Licensing Sub-Committee Hearings

This guide details the procedure for Licensing Sub-Committee hearings under the Licensing Act 2003. Whilst this will be used in most cases, the procedure will be altered in exceptional circumstances and when for example Personal Licences, Temporary Event Notices and Reviews are considered.

A Licensing Sub-Committee will be held if:

- The applicant has applied for a Premises Licence, Provisional Statement, Club Premises Certificate or expressed their intention to vary their existing licence/certificate and has advertised this in a local newspaper and displayed a distinctive blue notice at the premises, following which representations have been made by a Responsible Authority or Other Person/s.
- A Review has been requested by a Responsible Authority or Other Person/s and the Review has been advertised by displaying a distinctive blue notice at the premises and also at the Council's office and website.
- An application is made to transfer a Premises Licence or for interim authority and the Police have issued an objection
- The applicant has made a Personal Licence application and the Police have objected to the Licence being granted.
- A Temporary Event Notice has been given and the Police and/or those in the Council that exercise environmental health functions have issued an objection.

Prior to your item being heard:

- The Licensing team upon receiving representations will form a view as to whether the representations are irrelevant, frivolous, vexatious or for review applications; repetitious.
- The Licensing team would have provided written notice to all parties in advance of the hearing and would have responded to any request relating to personal details being removed from the agenda.

If you do not believe this to have happened, please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk as soon as possible. For further information on the application process, please see the guidance notes at www.hackney.gov.uk/licensing.

Making decisions on the items being heard:

Hearings will normally be held in public unless the Sub-Committee believe it not to be in the public interest to do so. Although the Chair will try to make the proceedings as informal as possible, these hearings are of a quasi-judicial nature, and the rules of natural justice shall apply.

Only those Responsible Authorities and Other Persons who have made a relevant representation in writing at the consultation stage **can register to speak at a subsequent hearing**. Applicants, Other Persons and Responsible Authorities will all be given a fair

opportunity to put their case and the Sub-Committee will take these representations into account when making their decision. The Sub-Committee may still make a decision on any matter even if any party fails to attend the hearing. However, in these circumstances, it will only be that party's written representation that may be taken into account.

For new applications relating to Premises Licences and Club Premises Certificates, Members can grant with additional conditions attached to the licence, exclude any licensable activities, refuse a Designated Premises Supervisor (DPS) if appropriate or reject the application.

Members when making decisions on variation applications regarding a Premises Licence or Club Premises Certificate, can modify (add, delete or amend) conditions on the licence or reject the application in whole or part. Members will be considering the request for a variation and the impact that this may have. Therefore, representations should be focused on the impact of the variation, although concerns relating to the existing terms of the licence may be relevant in considering the track record of the applicant. However, Members may consider other issues which relate to the promotion of the licensing objectives, although only if it is reasonable and proportionate to do so.

For Provisional Statements, Members can consider any steps that are necessary having regard to the representations made in order to ensure the licensing objectives are not undermined.

Members when deciding a Review application can modify (add, delete or amend) the conditions of the licence, exclude any licensable activities, remove a DPS if appropriate, suspend the licence/certificate for up to 3 months or revoke the licence/certificate completely.

For transfer of Premises Licences, interim authority requests and Personal Licence applications Members can only refuse or grant the application.

Members when deciding on an objection made against a Temporary Event Notice (TEN) will determine whether or not to issue a Counter Notice, which if issued will prevent the proposed event from proceeding. If a TEN has been given for a premises that already has a licence/certificate, Members may impose any of those conditions from the existing licence/certificate to the TEN.

Before the meeting starts:

The Sub-Committee Members are requested to report for business no more than half an hour before the meeting starts to deal with any administrative/procedural issues. This will allow Members to consider;

- the appointment for any substitutes if required
- the appointment of the chair
- any procedural issues
- obtain the list of attendees
- late documents delivered prior to the meeting and to ensure all the paperwork is in order

The Sub-Committee will not be considering any of the actual points raised within the Report itself and no Responsible Authority or Other Person/s shall be present when the Sub-Committee deal with the above issues.

Attending the hearing that concerns you:

All Applicants, Other Persons and Responsible Authorities involved will be informed in writing of the date and time that their application will be considered by the Licensing Sub-Committee. Please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk to

confirm whether you wish to attend and/or register to speak at the Sub-Committee hearing or if you wish for someone else to speak on your behalf. If you are unable to attend, the application may be heard in your absence.

All parties should arrive promptly at the outset of the scheduled meeting regardless of when the item is listed to be heard on the agenda.

Please contact the Licensing Service for advice within 4 working days from the date on the notice letter if any of the following apply;

- you have special requirements to help make your representation, because of a disability or you need a translator for example
- you wish to supply additional [documentary] information such as photographs and videos/DVDs

Please note that if you wish to provide additional relevant information, this should be given at least **5 working days** before the hearing. Any additional information provided once the hearing has started will only be accepted if all parties agree. Please note that the use of videos/DVDs is at the Sub-Committee's discretion – requests to show these should be made in advance to the Committee Officer.

Timings

In most cases the application will last no longer than 1 hour, and the times to be allocated to each section are shown on the relevant hearing procedure. If you think that your evidence is likely to exceed this time period, please let the Licensing Service know **within 4 working days of the date on the notice letter** and the Sub-Committee will be advised. If your request is agreed, all parties will also be granted the same extension of time.

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

Lobbying of Councillors

If a person or an organisation wants to make a representation to the Licensing Sub-Committee, they must **NOT** contact Sub-Committee Members directly. Licensing Sub-Committee Members have to retain an open mind on any application and determine it on its merits. Members can not be in anyway biased towards a party. Therefore, if a Member of the Sub-Committee has had any prior involvement they must ensure that they come to the hearing with an open mind.

Local ward councillors may be able to speak on behalf of objectors if requested to do so, provided that if they have a disclosable pecuniary interest they leave the meeting room when the application is being considered unless they have been granted dispensation.

Reports

Agendas and Reports for Licensing Sub-Committees are published on the Council's website (www.hackney.gov.uk) 5 working days before the hearing takes place. Copies are also available by contacting Governance Services on 0208 356 3578 or email governance@hackney.gov.uk. Copies of applications together with the detail of any objections will be included in the report.

Appeals

Applicants or any party to the hearing can appeal against the decision made by the Sub-Committee. The appeal to the Thames Magistrates Court must be made within 21 days of the decision being sent formally in writing. However, TEN's have the added restriction that no appeals can be made later than 5 working days before the event is scheduled to take place.

Withdrawal of an Item or Cancellation of a Hearing

An item may be withdrawn from the agenda of a Licensing Sub-Committee meeting at short notice due to the withdrawal or resolution of the representations or objections to an application or notice. A hearing by the Licensing Sub-Committee may therefore be cancelled at short notice if there are no substantive items remaining on the agenda.

As much advance notice as is practicable of the withdrawal of an item on the agenda or cancellation of a meeting of the Licensing Sub-Committee will be provided on the Council's website but please note that this might be as little as a few hours before the hearing if the

applicant chooses to leave it that late to satisfactorily address any representation or objection giving rise to the need for a hearing.

Facilities

There are public toilets available, with wheelchair access, on the ground floor of the Town Hall. Induction loop facilities are available in the Assembly Halls, rooms 101, 102 & 103 and the Council Chamber. Access for people with mobility difficulties can be obtained through the ramp on the side to the main Town Hall entrance.

ADVICE TO MEMBERS ON DECLARING INTERESTS

Hackney Council's Code of Conduct applies to **all** Members of the Council, the Mayor and co-opted Members.

This note is intended to provide general guidance for Members on declaring interests. However, you may need to obtain specific advice on whether you have an interest in a particular matter. If you need advice, you can contact:

- The Corporate Director of Legal, HR and Regulatory Services;
- The Legal Adviser to the committee; or
- Governance Services.

If at all possible, you should try to identify any potential interest you may have before the meeting so that you and the person you ask for advice can fully consider all the circumstances before reaching a conclusion on what action you should take.

1. Do you have a disclosable pecuniary interest in any matter on the agenda or which is being considered at the meeting?

You will have a disclosable pecuniary interest in a matter if it:

- relates to an interest that you have already registered in Parts A and C of the Register of Pecuniary Interests of you or your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner;
- relates to an interest that should be registered in Parts A and C of the Register of Pecuniary Interests of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner, but you have not yet done so; or
- affects your well-being or financial position or that of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner.

2. If you have a disclosable pecuniary interest in an item on the agenda you must:

- Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you (subject to the rules regarding sensitive interests).
- You must leave the room when the item in which you have an interest is being discussed. You cannot stay in the meeting room or public gallery whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision.
- If you have, however, obtained dispensation from the Monitoring Officer or Standards Committee you may remain in the room and participate in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a pecuniary interest.

3. Do you have any other non-pecuniary interest on any matter on the agenda which is being considered at the meeting?

You will have 'other non-pecuniary interest' in a matter if:

- i. It relates to an external body that you have been appointed to as a Member or in another capacity; or
- ii. It relates to an organisation or individual which you have actively engaged in supporting.

4. If you have other non-pecuniary interest in an item on the agenda you must:

- i. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you.
- ii. You may remain in the room, participate in any discussion or vote provided that contractual, financial, consent, permission or licence matters are not under consideration relating to the item in which you have an interest.
- iii. If you have an interest in a contractual, financial, consent, permission or licence matter under consideration, you must leave the room unless you have obtained a dispensation from the Monitoring Officer or Standards Committee. You cannot stay in the room or public gallery whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision. Where members of the public are allowed to make representations, or to give evidence or answer questions about the matter you may, with the permission of the meeting, speak on a matter then leave the room. Once you have finished making your representation, you must leave the room whilst the matter is being discussed.
- iv. If you have been granted dispensation, in accordance with the Council's dispensation procedure you may remain in the room. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a non pecuniary interest.

Relevant Extracts from Hackney's Statement of Licensing Policy

Please find below relevant extracts from the Statement of Licensing Policy 2018.

LP1 General Principles

The Council expects applicants to demonstrate:

- (a) That they have an understanding of the nature of the locality in which the premises are located and that this has been taken into consideration whilst preparing the operating schedule.
- (b) Where the application is for evening and night-time activity, that the proposal reflects the Council's aspiration to diversify the offer, whilst at the same time promoting the licensing objectives.

LP2 Licensing Objectives

Prevention of Crime and Disorder

Whether the proposal includes satisfactory measures to mitigate any risk of the proposed operation making an unacceptable contribution to levels of crime and disorder in the locality.

Public Safety

Whether the necessary and satisfactory risk assessments have been undertaken, the management procedures put in place and the relevant certification produced to demonstrate that the public will be kept safe both within and in close proximity to the premises.

Prevention of Public Nuisance

Whether the applicant has addressed the potential for nuisance arising from the characteristics and style of the proposed activity and identified the appropriate steps to reduce the risk of public nuisance occurring.

Protection of Children from Harm

Whether the applicant has identified and addressed any risks with the aim of protecting children from harm when on the premises or in close proximity to the premises.

LP3 Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- Monday to Thursday 08:00 to 23:00
- Friday and Saturday 08:00 to 00:00
- Sunday 10:00 to 22:30

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

It should be noted that this policy does not apply to those who are making an application within a special policy area (see section 3) unless they have been able to demonstrate that the proposed activity or operation of the premises will not add to the cumulative impact that is already being experienced.

LP4 Off' Sales of Alcohol

Hours for the supply of alcohol will generally be restricted to between 08:00 and 23:00.

LP5 Planning Status

Licence applications should normally be from premises where:

- (a) The activity to be authorised by the licence is a lawful planning use or is a deemed permitted development pursuant to the General Permitted Development Order (1995) as amended.
- (b) The hours sought do not exceed those authorised by any planning permission.

The Licensing Authority may take into account the lack of planning permission or an established lawful use in deciding whether there is likely to be any harm to the licensing objectives.

LP6 External Areas and Outdoor Events

The Licensing Authority will normally restrict external areas and outdoor activity to between 08:00 and 22:00 unless the applicant can demonstrate that comprehensive control measures have been implemented that ensure the promotion of the licensing objectives, in particular the public nuisance objective. Notwithstanding any proposed control measures, the Licensing Authority may restrict the hours and/or activity even further

LP7 Minor Variations

The Council expects applications to be made in the following circumstances only:

- Small changes in the layout/structure of the premises
- The addition of voluntary/agreed conditions
- Removal of conditions that are dated and have no impact on the operation of the premises
- Reduction of hours for any licensable activity

LP8 Temporary Event Notices

When considering an objection to a TEN the Council will:

- Expect that any existing conditions will be maintained (where relevant) in circumstances where an event is to take place at a premises that has an existing authorisation.
- Assess any history of complaints as a result of licensable activity that may or may not have been authorised by a TEN.
- Consider the track record of the premises user
- Consider any other control measures proposed to mitigate the objection

LP9 Personal Licences

(a) The Council will consider whether a refusal of the licence is appropriate for the promotion of the crime prevention objective and will consider the:

- (i) Seriousness and relevance of any conviction(s)
- (ii) The period that has elapsed since committing the offence(s)
- (iii) Any mitigating circumstances that assist in demonstrating that the crime prevention objective will not be undermined.

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

LP11 Cumulative Impact – General

The Council will give due regard to any relevant representations received where concerns are raised and supported around the negative cumulative impact the proposed application has on one or more of the licensing objectives.

Representation in relation to:

The applicant's attention is drawn to LP3 (Core Hours) which sets out Monday to Thursday 08:00 to 23:00, Friday and Saturday 08:00 to 00:00 and Sunday 10:00 to 22:30 as the hours where licensable activity is generally authorised. The Policy goes on to state:

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

There appears to be residential flats opposite the site which could be negatively impacted by the activities if a licence were to be granted.

The above representations are supported by the following evidence and information.

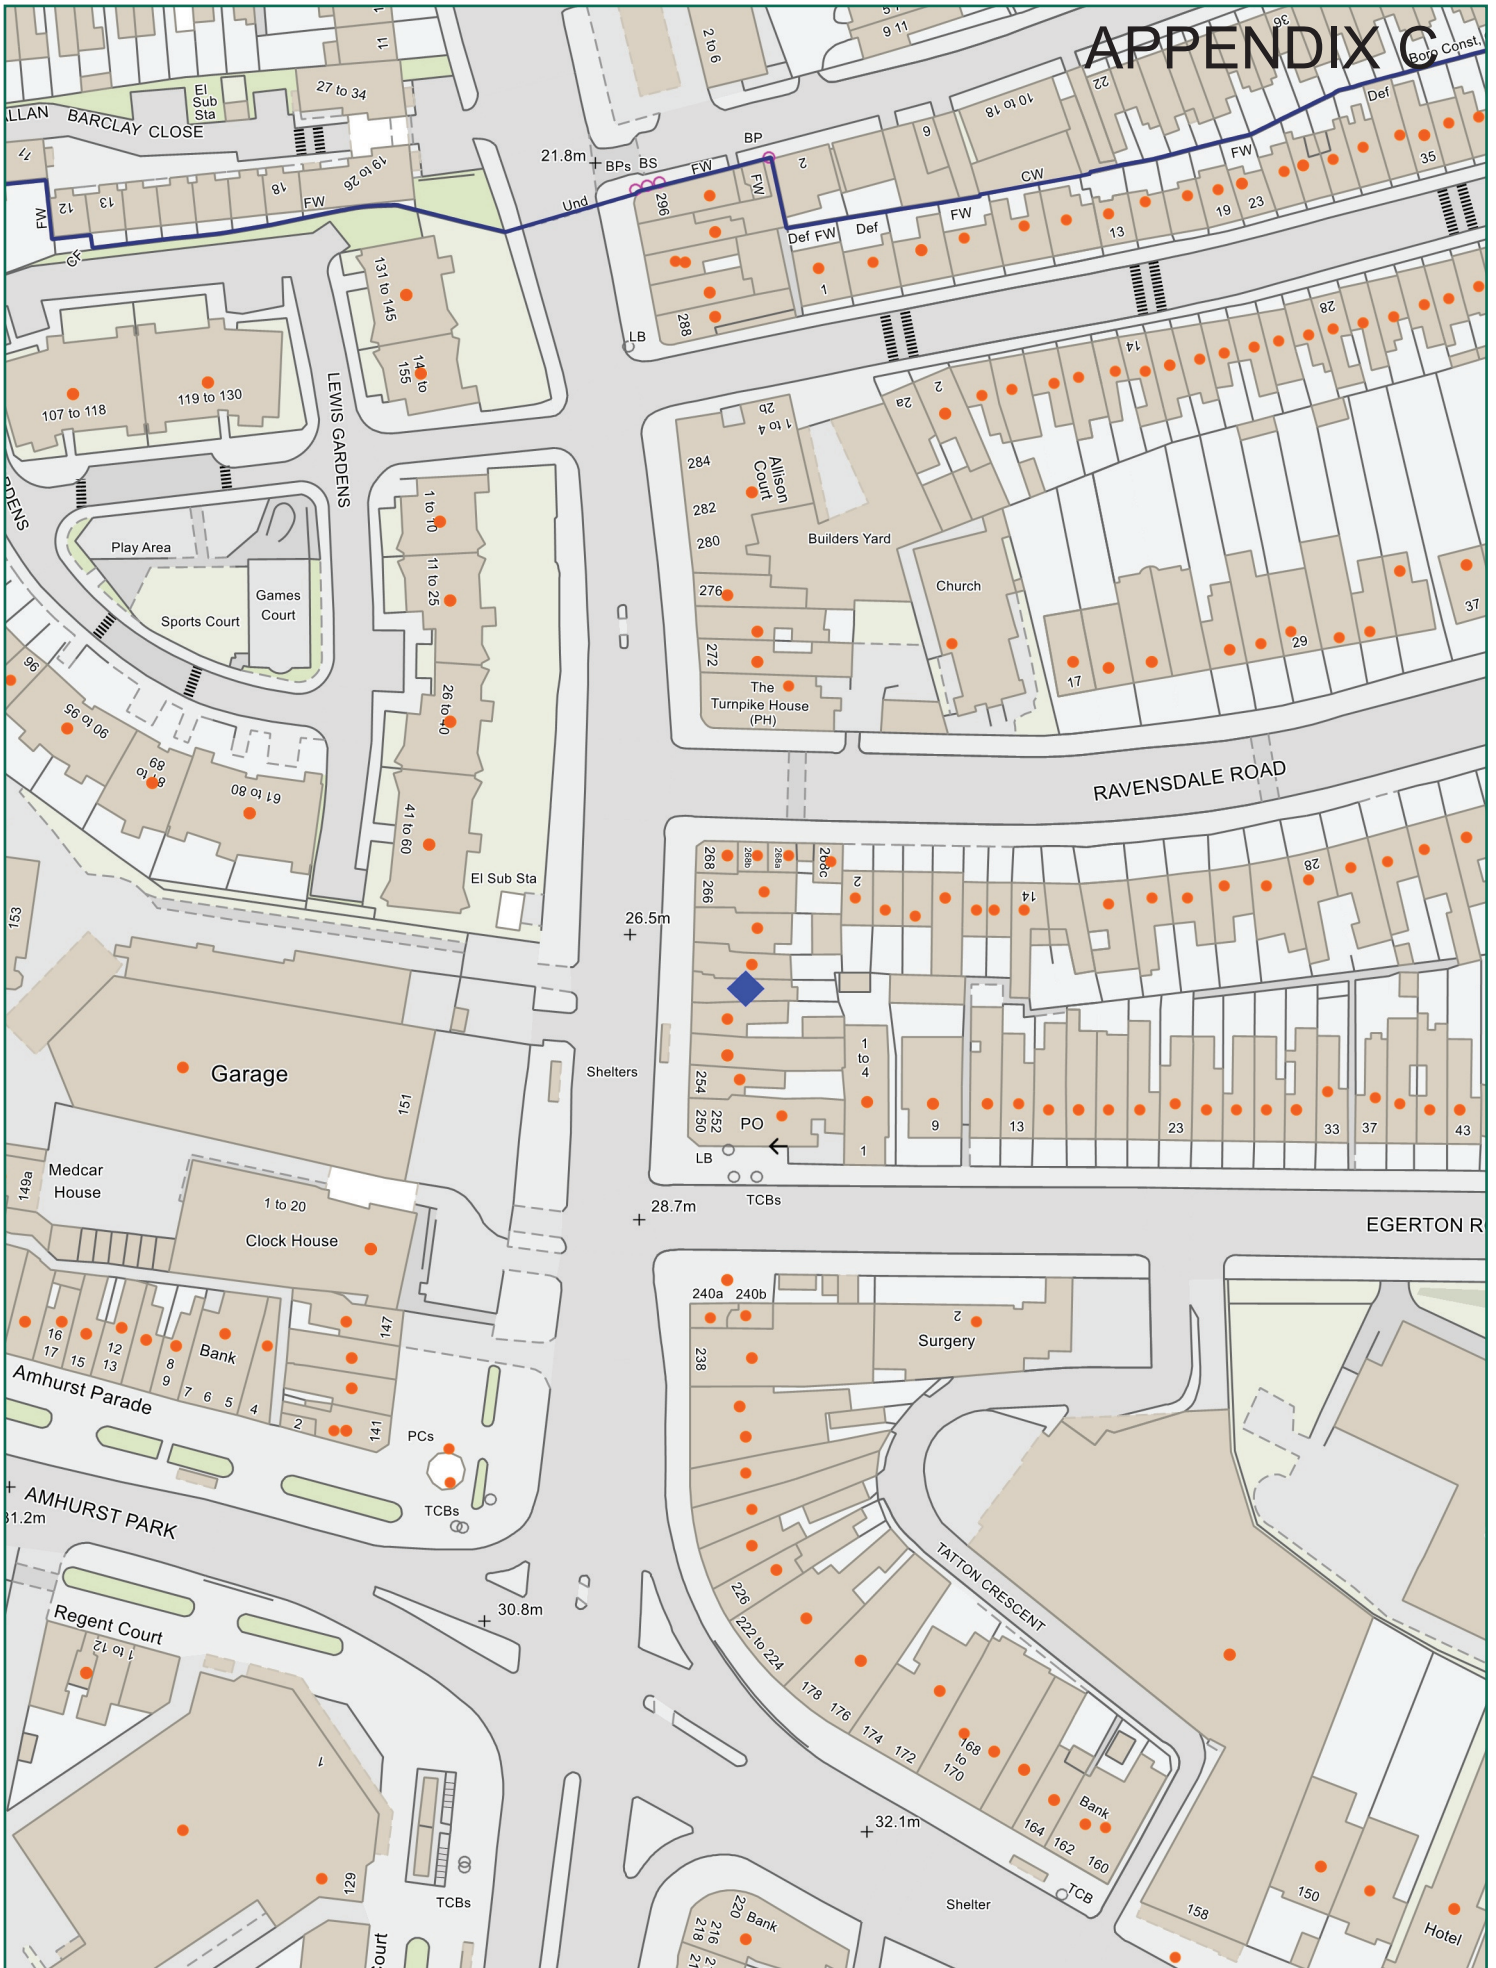

The Licensing Act 2003, Statement of Licensing Policy 2018-2023, S182 Guidance issued by the Home Office, records held by the Licensing Service. However, it is noted that the premises is located on a busy main road where late night activity is likely to take place.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion with the applicant to ascertain further information in relation to the proposed operation of the premises bearing in mind the nature of the area and how the licensing objectives would be promoted and concerns will be addressed.

Dear Licensing Team,

I am writing to register my objections to the following Licensing Application listed online, closing date 2 July 2019 :

*39 Scrutton Street.
 Application for a premises licence to authorise the supply of alcohol for consumption on and off the premises from 10:00 to 23:00 Mon to Sun.*

The basis for my objection is:

These premises are currently an Italian deli/sandwich bar and as such have no need for a licence unless there is an undisclosed intent on the part of the owners to transform their business into, for example, a wine bar,

The opportunity to serve alcohol late both on and off the premises from morning to late evening 7 days a week would have a

THE CUMULATIVE IMPACT ON WHAT WAS ONCE A QUIET AREA BUT IS NOW RAPIDLY BECOMING PART OF THE SHOREDITCH SCENE

Location/context:

This end of Scrutton Street is mixed use/residential ie: just offices by day, and therefore relatively quiet for residents living on the corner buildings of Scrutton Street/Holywell Lane and in Phipp Street. There is one small pub (the Old Kings Head), opposite, and it is not busy apart from the few hours *directly after the local offices close* on weekdays.

My Objections

- 1) The proven cumulative impact of antisocial behaviour already suffered as a direct result of the high concentration of Licenced Premises in the South Shoreditch SPA area and the related activity, in the surrounding streets.
- 2) Additional alcohol licenses on/near the boundary of the SPA are against the stated objective of the Hackney Licensing Policy which seeks to prevent crime and disorder, and prevent public nuisance and protect public health and safety.

3) The approval of additional alcoholic sales licenses to 39 Scrutton poses a serious threat of cumulative impact and creating a new "licensed enclave" connecting the Curtain Club venues to the existing Old Kings Head Pub ,

As a result of the **cumulative impact**, I object on the grounds of:

- a) Increased **public nuisance** including, e.g.: Noise:-shouting/ swearing/drunken voices in the street;
- b) Increased noise due to the refuse/empty glass bottles being thrown-out (and collected) if the premises are open all day *plus* at night, seven days a week.
- c) Litter:-including empty bottles, and rubbish dropped in the street, increased further by the risk of Curtain Club clients purchasing alcohol both on and off premises for "pre-loading" .
- d) Increased **issues of health and safety** (increased urinating in doorways, and access-areas, to nearby buildings); increased incidences of local residents being directly affected and intimidated by drunken behaviour.
- e) Increased alcohol related **crime and disorder**, such as vandalism, vagrancy, and trespass and fighting, due to the extended hours and also the "on/off" sales.

Please consider this application carefully and help to prevent the negative effects of **cumulative impact** increasing even further into the quiet streets across the road from the South Shoreditch SPA boundary.

Please note that whilst you may not receive many objections, it should not be assumed that the degradation of the neighbourhood as a residential area is accepted. Many properties are rented and it is in the nature of tenants that they take little interest in entering objections. However that does not lessen the validity of the objections you do receive.

Please confirm receipt of this objection.

Dear Sir or Madam

Objection to Premises Licence Application
FABIO SETTEMBRE
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU

I wish to strongly object to allowing 39 Scrutton Street a license to sell alcohol.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

La Spiga is a Café, I am not sure how sale of any alcohol will be beneficial for them or the surrounding area.

As far as I have witnessed the main sales on the premises are takeaway so I am assuming that the sale of alcohol will also be on a takeaway basis. There are no details highlighted on the notice of application.

The area is already saturated in bars this pocket of Hackney is still very quite and I love the fact that at the weekend the pub on the road is closed. We have enough noise from the drunken street drinkers using us as a cut through to busy curtain road.

The Curtain hotel at the end of the road, with its late licence has created enough noise from drunken behaviour we don't need to add to this any further.

Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective.

In view of the above, I would urge the Licensing Authority to refuse this application.

Yours faithfully,

Dear Sir or Madam

Objection to Premises Licence Application
FABIO SETTEMBRE
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU

I am writing to register my objection to the application for a premises licence application for the above property 39 Scrutton Street. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The area currently has issues with problem drinkers who purchase alcohol from nearby wine bars and off-licences. This café provides mainly a takeaway service so I am not sure how supplying alcohol will be at all beneficial to the area. The notice online does not give any details on their intention and raises serious concerns for me. Being a takeaway café, I feel this would only add to the street drinking culture we seem to have at weekends round here.

Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective. I appreciate Hackney Council have been very proactive in introducing special licensing policies in Shoreditch. Although I do not live in the Shoreditch special policy area, I am worried that granting new licences in this area could introduce new problems currently experienced in the designated special policy areas.

The application proposes that alcohol will be sold between 10am and 11.30pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

Dear Sirs

**Representation in respect of applications for Premises Licences
39 Scrutton Street, London EC2A 4HU**

We would be grateful if the council could please consider this letter of objection in respect of the licence application for 39 Scrutton Street. Our representation is based on the limited information available contained within the applicant's blue notice and online.

Our company is the premises licence holder of the Old King's Head public house situated at 28 Holywell Row, EC2A 4JB. Our pub is located a few yards away from the application premises, directly across the road. We have not been consulted by the applicant so are unaware of their plans.

39 Scrutton Street currently operates as a small café shop. It is unclear whether the proposals simply seek to authorise the sale of alcohol alongside the current businesses, or alternatively transform each premises into a new wine bar or similar.

We understand planning is not a proper consideration under the licensing regime. However, we do have concerns that the applicant is, or intends to, breach planning controls.

The council's statement of licensing policy cites a preference for the correct planning consent to be in place prior to making a premises licence application. We are concerned that the premises has not got the correct planning permission to operate as a wine bar, or indeed any premises offering a substantial on-sale offer.

We currently experience problems with irresponsible drinking in the local area. Street drinking is becoming increasingly common. These persons inevitably purchase cheap price alcohol from nearby premises authorised to sell alcohol for consumption off the premises. This presents a constant cause of conflict for general members of the public and persons enjoying the services provided by premises authorised to sell alcohol for consumption on the premises.

We have experienced anti-social behaviour by persons drinking on the street. This also causes additional litter in the area, which our employees often voluntarily have to collect. We also have problems with these persons using our facilities. Unlike persons attending on-licence premises, they are largely unsupervised and present a real risk of public nuisance and crime and disorder in the area.

If the licence is given this could increase the unsupervised street drinkers in the area. This does not necessarily mean homeless people, but a wide range of people who may decide to buy cheap price alcohol to enjoy on the street, particularly during the summer months. This could have a very negative effect on the licensing objectives in the local area.

As far as we are aware, the applicant has not consulted with the local residents. We are not sure how the premise intends to operate. The current business at the premises is a café style, small pasta food shop, mainly providing a takeaway food service. They have very little inside space for drinking on the premises. They currently close early in the evening, which is appropriate to the local area. Changing the use of these premises to a bar operating late at night every day of the week could have a serious impact on all four licensing objectives.

May we also note, we have some concerns that the application has not been made in line with Hackney Council Licencing application rules. For example, the Premises have not displayed the notice of application correctly. It went up in their window on 11th June, but was taken down the next day. They have since put it back up but it keeps being removed during daytime hours. This raises some concerns for us and shows total disrespect to the residents and business in the area.

The premises are very close to the Shoreditch special policy area. This area has been recognised as saturated with licensed premises. Further licenced premises could have a negative impact in the immediate vicinity and Shoreditch as a whole.

The existing businesses operating from the premises currently close early in the evening. The application proposes the sale of alcohol between 10.00 am to 11.30pm seven days a week. The area is very quiet late in the evening and especially at weekends. We are concerned that two new premises opening until midnight every day of the week would have a very significant and negative impact in the local area.

Thank you for your consideration of this letter. Please keep us updated on progress of the application and any proposed hearing dates.

Yours faithfully

Dear Sir or Madam

Objection to Premises Licence Application
FABIO SETTEMBRE
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU

Please can you consider this letter of objection to the above licence application.

I am a director of the premises and licence holder of the Old King's Head Pub at 28 Holywell Row. My company has written a separate letter of representation in its capacity as a local business. I write this letter in my personal capacity as a local resident living above the pub and directly opposite 39 Scrutton Street.

The area currently benefits from being quiet at weekends and late at night. For the majority of the year the pub is closed at weekends. This means local residents and I are able to rest peacefully at night time and at the weekend. I am worried that the applications propose the sale of alcohol on and off the premises until 11PM Monday to Sunday. This could introduce a serious risk of public nuisance and crime and disorder in the neighbourhood. This will effect the quiet enjoyment of a lot of local residents' properties.

As far as I am aware, the applicant has not consulted with the local residents. We are not sure how the premises intends to operate. The current business at the premises, is a café style, small pasta food shop. They have very little inside space for drinking on the premises. They currently close early in the evening which is appropriate to the local area. Changing the use of these premises to a bar operating late at night every day of the week could have a serious impact on all four licensing objectives.

We also note that the application has not been made in line with Hackney Council Licensing application rules. For example, the Premises have not displayed the notice of application correctly. It went up in their window on 11th June, but was taken down the next day. They have since put it back up but it keeps being removed during daytime hours.

We would also like to see evidence of the required advert in the local newspaper as we have not yet seen this.

The area currently has issues with problem drinkers who purchase alcohol from nearby off-licences. Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective. I appreciate Hackney Council have been very proactive in introducing special licensing policies in Shoreditch. Although I do not live in the Shoreditch special policy area, I am worried that

[REDACTED] Holywell Row, London, EC2A [REDACTED]

granting new licences in this area could introduce new problems currently experienced in the designated special policy areas.

As a result, I hope that the council refuses the applications. Thank you for taking my letter into account.

Yours sincerely

Dear Licensing Team, I am registering another objection to the application for an alcohol licence (on and off premises) at [39 Scrutton Street EC2A 4HU](#).

Ashton, you may recall that this premises applied in 2017, and the application was scheduled to be reviewed at a Public Hearing on 7th Feb 2017. The application was withdrawn the day before the hearing.

I am copying Feryal on this email as she supported the residents objection to the application in 2017, and our ward councillor Kam.

I have been informed that the new application for on/ off alcohol sales just the first stage of a plan, by the applicant, to open the wine bar that was originally proposed in 2017.

My objection to the alcohol license application is the same as originally. We have already experienced additional public nuisance and cumulative impact on Scrutton Street, since the Curtain Club opened in Summer of 2017. There is additional onstreet drinking and crowds outside the Old Kings Head (directly opposite 39 Scrutton) due to the increased office worker numbers from the newly opened Frames Office complex (next door to no 39).

Hackney Licensing should not allow this quiet, mixed use area (which is home to many residents, aswell as small businesses) to become a new "night time economy enclave" like the SPA area just a couple of streets away.

The application should be rejected on the grounds of prevention of further , alcohol related , negative impacts including: public nuisance (crowd noise; onstreet litter and debris; noise from smashing bottles/bottle collection); health and safety (obstruction of pavements and people in the roadway; litter; urination in doorways and against residential walls); crime and disorder (preloading before going clubbing; nitrous oxide; drunken behaviour and vandalism).

Many thanks in advance , for your consideration and support in upholding the Licensing Policy to protect the amenity of local residents

Best regards

Subject: Alcohol Licensing Representation: 37 and 39 Scrutton Street EC2A 4HU (Ref: 083880 and 083879)

Dear Licensing Team, Happy New Year.

I am writing to register an objection to the 2 Licensing Applications listed online, closing date 17-1-17 :

[37 Scrutton Street](#) (app ref: 083879) and the next door property

[39 Scrutton Street](#) (app ref 083880).

It appears that the Applicant of the Licensing amendments is listed as Edwins Wine Bar but [number 37- 39 Scrutton Street](#) is not currently operated as anything related to them and certainly not as a Wine Bar.

Background: Number 39 is currently a small "corner café"/"workers café" which does not sell alcohol. It is only open during daytime/ office hours and not in the evenings.

Next door, number 37 always appeared to be separate and purely residential (but is only very recently being used as a "pop up" shop).

Neither site has been used to sell alcohol before. As such, there has never been any related public nuisance or crime/disorder or public safety issue.

Location/context: The 37 & 39 Scrutton St site, at the Great Eastern Street end of the street, is only just opposite the South Shoreditch SPA boundary. In fact, it is only about 4 doors along Scrutton Street from the new CURTAIN HOTEL/ Club development which local residents contested, at the Licensing Committee Meetings last year.

This end of Scrutton Street is mixed use/residential ie: just offices by day, and therefore relatively quiet for residents living on the corner buildings of Scrutton Street/Holywell Lane and Phipp Street.

There is one small pub (the Old Kings Head), opposite, and it is not busy apart from the few hours *directly after the local offices close* on weekdays.

Licensing context:

I am objecting to the proposed application for the new alcohol Licences (x2) and also the extended opening hours, due to the proven cumulative impact already suffered as a direct result of the high concentration of Licenced Premises in the South Shoreditch SPA area and the related activity, in the surrounding streets.

Additional alcohol licenses on/near the boundary of the SPA are against the stated objective of the Hackney Licensing Policy which seeks to prevent crime and disorder; and prevent public nuisance and protect public health and safety.

The approval of additional alcoholic sales licenses (for both "on and off premises") at 37 and 39 Scrutton poses a serious threat of cumulative impact and creating a new "licensed enclave" connected to the New Curtain Club venues, plus the existing Old Kings Head Pub , plus the new (not yet completed) office/commercial development at 1 Phipp Street- directly nextdoor to 37 & 39 Scrutton St.

As a result of the cumulative impact, I object on the grounds of:

-increased **public nuisance** including, eg:

Noise:-shouting/ swearing/drunken voices in the street;

plus increased noise due to the refuse/empty glass bottles being thrown-out (and collected) if the premises are open all day *plus* at night, seven days a week.

Litter:-including empty bottles, and rubbish dropped in the street, increased further by the risk of new Curtain Club clients purchasing alcohol both on and off premises for "pre-loading" and drinking whilst queuing in the street..

-increased **issues of health and safety** (increased urinating and even defecating in doorways, and access-areas, to nearby buildings); increased incidences of local residents being directly affected and intimidated by drunken behaviour.

-increased alcohol related **crime and disorder**, such as vandalism, vagrancy, and trespass and fighting, due to the extended hours and also the "on/off" sales.

It should also be noted, that the only 2 neighbouring restaurants (including the Edwins French Wine bar just along Phipp Street ; and Oklava opposite this on Luke St) only have Licenses to sell alcohol **with meals** not without, and they are *not* open every day until midnight!

Please consider this application carefully and help to prevent the negative effects of cumulative impact increasing even further into the quiet streets across the road from the South Shoreditch SPA boundary.

Unfortunately, many residential owners have already been forced to move out and/or rent their homes to tenants. Whilst it may appear that *not many* "locals" raise representations directly to Hackney, it does not mean that there is less impact on the amenity of the residents and live/work neighbours overall.

Best regards,

Dear Sir or Madam

Objection to Premises Licence Application
FABIO SETTEMBRE
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU

I wish to strongly object to allowing 39 Scrutton Street a license to sell alcohol. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. We already have two licensed premises opposite each other a restaurant and a pub next door and opposite to No.39.

There is no need to promote further alcohol sales in such close vicinity.

The area currently has issues with problem drinkers who purchase alcohol from nearby cheap suppliers and drink on the street.

This café provides a takeaway service so I am not sure how supplying alcohol will be at all beneficial to the area. The notice online does not give any details on their intention and raises serious concerns for me. Being a takeaway café, I feel this would only add to the street drinking culture we seem to have at weekends round here.

As a community we have in the recent past had to object to the same store trying to also obtain an alcohol license. They were quite rightly refused. Why we are having to go through the whole process again is beyond me.

In view of the above, I would stongly urge the Licensing Authority to refuse the application.

Yours Sincerely

Dear Sir or Madam

Objection to Premises Licence Application
FABIO SETTEMBRE
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU

I am writing to register my objection to the application for a premises licence application for the above property 39 Scrutton Street. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The area currently has issues with problem drinkers who purchase alcohol from nearby wine bars and off-licences. The application proposes that alcohol will be sold between 10am and 11.30pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,
