Come and help shape the plans for Clapton in the new Local Plan for Hackney.

Hackney Downs Ward Forum - Topics for discussion:

Hackney is currently drawing up a new local plan. This is a planning document which sets out the vision for Hackney over the next 15 years.

A key part of this is the vision for Clapton Town Centre which is looking at how the area has become a 'go-to' destination. Council Officers are coming to hear resident's views about what they would like to see in Clapton and how they understand the area. The discussion will cover: how to link up green spaces, potential improvements to the Leabridge roundabout and how employment zones can be supported.

Please come and share your views & find out more about the plan.
