cannot reasonably be deferred as a new contract will not be in place by the end of the current contract term due to the length of time that it takes to run a procurement procedure and undertake the statutory consultation with leaseholders.
