Further strengthen the partnership between the Council and youth representatives to hold the local Police to account such as the Youth IAG (Account), work with them to take forward the recommendations of the Hackney Young Futures Commission and campaign for policing by consent. 3. Provide guidance and tools to Hackney's schools to create a diverse and anti-racist curriculum that educates children and young people on Britain's role in upholding systemic racism, and our borough's local diverse history. 4. Better reflect Hackney's diversity and anti-racist history in the borough's public realm. 5. Improve the diversity of the senior leadership of the Council, building on the Inclusive Leadership Training, and maintain the 'excellent' rating in future Local Government Equality Framework peer challenges and work with partners to improve diversity across the public sector. 6. Lobby for an independent inquiry into the Government's response to the COVID-19 pandemic, and whether their actions helped or hindered the protection of Hackney's Black communities. 7. Engage with any future Government commission on racism in the UK, but also resolve to lobby the Government to implement outstanding recommendations in: the Lammy Review (2017), the Dame Angiolini Report (2017), the Windrush Lessons Learned Review (2018), the McGregor-Smith Review (2017) and the Macpherson report (1999). 8. Acknowledge the UN resolution 68/237 International Decade for People of African Descent, implement initiatives and activities to raise awareness, educate on the history of people of African descent, and promote their contributions to contemporary societies.
