<b>Part A – Items considered in public</b>		
4	Minutes of the previous meeting	RESOLVED that the minutes of the Council meeting held on 23 <sup>rd</sup> January 2019 be AGREED as a correct record subject to amendments.
10	Budget and Council Tax Report 2019/2020	<p>RESOLVED, that Council considered the report and AGREED the following recommendations (as set out in the report):</p> <ol style="list-style-type: none"> <li>1. To bring forward into 2019/20 the Council’s projected General Fund balances of £15.0m and to note the Housing Revenue Account (HRA) balances of £10.2m.</li> <li>2. To agree for approval the directorate estimates and estimates for the General Finance Account items set out in Table 1, below.</li> <li>3. To note that the budget is a financial exposition of the priorities set out within the Corporate Plan.</li> <li>4. To note that in line with the requirements of the Local Government Act 2003, the Group Director, Finance and Corporate Resources, is of the view that: <p style="margin-left: 40px;">The General Fund balances of £15.0m and the level of reserves, particularly in relation to capital, are adequate to meet the Council’s financial needs for 2019/20 and that considering the economic uncertainty they should not fall below this level. This view takes account of the reserves included in the Council’s latest audited Accounts as at 31 March 2018, the movements of those reserves since that date – which have been tracked through the Overall Financial Position (OFP) Reports, and the latest OFP projections. Note also, that the projections in the HRA to maintain the balance at £10.2m by 31 March 2018 are also considered to be adequate at this point in time but will need to continue to be reviewed in the light of the challenges facing the HRA.</p> </li> </ol>

		<p>The General Fund estimates are sufficiently robust to set a balanced budget for 2019/20. This takes into account the adequacy of the level of balances and reserves outlined above and the assurance gained from the comparisons of the 2018/19 budget with the projected spend identified in the December 2018 OFP. The overall level of the corporate contingency has been set at £2m.</p> <p>5. To approve the proposed General Fund fees and charges as set out in <u>Appendix 8</u> for implementation from 1st April 2019.</p> <p>6. To continue the policy requiring the Group Director, Finance and Corporate Resources to seek to mitigate the impact of significant changes to either resources, such as Top Up Grant changes, or expenditure requirements.</p> <p>7. To note the summary of the HRA Budget and Rent setting report agreed by Cabinet on 21<sup>st</sup> January 2019.</p> <p>8.
