Public Attendance

The Town Hall is not presently open to the general public, and there is limited capacity within the meeting rooms. However, the High Court has ruled that where meetings are required to be 'open to the public' or 'held in public' then members of the public are entitled to have access by way of physical attendance at the meeting. The Council will need to ensure that access by the public is in line with any Covid-19 restrictions that may be in force from time to time and also in line with public health advice.

Those members of the public who wish to observe a meeting are still encouraged to make use of the live-stream facility in the first instance. You can find the link on the agenda front sheet.

Members of the public who would ordinarily attend a meeting to ask a question, make a deputation or present a petition will be able to attend if they wish. They may also let the relevant committee support officer know that they would like the Chair of the meeting to ask the question, make the deputation or present the petition on their behalf (in line with current Constitutional arrangements).

In the case of the Planning Sub-Committee, those wishing to make representations at the meeting should attend in person where possible.

Regardless of why a member of the public wishes to attend a meeting, they will need to advise the relevant committee support officer of their intention in advance of the meeting date. You can find contact details for the committee support officer on the agenda front page. This is to support track and trace. The committee support officer will be able to confirm whether the proposed attendance can be accommodated with the room capacities that exist to ensure that the meeting is covid-secure.

As there will be a maximum capacity in each meeting room, priority will be given to those who are attending to participate in a meeting rather than observe.

Members of the public who are attending a meeting for a specific purpose, rather than general observation, are encouraged to leave the meeting at the end of the item for which they are present. This is particularly important in the case of the Planning Sub-Committee, as it may have a number of items on the agenda involving public representation.

Before attending the meeting

The public, staff and councillors are asked to review the information below as this is important in minimising the risk for everyone.

If you are experiencing covid symptoms, you should follow government guidance. Under no circumstances should you attend a meeting if you are experiencing covid symptoms.

Anyone experiencing symptoms of Coronavirus is eligible to book a swab test to find out if they have the virus. You can register for a test after checking your symptoms through the NHS website. If you do not have access to the internet, or have difficulty with the digital portals, you are able to call the 119 service to book a test.

If you're an essential worker and you are experiencing Coronavirus symptoms, you can apply for priority testing through GOV.UK by following the guidance for essential workers. You can also get tested through this route if you have symptoms of coronavirus and live with an essential worker.

Availability of home testing in the case of people with symptoms is limited, so please use testing centres where you can.

Even if you are not experiencing covid symptoms, you are requested to take an asymptomatic test (lateral flow test) in the 24 hours before attending the meeting.

You can do so by visiting any lateral flow test centre; details of the rapid testing sites in Hackney can be found here. Alternatively, you can obtain home testing kits from pharmacies or order them here.

You must not attend a lateral flow test site if you have Coronavirus symptoms; rather you must book a test appointment at your nearest walk-through or drive-through centre.

Lateral flow tests take around 30 minutes to deliver a result, so please factor the time it will take to administer the test and then wait for the result when deciding when to take the test.

If your lateral flow test returns a positive result then you must follow Government guidance; self-isolate and make arrangements for a PCR test. Under no circumstances should you attend the meeting.

Attending the Town Hall for meetings

To make our buildings Covid-safe, it is very important that you observe the rules and guidance on social distancing, one-way systems, hand washing, and the wearing of masks (unless you are exempt from doing so). You must follow all the signage and measures that have been put in place. They are there to keep you and others safe.

To minimise risk, we ask that Councillors arrive fifteen minutes before the meeting starts and leave the meeting room immediately after the meeting has concluded. The public will be invited into the room five minutes before the meeting starts.

Members of the public will be permitted to enter the building via the front entrance of the Town Hall no earlier than ten minutes before the meeting is scheduled to start. They will be required to sign in and have their temperature checked as they enter the building. Security will direct them to the Chamber or Committee Room as appropriate.

Seats will be allocated, and people must remain in the seat that has been allocated to them.

Refreshments will not be provided, so it is recommended that you bring a bottle of water with you.

RIGHTS OF PRESS AND PUBLIC TO REPORT ON MEETINGS

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting.

Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting. The press and public are not permitted to use any means which might enable them to see or hear the

proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

ADVICE TO MEMBERS ON DECLARING INTERESTS

Hackney Council's Code of Conduct applies to all Members of the Council, the Mayor and co-opted Members.

This note is intended to provide general guidance for Members on declaring interests. However, you may need to obtain specific advice on whether you have an interest in a particular matter. If you need advice, you can contact:

- Director of Legal and Governance Services
- the Legal Adviser to the committee; or
- Governance Services.

If at all possible, you should try to identify any potential interest you may have before the meeting so that you and the person you ask for advice can fully consider all the circumstances before reaching a conclusion on what action you should take.

You will have a disclosable pecuniary interest in a matter if it:

- i. relates to an interest that you have already registered in Parts A and C of the Register of Pecuniary Interests of you or your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner;
- ii. relates to an interest that should be registered in Parts A and C of the Register of Pecuniary Interests of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner, but you have not yet done so; or
- iii. affects your well-being or financial position or that of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner.

If you have a disclosable pecuniary interest in an item on the agenda you must:

- i. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you (subject to the rules regarding sensitive interests).
- ii. You must leave the meeting when the item in which you have an interest is being discussed. You cannot stay in the meeting whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision.
- iii. If you have, however, obtained dispensation from the Monitoring Officer or Standards Committee you may remain in the meeting and participate in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a pecuniary interest.

Do you have any other non-pecuniary interest on any matter on the agenda which is being considered at the meeting?

You will have 'other non-pecuniary interest' in a matter if:

- i. It relates to an external body that you have been appointed to as a Member or in another capacity; or
- ii. It relates to an organisation or individual which you have actively engaged in supporting.

If you have other non-pecuniary interest in an item on the agenda you must:

- i. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you.
- ii. You may remain in the meeting, participate in any discussion or vote provided that contractual, financial, consent, permission or licence matters are not under consideration relating to the item in which you have an interest.
- iii. If you have an interest in a contractual, financial, consent, permission or licence matter under consideration, you must leave the meeting unless you have obtained a dispensation from the Monitoring Officer or Standards Committee. You cannot stay in the meeting whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision. Where members of the public are allowed to make representations, or to give evidence or answer questions about the matter you may, with the permission of the meeting, speak on a matter then leave the meeting. Once you have finished making your representation, you must leave the meeting whilst the matter is being discussed.
- iv. If you have been granted dispensation, in accordance with the Council's dispensation procedure you may remain in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a non pecuniary interest.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:

Background Information, and supporting Document to accompany premises licence variation

On Tiger Bar, Wick Road, Hackney, London E9 5AF.

3rd December 2021

1. This document is an outline of the proposal for the variation to the licensed premises at Tiger Bar, Wick Road, Hackney, London E9 5AF, with background information to support the application. The premises has been trading as a licensed premises for many years and had a licence extending way back to before 2003 with “ Grandfather rights”. It has a premises licence which permits regulated entertainment, and to serve alcohol and late night refreshments, and is not in a special policy area.
2. The premises has been run as Tiger Bar successfully and safely, for over many years, by Ahmet Menkli. He is very experienced, and has successfully run other similar bars in Hackney.
3. This present variation is to slightly extend the opening hours of the premises to 04.00 am on Friday and Saturday nights and to 01.00 am on Sunday to Thursday nights, and with half an hour drink up time , so all serving of alcohol and regulated entertainment to finish half an hour before closing times. There is no increase in capacity, the premises, as a result of this variation.
4. There is also an application to remove condition 25 which restricts the use of the first floor function room to pre-booked events only . The application is to use the first floor function room to be licensed to the same hours and operating schedule as the ground floor bar.
5. There have been no complaints or issues with residents about the premises over the last four years. There have been no issues with the Police, the Licensing Department, or the Noise Team, for many years. The function room particularly has proved to be popular and with no issues; removing condition 25 will enable the premises to offer more employment to local experienced and qualified people, and act as a boost to the economy and help the hospitality trade.
6. After careful consideration the management have decided to continue with the steady improvement and a measured approach to the business, after many requests from customers to be allowed to stay for later hours and also to use the function room without pre booking, and always in a responsible manner. The management team will also carefully review the security and management policy and consider any improvements that may further reduce any possible disturbance to the minimum.
7. Informal discussions will be held with Local Residents, the Licencing officers, Police and Noise team officers to discuss these proposals, and the Premises management expect to receive a favourable initial response, with discussion about the details of any requested security improvements or other details. The premises has been successfully and safely run over many years without any issues, and in particular the CCTV system is to be completely upgraded over the next few weeks in preparation for this application. In conclusion it is considered that there will be no significant impact from this proposal given the lack of increase in capacity and relatively few customers permitted to use the premises. However any comments on the proposals of this variation will be gratefully considered.

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) The prevention of crime and disorder ◆
- 2) Public safety ◆
- 3) The prevention of public nuisance ◆
- 4) The protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police submit the following representations for the premises licence variation at The Tiger Wick Road.

This application seeks to extend hours for the Supply of Alcohol, Live music, Recorded Music and performance of dance until 0330hours on Fridays and Saturdays and until 0030hours on Sunday –Thursday with an extra 30 minutes until closing to allow half an hours drinking up time.

The applicant is also seeking to remove condition 25 from the current licence which prohibits the use of the first floor function room save for pre-booked events.

This venue already benefits from hours that exceed the core hours as laid out in LP3 of the LBH Statement of licensing policy and this application if granted would further exceed those hours.

The venue is situated on a busy junction in that is a mix of both commercial and residential premises which many of the roads that lead away from the premises being residential in nature. The applicant has offered a number of items within their operating schedule which police would like to address. The applicant has stated that there is no application to increase the capacity of the venue. However with the removal of the condition there is likely to see an increase in the use of the function room which whilst may not increase the overall capacity it will likely see the venue used more frequently by an increased number of persons.

The applicant has also referenced good public transport. Whilst there is a bus stop opposite the venue this is serviced by only one night bus. There are two train stations within a short distance however these would see customers walking through residential areas and these only provide daytime services and will not be running at the proposed closing time. Police are therefore concerned about the dispersal from the premises should the application be granted.

Police are concerned that the granting of this variation would undermine the licensing objectives namely crime and disorder and public nuisance

Police look forward to hearing from the applicant to discuss this application further.

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application for a premises licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance x
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I write in relation to the application to vary the existing premises licence.

The proposed extended hours of operation are a concern given the amount of residential premises in the immediate vicinity. The premises has a prominent setting on a busy junction but it is expected that the volume of traffic and therefore ambient noise levels would drop off in the early hours of the morning.

The applicants' attention is drawn to LP3 (Core Hours) which states:

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

Whilst it is noted that the existing hours are already beyond those set out in LP3 (Core Hours), the application lacks detail of any potential risks that may arise and how these will be mitigated. Such risks may include:

- The impact of patrons arriving or leaving the site beyond the existing hours of 02:00
- The removal of the restriction on the 1st floor function room

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Application for extended hours at the Tiger, Wick Road

I am writing on behalf of the three Hackney Wick Councillors to express our concerns about the extended hours of opening proposed by the Tiger on Wick Road as set out below:

Application for variation of premises licence for live music, recorded music, Performance of dance, anything of similar description from 11:00 to 00:30am Sun to Thurs and from 11:00 to 03:30am Fri and Sat, to extend supply of alcohol till 00:03am Sun to Thurs and till 03:30am Fri and Sat and to remove condition 25.

We believe these hours, especially the serving of alcohol to 3.30am on Friday and Saturday, are likely to cause significant disturbance to local residents, not least as the 'performance of dance' is also included in the application. Together these proposals in effect would turn the pub into a club at the weekend and undermine our overall approach to licensing policy.

It is also important to note that there are already a large number of complaints associated with people leaving Habbots Bar at [331 Wick Road](#) where hours are not as extended. In the case of the Tiger the neighbouring community is located even closer and in greater numbers.

Yours sincerely

Councillors Nick Sharman, Chris Kennedy and Jess Webb

Tiger Pub variation of premises license - representation against

1 message

28 December 2021 at 15:00

To: licensing@hackney.gov.uk

Hello Hackney licensing,

The Tiger is just a few minutes walk from my house and in a quiet, residential area. Most of the time it is a pleasant pub that only causes us problems on the occasions it is open late at night. The increased hours will change that. It will become a place of constant nuisance and disorder.

Noise - The noise generated by drunken revellers spilling out until 12.30 am all week and to 3.30am on Friday and Saturday will disturb our sleep and keep us awake until much later after they have disbursed.

Disorder and public nuisance - Already we have people urinating against the walls and this will increase with the increased amount of alcohol drunk. Then there is the vomiting, broken glass and NOS canisters that litter our streets after late nights at the Tiger. We don't want that kind of danger to our safety or potential crime in our streets everyday. Wick Mews (91 to 101 Kenworthy Road) is particularly attractive this kind of behaviour.

The lack of public transport available at this time of night means there will be taxis coming and going for several hours into the early hours in Wick Road, Kenworthy Road, Benn Street and Bushberry Road.

Crime and Public Safety - I don't want The Tiger turned into another Dolphin, closed by the police due to violence.

Yours sincerely,

Benn Street

Dear Sirs/Madam

As a resident of Bushberry road I object to the application for extended hours. This will cause even more traffic and parking issues and excessive late night noise on the residential roads adjacent to The Tiger pub predominantly affecting Bushberry and Benn street- we already have people urinating and littering in our street after closing & drunken shouting as people loiter and lean on our garden walls before heading home..

As a resident that has to wake up for work at 5am including weekends this will also impact on my sleep and affect my peaceful enjoyment of my home.

yours faithfully

Tiger E9 Variation Representation

1 message

3 January 2022 at 23:59

To: Licensing <licensing@hackney.gov.uk>

Dear Hackney Licensing,

I write to object to the variation application by Tiger E9 on the grounds that it is not consistent with the licensing objectives.

Prevention of Public Nuisance

The hours requested are bound to cause a public nuisance to local residents trying to sleep. Public transport is not available in the area beyond midnight except for buses so there would be a lot of minicabs making noise as people try to get home, or try to find somewhere open even later in the night / morning.

These hours are contrary to Hackney Licensing Policy. The applicants can not show that these hours - well beyond the core hours - will not risk undermining the licensing objectives.

Prevention of crime and disorder

Tiger E9 boast that they are sister to the notorious Dolphin on Mare Street which is, as I understand it, currently closed at the request of the police following an incident of violence.

The location is away from the natural nightlife areas and will be impossible to police effectively.

Please keep me informed about the progress of this application.

With kind regards

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Premises Licence conditions listed on Premises Licence Number LBH-PRE-T-0669 are proposed.

As you are aware, Mr. & Mrs. Yildiz have been through a marriage breakdown followed by lengthy legal proceedings which continue to this date, as a result, our client only learnt of the situation regarding the licence once it had been suspended and thereafter revoked, within the matrimonial proceedings.

Following our last hearing on 16 November 2021 we were advised by Mr. Yildiz's legal representatives, within the matrimonial proceedings, that he now consents to our client dealing with matters, including the running of the pub, pending a final hearing. Our client's case within the matrimonial proceedings is that she retains the Dolphin Pub.

Mr. Yasar Yildiz would need to vacate the building. Currently Mr. Yildiz resides in the upper residential parts, accordingly, we have written to his legal representatives and requested he vacates.

To date, he has not agreed and in the event he does not, we have advised our client that she can make an application to the Court seeking an injunction to remove him from the building.

b) The prevention of crime and disorder

In addition to the conditions enclosed on Premises Licence number LNH-PRE-T-0669, the applicant, Ms Nuvit Yildiz also offers following condition:

The Premises Licence will not come into effect until Mr Yasar Yildiz leaves his residential unit above the business as well as Ms Nuvit Yildiz retains the Dolphin Pub by end of Matrimonial Proceedings.

c) Public safety

Premises Licence conditions listed on Premises Licence Number LBH-PRE-T-0669 are proposed.

d) The prevention of public nuisance

Premises Licence conditions listed on Premises Licence Number LBH-PRE-T-0669 are proposed.

e) The protection of children from harm

Premises Licence conditions listed on Premises Licence Number LBH-PRE-T-0669 are proposed.

Dear Sirs,

Re: Our Client: Mrs. Nuvit Yildiz
The Dolphin Public House, 165 Mare Street, Hackney, London, E8 3RH.

We write to the above and confirm that our client filed for divorce on 14 June 2017, with the petition being issued on 22 June 2017. To date all proceedings have been very acrimonious with multiple applications having been made to the Court by the parties since.

On 17 August 2018 an application was filed on behalf of our client for financial relief. Since this application was made, the case has been heard, together with ancillary applications, on many occasions. In fact, these proceedings are still ongoing.

Since 26 October 2016, and throughout these proceedings, our client has been denied access to the premises and business known as the Dolphin Pub by Mr. Yildiz. This has been documented throughout these proceedings. In addition, Mr. Yildiz has continuously failed to provide our client with information requested pertaining to the business, despite the fact she is a partner of the business and having obtained Court Orders requiring him to do so.

On several occasions, our client has sought an Order to remove Mr. Yildiz from the business, 30 June 2021 being the last time after an application was made to prevent Mr. Yildiz from dissipating assets based on his threat to surrender the leases in respect of the Dolphin Pub. On this date, while DJ Geoff Smith did not at the time Order the removal of Mr. Yildiz, he did Order that our client should be furnished with all the relevant information as per the previous Orders and that Mr. Yildiz was to facilitate access for our client to enter the premises on notice once a month, accompanied by a Solicitor, whereby our client could have access to the stock, the business accounts, the takings, cash register and so on.

Accordingly, our client attended on 28 July 2021 and 19 August 2021, both times accompanied by a member of our firm and a representative from Mr. Yildiz's Solicitors. Mr. Yildiz was not present on either occasion. Both attendances were futile and our client was met with resistance in respect of physical access to parts of the premises, information and equipment.

In respect of the premises licence, our client only became aware there was an issue on 20 October 2021 when she saw a tweet by Hackney Police advising that the licence had been suspended. We immediately wrote to Mr. Yildiz's Solicitor asking for clarification. On 21 October 2021 they furnished us with a copy of the letter from Hackney Council's licensing services (addressed only to Mr. Yildiz) dated 15 October 2021 advising that the licence had been suspended and why. At the same time, Mr. Yildiz's representatives advised that he had instructed specialist solicitors to deal with the licencing appeal. Despite our requests, we were advised, on 4 November 2021, that the licencing solicitors refused to liaise with us or our client, leaving her without the relevant details, including any deadlines. This was refuted to no avail.

On 15 November 2021 at 16:46, the day before a hearing was listed, we received an email stating that the licence had been permanently revoked. Matters concerning the licence revocation, and the lack of timely disclosure, were raised at a hearing on 16 November 2021. At the hearing Mr. Yildiz informed the Court that he did not have the will to pursue an appeal. DDJ Brett took a dim view of Mr. Yildiz's conduct and ordered that he arrange for his licencing solicitors to disclose the information and documentation needed for an appeal by 30 November 2021. Again, we were met with resistance but eventually we were furnished with some information on 29 November 2021.

We trust the above is of assistance.

Yours faithfully,

ARLINGTON CROWN SOLICITORS

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at THE DOLPHIN, 165 MARE STREET, LONDON, E8 3RH for the following reason(s);

This is a new application for a Premises Licence at The Dolphin on Mare Street.

On 11th November 2021, the licensing sub-committee, sat at a review hearing that had been submitted by police after serious concerns relating to a number of failings by the management in relation to the operation of the premises over an extended period of time and a complete lack of action after a serious assault inside the premises, where a male was glassed in the face by a regular customer. The sub-committee, having considered all of the evidence presented to them by police, decided to revoke all licenses at 163 and 165 Mare Street. 'The sub-committee felt that they were not capable of upholding or promoting the licensing objectives given the issues raised' and 'had no confidence that the Licence holder will comply with conditions on the licence given their history of non-compliance with the licensing objectives'. At the time of the hearing, Ms Nuvit YILDIZ, the applicant in this case, was one of the joint Premises Licence holders. As joint licence holder, Ms YILDIZ, was equally responsible for the failings identified at the hearing and it should be noted that she did not attend the review hearing, despite it being of public record and her having an equal interest in the venue.

Prior to the review hearing, police often visited the premises and spoke with Mr Yasar YILDIZ, he told police that he was going through a divorce and that his wife, Ms Nuvit YILDIZ, was refusing to remove herself from the licence despite her not living or working on or at the premises any longer.

This application seeks an identical licence to the one that existed at 165 Mare Street prior to 10th October 2019, when a variation to the licence was granted. This variation brought regulated entertainment in line with the supply of alcohol. This application states that Ms YILDIZ 'learnt of the situation regarding the licence once it had been suspended and thereafter revoked, within the matrimonial proceedings'. Police find it concerning that having learnt of the suspension, which was granted as interim steps at the first expedited review hearing, no attempt was made to contact police, as applicants of the review, nor did she submit any kind of documentation or representation to the council. To date, the first police have heard from Ms YILDIZ is via this application, which has been submitted on her behalf by an agent. No attempt was made to contact police and have a discussion prior to this application being submitted, which would usually happen in cases such as this.

It is also interesting to note that the premises licence was revoked on 11th November 2021, and on the 16th November 2021, Mr YILDIZ consented to Ms YILDIZ dealing with matters at the pub. And yet knowing of the revocation of the licence did not submit an appeal against the committee's decision within the time frame allowed.

This application is for a new licence at this premises. The hours proposed far exceed the hours stated in LBH's Statement of Licensing Policy in relation to the proposed hours for the sale of alcohol and opening hours.

This premises is on a busy road, but is also opposite and nearby drug and alcohol treatment centres and hostels. There are very often street drinkers outside this premises and other nearby shops and the late hours proposed in this licence and previously held at the venue, will have and had a negative effect on the cumulative impact in the area.

It is also worth noting that during the period of April – October 2021, there were 7 noise complaints received from local residents that were linked to this premises, and police believe that these complaints mainly emanated from the rear garden area and leakage from inside due to doors being left open.

Police believe that the granting of this application would undermine the licensing objectives.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and previous history of the venue.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

None

APPENDIX B2

Hi Sanaria

Hope you had a Merry Christmas and nice time off during the festive season

The Environmental Protection Team have concerns about noise from loud music and raised voices emanating from the premises.

The team received 9 complaints from 5 different residents between July to October 2021. The Environmental Protection Team witnessed Statutory Nuisance from the premises on 4th September 2021 at 02:00 hours. Approached the premises and brought Mr Yildiz and his wife to the back of the premises and they too witnessed the excessive noise (music and loud conversations) in the street. The officer had a long discussion with both of them regarding the matter and asked them to temporarily reduce the volume of the music and voluntarily reduce the hours of use of the temporary structure, as Best Practicable Means to minimise the noise till such a time when they can carry out sound insulation works to the building. These measures would be temporary and not cost him anything. On this occasion Mr & Mrs Yildiz were made aware that we are receiving complaints about music and raised voices from his premises and asked them to abate the nuisance informally, otherwise a noise abatement notice would be served on the premises if officers witness a further nuisance

Officers again visited the premises on 2 October at 01:49 hours & on 3 October 2021 at 02:30 hours and witnessed excessive and unreasonable noise from music and loud conversations in the street. Following the visits two Noise Abatement Notices were served on Mr & Mrs Yildiz on 29 October 2021.

The notice required them to "at all times control the levels of amplified music and raised voices emitted from the premises so as not to cause nuisance to occupiers of neighbouring dwellings"

The noise abatement notice is still in place and the licence holders have not carried out any works to abate the nuisance or employed Best Practicable Means (BPM) to minimise the noise. The premises are not suitable for containing the type of noise generated within the building and the heavy bass music penetrates the structure and causes disturbance in neighbouring dwellings. Secondly, the light weight structure at the back where customers sit and drink till 4am has no sound insulation and acts as a noise escape route.

However, the applicant has not demonstrated how the premises will control noise from the premises. Therefore the Environmental Protection Team would object to the application and ask the applicant to carry out a noise survey and submit a Noise Impact Report with noise control measures. Without this safeguard in place, the Public Nuisance objective would be compromised.

The applicant is free to contact me with any proposal they have in mind to minimise the noise disturbance to neighbours and uphold the Public Nuisance Objective of the Licensing 2003.

I hope this is useful

1. The Licensee shall ensure that all relevant staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominent place where it can be referred to at all times by staff.
2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. The Licensee's premises are situated in an area within which refuse may only be left on the public highway at certain times (time bands). If the Licensee's waste carrier cannot or does not comply by collecting the refuse within an hour after the close of any time band imposed by the waste authority, the Licensee must remove the refuse from the public highway and/or keep it within the premises until such time as his/her waste carrier arrives to collect the refuse.
4. The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.
6. The current trade waste agreement/duty of care waste transfer document shall be conspicuously displayed and maintained in the window of the premises where it can be conveniently seen and read by persons standing in The Dolphin. This should remain unobstructed at all times and should clearly identify:-
 - the name of the registered waste carrier
 - the date of commencement of trade waste contract
 - the date of expiry of trade waste contract
 - the days and times of collection
 - the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

APPENDIX C1

Hi,

I would line to raise my objection to the granting of a license for The Dolphin public House, [165 Mare Street, Hackney](#).

I live on Mentmore Terrace, E83DQ and my flat [redacted] Sidworth Steet and [redacted] The Dolphin. The noise coming from this place is intolerable. I note the application is to play music from 11.00am to 23.00 Monday to Sunday. Every night and especially Friday and Saturday you can hear the loud booming music coming from the venue till well past the 23.00 time of the music licence until 3.30am when it closes. I can feel the vibrations from the very loud bass music reverberating through the flat. Why does no one check that these people are not complying with the terms of their license? It is my understanding after speaking to my local councilor for London Fields, Emma Plouviez, (cc'd) that music from premises should not be audible outside the venue. This is clearly not the case with the Dolphin and it makes sleeping here almost impossible at the weekends. There is also so much noise from their customers who spend the whole evening until 3.30am screaming and shouting outside in their beer garden. The last few weeks since their license was revoked has made living here tolerable again. The place is a total public nuisance and should not be granted a license. If it is, and I've no doubt it will be given a license again, perhaps the council could ensure that it complies with the terms of its license? How often are these places checked for compliance? Can they not be made to fit sound proofing so their music is not audible outside their premises as a condition of their license?

I am very happy to discuss this.

Kind regards,

Dear Licensing Committee and Officers

I am writing to object to the licensing application from the Dolphin Pub on the grounds of the prevention of crime and disorder and the prevention of public nuisance. I am a local resident on Mentmore terrace, with a property facing towards the back of the Dolphin Pub and its garden.

I appreciate that the Dolphin is a very long established late night venue but the recent involvement of the police in reviewing its licence on the grounds of the prevention of crime and disorder demonstrates that this venue is not an asset to the local community. It's now primarily a destination late night venue which is located in a residential area; albeit on a main road.

From a residential perspective it is a public nuisance at weekends where loud music can be heard which reverberates all round the area. The constant use of the beer garden by large numbers of people shouting and screaming also goes on until 4am when the noise then moves to the streets as people leave the premises. I appreciate that the pub licence pre-dates most of the properties built in the area but the Dolphin does not keep to the terms of music not being heard after 11pm. The music is constant until 4am.

I would be grateful if the Committee could consider the use of the beer garden and the music heard externally when it considers the terms of the licence.

Many thanks,
