The following item was not on the Executive Meetings and Key Decisions Notice

**SCHOOL BASED HEALTH AND FAMILY NURSE PARTNERSHIP SERVICES
PROCUREMENT**

This item was not shown on the Executive Meetings and Key Decisions Notice and pursuant to Regulation 10 of the Local Authorities (Executive Arrangements (Meetings and Access to Information) England Regulations 2012 this report is submitted as a General Exception. The reason why compliance with Regulation 10 is impracticable is set out below.

This report is being submitted under general exception as it is urgent.

The reason why the decision is urgent is that the procurement process is due to begin in October (with a view to award the contract in March 2018) and any delay in approval would not afford an adequate mobilisation period for the services to schools within the borough
