

**NOTICE UNDER REGULATION 10
OF THE LOCAL AUTHORITIES (EXECUTIVE ARRANGEMENTS (MEETINGS
AND ACCESS TO INFORMATION) ENGLAND REGULATIONS 2012 RULES**

The following item was not on the Executive Meetings and Key Decisions Notice

CONTRACT AWARD FOR THE YOUNG PEOPLE'S CLINICAL HEALTH AND WELLBEING SERVICE

This item was not shown on the Executive Meetings and Key Decisions Notice and pursuant to Regulation 10 of the Local Authorities (Executive Arrangements (Meetings and Access to Information) England Regulations 2012 this report is submitted as a General Exception. The reason why compliance with Regulation 10 is impracticable is set out below.

The Contract covered in the report includes statutory services which support the Council to safeguard young people. In particular, the Service supports young people with their sexual health both to make safer decisions with regards to their choices for contraception and wider health and well-being. Delaying the award will leave a gap in clinical service delivery and severely limit young people's access to contraception and protection vastly increasing their risk of unplanned pregnancy and contracting sexually transmitted infections as well as reducing support and opportunity for the identification of safeguarding concerns including child sexual exploitation.

The current contract is due to end in July 2016 and the provider has received notice.
