		<p>4. Decision on Interim steps for the Haggerston, 438 Kingsland Road, London, E8 4AA</p> <p>After hearing the representations from both the Metropolitan Police Service, and the Licence holder's representative, the Licensing Sub-Committee decided that the interim steps issued on 22nd December 2021 are no longer required. The sub-committee took into consideration that the Licence holder had been working with the Police to improve the operation of the premises. Also staff had undertaken training on the licensing regime.</p> <p>The Reasons for the Decisions: Expedited Summary Review and Interim Steps:</p> <p>The Licensing Sub-Committee carefully considered the application from the Metropolitan Police Service ("the Police") relating to a serious incident at the premises on 18 December 2021, where a female was knocked unconscious. In addition the sub-committee heard from the Licensing Authority, the licence holder's representative, together with one representation in support of the Police's application. The sub-committee also considered a large number of representations from local residents (101 representations) in support of the premises. The sub-committee decided to accept the proposals agreed between the Police and the licence holder:</p> <ul style="list-style-type: none"> i) To remove the Designated Premises Supervisor in three months as set out above; ii) To reduce the hours of licensable activity except Sundays as set out above; iii) To modify the conditions on the licence as set out above. <p>The sub-committee heard the Police submissions that since the interim steps, and the suspension of the premises licence, the licence holder has worked with the Police, and they are satisfied with the agreed proposals. The Police took into consideration prior to the hearing the 101 representations in support of the premises from the local residents. The Police also considered that this was the first incident at the premises since they opened on 24 March 2010. The sub-committee noted that the Police were not seeking revocation of the premises licence</p>

		<p>following the measures that are now in place.</p> <p>The sub-committee noted that the Police maintained concerns about the dispersal from the premises late at night. The Police made submissions that they had previously raised concerns about dispersal, on a number of occasions, with the management of the premises.</p> <p>The sub-committee heard that the Licensing Authority was satisfied with the agreement reached between the Police and the licence holder in relation to modified conditions, reduced hours to core hours and removal of the DPS which has gone a long way to alleviate their concerns about the premises. The sub-committee took into consideration that the premises are located in the Special Policy Area, and they need to have standard conditions to work towards. The sub-committee heard that the Licensing Authority were pleased to hear that the management and staff are undertaking WAVE training on violence against women.</p> <p>The sub-committee heard submissions from Other Persons (a local resident in support of the review) made representations about the premises attracting anti-social behaviour outside the premises, and outside residential properties near to the premises. This has a serious impact on local residents near the premises and on the area, The sub-committee heard that the Police were contacted on a number of occasions to complain about the anti-social behaviour. The sub-committee took into account evidence from the neighbour, who supported the review, that the jazz nights on a Sunday were demonstrably different, and created no anti-social behaviour or impact on the area. The sub-committee noted that these events at the premises were supported by local residents and the community.</p> <p>The sub-committee took into consideration the submissions made by the licence holder's representative that the DPS, Mr. Clark was very sorry for the incident that occurred on 18 December and how it was handled. The premises had no previous incidents such as this. However, they will operate the premises more responsibly going forward, and they want to</p>

Since the incident Mr. Clark, and the two managers have been trained in the licensing requirements and he will take a more active role In the premises.</p> <p>When making their decision the sub-committee took into consideration that this was a serious incident where a female was knocked unconscious. which was handled very badly by the management of the premises, and it is not acceptable. This incident has been taken very seriously. The sub-committee recognised that the premises is a valuable community resource that needs to continue working for the benefit of the community and to ensure public safety. The sub-committee have taken into account the measures that have been put in place to allow the premises to continue to operate.</p> <p>The sub-committee acknowledge that Mr. Clark and the management took immediate action, they engaged with the Police and undertook training from 27 December 2021 on the licensing requirement, the licensing legislation, and that they have made good progress. The sub-committee took into account the work that has been done on dispersal and for SIA security to be put in place at the premises.</p> <p>The sub-committee felt this was a good learning opportunity for the licence holder, and the staff to operate the premises responsibly. They are responsible to operate an effective dispersal policy to ensure public safety. The sub-committee were pleased to see that the licence holder and staff have a commitment to WAVE training. The sub-committee felt the licence holder and the management needed to be proactive in resolving the internal and external factors and wider issues at the premises. This can also be supported in the future with community and Councillor input.</p> <p>The sub-committee took into consideration the agreed measures, and the action that the</p>

The sub-committee took into account that the premises would not reopen until all the necessary training of staff and actions were carried out to ensure that the premises are operating responsibly and to ensure public safety.</p> <p>The sub-committee felt that with the change of DPS, reduced hours, and modified conditions on the licence, that the premises would improve, and be run in a manner that would promote the licensing objectives in the future.</p> <p>Public Informative</p> <ol style="list-style-type: none"> 1.
