Access and Information

Getting to the Town Hall

For a map of how to find the Town Hall, please visit the council's website <http://www.hackney.gov.uk/contact-us.htm> or contact the Overview and Scrutiny Officer using the details provided on the front cover of this agenda.

Accessibility

There are public toilets available, with wheelchair access, on the ground floor of the Town Hall.

Induction loop facilities are available in the Assembly Halls and the Council Chamber. Access for people with mobility difficulties can be obtained through the ramp on the side to the main Town Hall entrance.

Further Information about the Commission

If you would like any more information about the Scrutiny Commission, including the membership details, meeting dates and previous reviews, please visit the website or use this QR Code (accessible via phone or tablet 'app')

<http://www.hackney.gov.uk/individual-scrutiny-commissions-governance-and-resources.htm>

Public Involvement and Recording

Scrutiny meetings are held in public, rather than being public meetings. This means that whilst residents and press are welcome to attend, they can only ask questions at the discretion of the Chair. For further information relating to public access to information, please see Part 4 of the council's constitution, available at <http://www.hackney.gov.uk/l-gm-constitution.htm> or by contacting Governance Services (020 8356 3503)

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any

time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

Hackney's Night Time Economy Summit

London's Night Time Economy (NTE) is a major contributor to London's economy. The growth of Hackney's evening and night time leisure economy has contributed to the economic growth in Hackney and is key in making Hackney a vibrant and fashionable place for people to live, work, visit and locate their businesses. The night time economy and culture can help bring town centres to life and create new jobs and leisure activities for local communities and visitors. The desire is to achieve a diverse night time economy that meets the needs of residents, businesses, workers, customers and is a sustainable economy.

The Skills Economy and Growth Scrutiny Commission is hosting a discussion to talk about the future of the Borough's night time economy. This will be a space for residents, businesses and those that manage the night time economy to come together and talk about what action needs to be taken to implement the Council's vision. We will be joined by the Cabinet Member with lead responsibility for the night time economy **Cllr Caroline Selman, Cabinet Member for Community Safety, Policy and the Voluntary Sector**.

We will be coming together to talk about the following areas:

- Creating an Inclusive Night Time Economy
- Creating a Sustainable Night Time Economy
- Jobs in the Night Time Economy.

The Council has been working on its vision for the night time economy. In addition to this there has been a number of changes such as a review of their licensing policy, introduction of the late night levy and development of the new Local Plan (LP33 key strategic planning document used to direct and guide development in the borough up to 2033). All these changes have contributed to the council's work in developing its vision for Hackney's evening and night time leisure economy.

If you wish to attend please contact Tracey Anderson using the contact details below.
