ADVICE TO MEMBERS ON DECLARING INTERESTS

Hackney Council's Code of Conduct applies to all Members of the Council, the Mayor and co-opted Members.

This note is intended to provide general guidance for Members on declaring interests. However, you may need to obtain specific advice on whether you have an interest in a particular matter. If you need advice, you can contact:

- Director of Legal and Governance Services
- the Legal Adviser to the committee; or
- Governance Services.

If at all possible, you should try to identify any potential interest you may have before the meeting so that you and the person you ask for advice can fully consider all the circumstances before reaching a conclusion on what action you should take.

You will have a disclosable pecuniary interest in a matter if it:

- relates to an interest that you have already registered in Parts A and C of the Register of Pecuniary Interests of you or your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner;
- relates to an interest that should be registered in Parts A and C of the Register of Pecuniary Interests of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner, but you have not yet done so; or
- affects your well-being or financial position or that of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner.

If you have a disclosable pecuniary interest in an item on the agenda you must:

- Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you (subject to the rules regarding sensitive interests).
- You must leave the meeting when the item in which you have an interest is being discussed. You cannot stay in the meeting whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision.
- If you have, however, obtained dispensation from the Monitoring Officer or Standards Committee you may remain in the meeting and participate in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a pecuniary interest.

Do you have any other non-pecuniary interest on any matter on the agenda which is being considered at the meeting?

You will have 'other non-pecuniary interest' in a matter if:

- i. It relates to an external body that you have been appointed to as a Member or in another capacity; or
- ii. It relates to an organisation or individual which you have actively engaged in supporting.

If you have other non-pecuniary interest in an item on the agenda you must:

- i. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you.
- ii. You may remain in the meeting, participate in any discussion or vote provided that contractual, financial, consent, permission or licence matters are not under consideration relating to the item in which you have an interest.
- iii. If you have an interest in a contractual, financial, consent, permission or licence matter under consideration, you must leave the meeting unless you have obtained a dispensation from the Monitoring Officer or Standards Committee. You cannot stay in the meeting whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision. Where members of the public are allowed to make representations, or to give evidence or answer questions about the matter you may, with the permission of the meeting, speak on a matter then leave the meeting. Once you have finished making your representation, you must leave the meeting whilst the matter is being discussed.
- iv. If you have been granted dispensation, in accordance with the Council's dispensation procedure you may remain in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a non pecuniary interest.

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at PIZZA HUT, UNIT D, 230/240 STOKE NEWINGTON HIGH STREET, LONDON, N16 for the following reason(s);

This premises is located on Stoke Newington High St, which is the main road running through the centre of Stoke Newington. This application seeks permission for late night refreshment until 0500hrs everyday, which would effectively give the premises a licence to sell hot food 24 hours a day everyday.

Police have concerns that the constant coming and going of vehicles 24 hours a day will disturb local residents. The application does not detail what kind of vehicles will be used by the premises and Police would want to avoid any noise that would be a nuisance to residents from engine noises and/or doors slamming from mopeds or cars/vans that are parking, collecting and then delivering orders, which could be a constant nuisance. Has the applicant given thought to the use of electric vehicles only?

Although this premises is on a main road, it does become much quieter late at night and into the early hours of the morning. Police have submitted two photographs with this application that shows the residential properties that are above this premises. The premises is also on the junction of Cazenove Road, which is a residential street and there are residential properties opposite also.

Police look forward to hearing from the applicant soon to discuss a way forward for this application.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Signed
PC 3691CE RYAN

APPLICATION PREMISES

COMMENTS

I make the following relevant representations in relation to the above application for a premises licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance x
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I write in relation to the application for a new premises licence.

The proposed hours of operation are excessive given the characteristics of the surrounding area and as a result are likely to have a negative impact on the promotion of the licensing. The applicant should therefore have regard to the following extract from the Council's Licensing Policy:

LP3 - Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- **Monday to Thursday 08:00 to 23:00**
- **Friday and Saturday 08:00 to 00:00**
- **Sunday 10:00 to 22:30**

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

The premises is described as an organic food store. However, the application seeks to authorise the sale of alcohol for consumption on the premises as well as off the premises. The attached plan also shows tables and chairs within the licensed area. The applicant may wish to provide further background on this particular point.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion in relation to the points raised above.

Dear Colleagues

I am a King's Park ward councillor.

I wish to object to the application for a licence until 2am on Fridays and Saturdays and ask the Council to restrict the licence to 11pm, which is Council policy. No licences have been granted beyond 11pm in Chatsworth Road: there are many residential properties nearby and over the shops whose residents' lives could be negatively impacted by the granting of a late night licence, plus once there is one licence there, other establishments may attempt to follow suit and before we know it there will be another unmanageable situation that causes a public nuisance.

I should mention also that the premises is near a controlled parking zone with double-yellow lines along Chatsworth Road. At that point in Chatsworth Road (where it meets Brooksby's Walk) there are repeated parking infringements such as pavement parking, parking on double-yellow lines, car doors being slammed, plus it is a bus route and these inconsiderate motorists parking on double-yellow lines while they stop for a chat to their friends, already causes issues along an already difficult bus route (the 242) on this very narrow street, which is a public safety issue.

I don't know what sort of establishment is proposed for 2 Chatsworth Road but I do know that residents will not appreciate the parking and car door slamming that the area at 2am at night, any day of the week and the 242 night bus will also be carrying home some very tired people who will not appreciate their journeys home being disrupted by inconsiderate vehicles (taxis and the like) picking people up from a late night venue.

So please reject the application. Thank you.

Objection to application - 2 Chatsworth Road, London, E5 0LP

Dear Sir/Madam

I would like to object to the license application for 2 Chatsworth Road [London, E5 0LP](#). I believe that the conditions of the license will result in public nuisance for residents who are in close proximity. Specifically:

1. The premise is located in a dense residential area with a number of flats surrounding the premise. The sale of alcohol late at night, particularly on Friday and Saturday night, is likely to lead to an increase in drunk, disorderly behaviour and noise on the footpath directly outside and below living rooms and bedrooms until very late in the evening.
2. The rear of the premise is directly next to residential gardens and bedrooms, which based on recent building works may have some form of open space or windows leading out to the rear. This means having patrons on premise drinking until 11pm on weeknights and 2am on Friday and Saturday evenings and the associated behaviour and noise will have a negative impact on residents lives, including sleep deprivation. The recent noise from building works at the premise have been extremely loud and provide an example of how much noise travels from the premise and impacts neighbours.

I believe that the conditions of the license should be altered to only cover off sales and should be limited to 10pm on weekdays and 11pm on weekends. This would be more compatible with the residential nature of the surrounding neighbours.

Kind regards

Dear Sir/Madam,

I am writing with regards to the licensing application for :

2 Chatsworth Road
London E5 0LP
King's Park
Mr Erdogan

Application for a premises licence to authorise the supply of alcohol for consumption on and off the premises from 07:00 to 23:00 Sun to Thurs and from 07:00 to 02:00am Fri and Sat.

Please be aware of my opposition to this application for the late licence for the sale of alcohol.

As local residents and neighbours to this address

We as a household and I myself am very concerned with negative health implications this will have on my family, neighbours and the community as a whole.

Health guidelines for the use of alcohol has made us all aware that the problems of alcohol abuse and over consumption can cause and that it is ne of the biggest health risks to Hackney citizens. Health risks including heart & liver disease, mental health issues including anxiety and depression. The increase in antisocial behaviour and accidents that caused by over indulgence due to occasional circumstance and addiction.

The building the application is for, has children living in it and neighbouring flats also have young children who need their sleep.

We have high concerns about the behaviour of customers who may have over consumed alcohol. Evidence of antisocial behaviour due to overconsumption is bountiful putting local residents and their property at risk.

The road has become more residential over the years with more and more young families moving into the area hoping to live healthy lives.

This particular stretch of the road has children and babies living in flats surrounding the property.

We are also deeply concerned with the poss excess noise pollution levels the establishment will create having gained a late license.

Please I request for the application not to be granted.

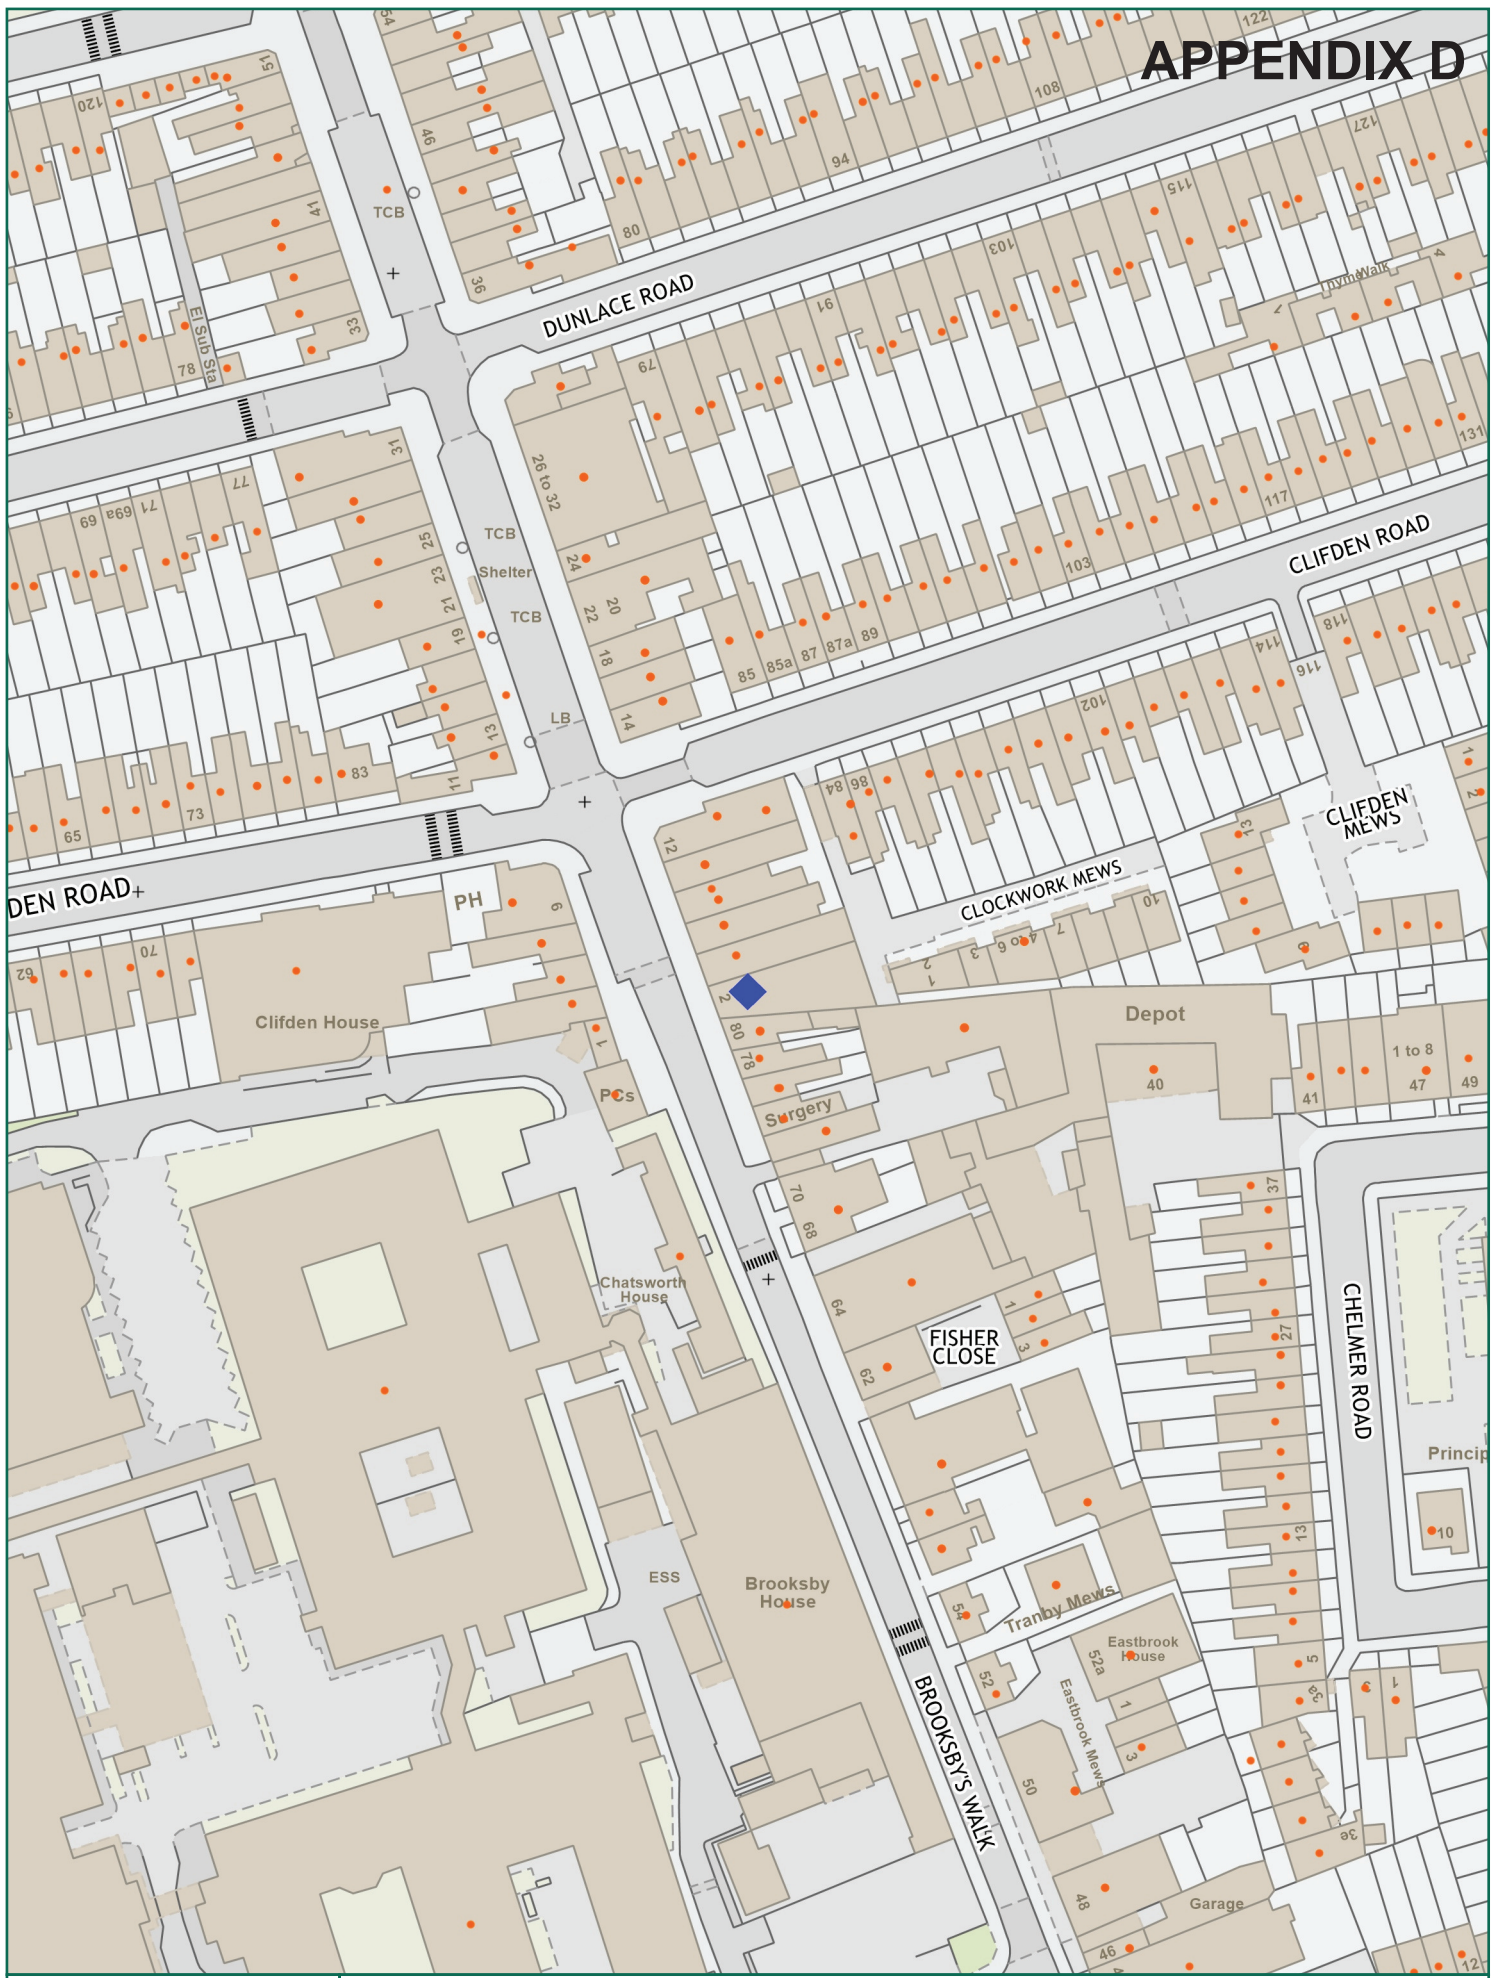

And I speak for my family and immediate neighbours when we ask kindly for the application to be denied.

We love our community and would like to see business thrive, but people's health must come first. Perhaps the business owner could find a more appropriate location for a late license to sell alcohol. Preferably one that doesn't have people and specifically young people in the building or living beside it.

We hope you make the right and best decision for the community.

Yours sincerely,
