Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

ADVICE TO MEMBERS ON DECLARING INTERESTS

Hackney Council's Code of Conduct applies to **all** Members of the Council, the Mayor and co-opted Members.

This note is intended to provide general guidance for Members on declaring interests. However, you may need to obtain specific advice on whether you have an interest in a particular matter. If you need advice, you can contact:

- The Director of Legal & Governance;
- The Legal Adviser to the committee; or
- Governance Services.

If at all possible, you should try to identify any potential interest you may have before the meeting so that you and the person you ask for advice can fully consider all the circumstances before reaching a conclusion on what action you should take.

1. Do you have a disclosable pecuniary interest in any matter on the agenda or which is being considered at the meeting?

You will have a disclosable pecuniary interest in a matter if it:

- i. Is of a description specified in regulations made by the Secretary of State and either:
 - a) Is an interest of yours, or
 - b) Is an interest of
 - Your spouse or civil partner
 - A person with whom you are living as husband and wife, or
 - A person with whom you are living as if you were civil partners

And you are aware that that other person has that interest

2. If you have a disclosable pecuniary interest in an item on the agenda you must:

- i.
- ii. If you attend a meeting and are aware that you have a disclosable pecuniary interest in any matter to be considered, or being considered, at that meeting, you must subject to the sensitive interest rules, disclose that interest to the meeting and, unless you have obtained a dispensation, you cannot participate in any further discussion on the matter and must leave the meeting room whilst the matter is under discussion and takes place.
- ii. If you have, however, obtained dispensation from the Monitoring Officer or Standards Committee you may remain in the room and participate in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a pecuniary interest.

3. Do you have any other interest on any matter on the agenda which is being considered at the meeting?

A Member will have 'other interests' in a matter if:

- i. A Member is a member of an external body, this must be disclosed on the interests form and declared at meetings.
- ii. When contractual, financial, consent, permission or licence matters are under consideration relating to an external body on which you sit as a Member, such an interest must be declared and you cannot participate in the meeting as a Member of the Committee and must leave the meeting whilst the matter is under discussion and takes place
- iii. When contractual, financial, consent, permission or licence matters are under consideration and you have actively engaged in supporting an individual or organisation on the matter, you cannot participate in the meeting as a member of the Committee and must leave the meeting whilst the matter is under discussion and takes place.
- iv. Where a Member has received a gift or hospitality with an estimated value of at least £25, this must be disclosed on the register of interests form and declared at meetings.

4. If you have other interests in an item on the agenda you must:

- i.
- ii. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you.
- iii. You may remain in the room, participate in any discussion or vote provided that contractual, financial, consent, permission or licence matters are not under consideration relating to the item in which you have an interest.
- iv. If you have an interest in a contractual, financial, consent, permission or licence matter under consideration, you must leave the room unless you have obtained a dispensation from the Monitoring Officer or Standards Committee. You cannot stay in the room or public gallery whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision. Where members of the public are allowed to make representations, or to give evidence or answer questions about the matter you may, with the permission of the meeting, speak on a matter then leave the room. Once you have finished making your representation, you must leave the room whilst the matter is being discussed.
- v. If you have been granted dispensation, in accordance with the Council's dispensation procedure you may remain in the room. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a non pecuniary interest.
