Access and Information

Public Involvement and Recording

Guidance on public attendance during Covid-19 pandemic

Scrutiny meetings are held in public, rather than being public meetings. This means that whilst residents and press are welcome to attend, they can only ask questions at the discretion of the Chair. For further information relating to public access to information, please see Part 4 of the council's constitution, available at <https://hackney.gov.uk/council-business> or by contacting Governance Services (020 8356 3503).

The Town Hall is not presently open to the general public, and there is limited capacity within the meeting rooms. However, the High Court has ruled that where meetings are required to be 'open to the public' or 'held in public' then members of the public are entitled to have access by way of physical attendance at the meeting. The Council will need to ensure that access by the public is in line with any Covid-19 restrictions that may be in force from time to time and also in line with public health advice.

Those members of the public who wish to observe a meeting are still encouraged to make use of the live-stream facility in the first instance. You can find the link on the agenda front sheet.

Members of the public who would ordinarily attend a meeting to ask a question, make a deputation or present a petition will be able to attend if they wish. They may also let the relevant committee support officer know that they would like the Chair of the meeting to ask the question, make the deputation or present the petition on their behalf (in line with current Constitutional arrangements).

In the case of the Planning Sub-Committee, those wishing to make representations at the meeting should attend in person where possible.

Regardless of why a member of the public wishes to attend a meeting, they will need to advise the relevant committee support officer of their intention in advance of the meeting date. You can find contact details for the committee support officer on the agenda front page. This is to support track and trace. The committee support officer will be able to confirm whether the proposed attendance can be accommodated with the room capacities that exist to ensure that the meeting is covid-secure.

As there will be a maximum capacity in each meeting room, priority will

be given to those who are attending to participate in a meeting rather than observe.

Members of the public who are attending a meeting for a specific purpose, rather than general observation, are encouraged to leave the meeting at the end of the item for which they are present. This is particularly important in the case of the Planning Sub-Committee, as it may have a number of items on the agenda involving public representation.

Before attending the meeting

The public, staff and councillors are asked to review the information below as this is important in minimising the risk for everyone.

If you are experiencing covid symptoms, you should follow government guidance. Under no circumstances should you attend a meeting if you are experiencing covid symptoms.

Anyone experiencing symptoms of Coronavirus is eligible to book a swab test to find out if they have the virus. You can register for a test after checking your symptoms [through the NHS website](#). If you do not have access to the internet, or have difficulty with the digital portals, you are able to call the 119 service to book a test.

If you're an essential worker and you are experiencing Coronavirus symptoms, you can apply for priority testing through GOV.UK by following the [guidance for essential workers](#). You can also get tested through this route if you have symptoms of coronavirus and live with an essential worker.

Availability of home testing in the case of people with symptoms is limited, so please use testing centres where you can.

Even if you are not experiencing covid symptoms, you are requested to take an asymptomatic test (lateral flow test) in the 24 hours before attending the meeting.

You can do so by visiting any lateral flow test centre; details of the rapid testing sites in Hackney can be found [here](#). Alternatively, you can obtain home testing kits from pharmacies or order them [here](#).

You must not attend a lateral flow test site if you have Coronavirus symptoms; rather you must book a test appointment at your nearest walk-through or drive-through centre.

Lateral flow tests take around 30 minutes to deliver a result, so please factor the time it will take to administer the test and then wait for the result when deciding when to take the test.

If your lateral flow test returns a positive result then you must follow Government guidance; self-isolate and make arrangements for a PCR test.

Under no circumstances should you attend the meeting.

Attending the Town Hall for meetings

To make our buildings Covid-safe, it is very important that you observe the rules and guidance on social distancing, one-way systems, hand washing, and the wearing of masks (unless you are exempt from doing so). You must follow all the signage and measures that have been put in place. They are there to keep you and others safe.

To minimise risk, we ask that Councillors arrive fifteen minutes before the meeting starts and leave the meeting room immediately after the meeting has concluded. The public will be invited into the room five minutes before the meeting starts.

Members of the public will be permitted to enter the building via the front entrance of the Town Hall no earlier than ten minutes before the meeting is scheduled to start. They will be required to sign in and have their temperature checked as they enter the building. Security will direct them to the Chamber or Committee Room as appropriate.

Seats will be allocated, and people must remain in the seat that has been allocated to them. Refreshments will not be provided, so it is recommended that you bring a bottle of water with you.

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting.

Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.
