6.2 Mike Smith advised that the applicants had not been in contact with the relevant responsible authorities since the previous meeting. He stated that it was discovered earlier that day that the email that had been given for the applicant was incorrect and therefore they had not received any correspondence since the previous meeting. Therefore they had only been made aware of this meeting earlier that day and had not liaised with any of the responsible authorities or other persons.

6.3 The Chair gave the option to adjourn the meeting to allow the applicants time to liaise with the relevant responsible authorities and other persons and address their concerns before the application was determined. This approach was welcomed by the applicants and it was therefore:-

RESOLVED that the application be ADJOURNED, to allow the applicant to liaise with the relevant responsible authorities before the next meeting.
