Licensing Sub-Committee Hearings

This guide details the procedure for Licensing Sub-Committee hearings under the Licensing Act 2003. Whilst this will be used in most cases, the procedure will be altered in exceptional circumstances and when for example Personal Licences, Temporary Event Notices and Reviews are considered.

A Licensing Sub-Committee will be held if:

- The applicant has applied for a Premises Licence, Provisional Statement, Club Premises Certificate or expressed their intention to vary their existing licence/certificate and has advertised this in a local newspaper and displayed a distinctive blue notice at the premises, following which representations have been made by a Responsible Authority or Other Person/s.
- A Review has been requested by a Responsible Authority or Other Person/s and the Review has been advertised by displaying a distinctive blue notice at the premises and also at the Council's office and website.
- An application is made to transfer a Premises Licence or for interim authority and the Police have issued an objection
- The applicant has made a Personal Licence application and the Police have objected to the Licence being granted.
- A Temporary Event Notice has been given and the Police and/or those in the Council that exercise environmental health functions have issued an objection.
- Prior to your item being heard:
- The Licensing team upon receiving representations will form a view as to Whether the representations are irrelevant, frivolous, vexatious or for review applications;
- repetitious.
- The Licensing team would have provided written notice to all parties in advance of the hearing and would have responded to any request relating to personal details being removed from the agenda.
- If you do not believe this to have happened, please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk as soon as possible.

For further information on the application process, please see the guidance notes at www.hackney.gov.uk/licensing.

Making decisions on the items being heard:

Hearings will normally be held in public unless the Sub-Committee believe it not to be in the public interest to do so. Although the Chair will try to make the proceedings as informal as possible, these hearings are of a quasi-judicial nature, and the rules of natural justice shall apply.

Only those Responsible Authorities and Other Persons who have made a relevant representation in writing at the consultation stage can register to speak at a subsequent hearing. Applicants, Other Persons and Responsible Authorities will all be given a fair opportunity to put their case and the Sub-Committee will take these representations into account when making their decision. The Sub-Committee may still make a decision on any matter even if any party fails to attend the hearing.

However, in these circumstances, it will only be that party's written representation that may be taken into account.

For new applications relating to Premises Licences and Club Premises Certificates, Members can grant with additional conditions attached to the licence, exclude any licensable activities, refuse a Designated Premises Supervisor (DPS) if appropriate or reject the application.

Members when making decisions on variation applications regarding a Premises Licence or Club Premises Certificate, can modify (add, delete or amend) conditions on the licence or reject the application in whole or part. Members will be considering the request for a variation and the impact that this may have. Therefore, representations should be focused on the impact of the variation, although concerns relating to the existing terms of the licence may be relevant in considering the track record of the applicant. However, Members may consider other issues which relate to the promotion of the licensing objectives, although only if it is reasonable and proportionate to do so.

For Provisional Statements, Members can consider any steps that are necessary having regard to the representations made in order to ensure the licensing objectives are not undermined.

Members when deciding a Review application can modify (add, delete or amend) the conditions of the licence, exclude any licensable activities, remove a DPS if appropriate, suspend the licence/certificate for up to 3 months or revoke the licence/certificate completely.

For transfer of Premises Licences, interim authority requests and Personal Licence applications Members can only refuse or grant the application.

Members when deciding on an objection made against a Temporary Event Notice (TEN) will determine whether or not to issue a Counter Notice, which if issued will prevent the proposed event from proceeding. If a TEN has been given for a premises that already has a licence/certificate, Members may impose any of those conditions from the existing licence/certificate to the TEN.

Before the meeting starts:

The Sub-Committee Members are requested to report for business no more than half an hour before the meeting starts to deal with any administrative/procedural issues.

This will allow Members to consider;

- the appointment for any substitutes if required
- the appointment of the chair
- any procedural issues
- obtain the list of attendees
- late documents delivered prior to the meeting and to ensure all the paperwork is in Order.

The Sub-Committee will not be considering any of the actual points raised within the Report itself and no Responsible Authority or Other Person/s shall be present when the Sub-Committee deals with the above issues.

Attending the hearing that concerns you:

All Applicants, Other Persons and Responsible Authorities involved will be informed in writing of the date and time that their application will be considered by the Licensing Sub-Committee. Please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk to confirm whether you wish to attend and/or register to speak at the Sub-Committee hearing or if you wish for someone else to speak on your behalf. If you are unable to attend, the application may be heard in your absence.

All parties should arrive promptly at the outset of the scheduled meeting regardless of when the item is listed to be heard on the agenda.

Please contact the Licensing Service for advice within 4 working days from the date on the notice letter if any of the following apply;

- you have special requirements to help make your representation, because of a disability or you need a translator for example
- you wish to supply additional [documentary] information such as photographs and videos/DVDs
- Please note that if you wish to provide additional relevant information, this should be given at least 5 working days before the hearing. Any additional information provided once the hearing has started will only be accepted if all parties agree. Please note that the use of videos/DVDs is at the Sub-Committee's discretion – requests to show these should be made in advance to the Governance Officer.

Timings

In most cases the application will last no longer than 1 hour, and the times to be allocated to each section are shown on the relevant hearing procedure. If you think that your evidence is likely to exceed this time period, please let the Licensing Service know within 4 working days of the date on the notice letter and the Sub-Committee will be advised. If your request is agreed, all parties will also be granted the same extension of time.

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting. The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting.

Disruptive behaviour may include:

- moving from any designated recording
- area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

Lobbying of Councillors

If a person or an organisation wants to make a representation to the Licensing Sub-Committee, they must NOT contact Sub-Committee Members directly. Licensing Sub-Committee Members have to retain an open mind on any application and determine it on its merits. Members cannot be in anyway biased towards a party. Therefore, if a Member of the Sub-Committee has had any prior involvement they must ensure that they come to the hearing with an open mind. Local ward councillors may be able to speak on behalf of objectors if requested to do so, provided that if they have a disclosable pecuniary interest they leave the meeting room when the application is being considered unless they have been granted dispensation.

Reports

Agendas and Reports for Licensing Sub-Committees are published on the Council's website (www.hackney.gov.uk) 5 working days before the hearing takes place. Copies are also available by contacting Governance Services on 0208 356 3578 or email governance@hackney.gov.uk. Copies of applications together with the detail of any objections will be included in the report.

Appeals

Applicants or any party to the hearing can appeal against the decision made by the Sub-Committee. The appeal to the Thames Magistrates Court must be made within 21 days of the decision being sent formally in writing. However, TEN's have the added restriction that

no appeals can be made later than 5 working days before the event is scheduled to take place.

Withdrawal of an Item or Cancellation of a Hearing

An item may be withdrawn from the agenda of a Licensing Sub-Committee meeting at short notice due to the withdrawal or resolution of the representations or objections to an application or notice. A hearing by the Licensing Sub-Committee may therefore be cancelled at short notice if there are no substantive items remaining on the agenda.

As much advance notice as is practicable of the withdrawal of an item on the agenda or cancellation of a meeting of the Licensing Sub-Committee will be provided on the Council's website but please note that this might be as little as a few hours before the hearing if the applicant chooses to leave it that late to satisfactorily address any representation or objection giving rise to the need for a hearing.

Facilities

There are public toilets available, with wheelchair access, on the ground floor of the Town Hall. Induction loop facilities are available in the Assembly Halls, rooms 101, 102 & 103 and the Council Chamber. Access for people with mobility difficulties can be obtained through the ramp on the side to the main Town Hall entrance.

Relevant Extracts from Hackney's Statement of Licensing Policy

Please find below relevant extracts from the Statement of Licensing Policy 2018.

LP1 General Principles

The Council expects applicants to demonstrate:

- (a) That they have an understanding of the nature of the locality in which the premises are located and that this has been taken into consideration whilst preparing the operating schedule.
- (b) Where the application is for evening and night-time activity, that the proposal reflects the Council's aspiration to diversify the offer, whilst at the same time promoting the licensing objectives.

LP2 Licensing Objectives

Prevention of Crime and Disorder

Whether the proposal includes satisfactory measures to mitigate any risk of the proposed operation making an unacceptable contribution to levels of crime and disorder in the locality.

Public Safety

Whether the necessary and satisfactory risk assessments have been undertaken, the management procedures put in place and the relevant certification produced to demonstrate that the public will be kept safe both within and in close proximity to the premises.

Prevention of Public Nuisance

Whether the applicant has addressed the potential for nuisance arising from the characteristics and style of the proposed activity and identified the appropriate steps to reduce the risk of public nuisance occurring.

Protection of Children from Harm

Whether the applicant has identified and addressed any risks with the aim of protecting children from harm when on the premises or in close proximity to the premises.

LP3 Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- Monday to Thursday 08:00 to 23:00
- Friday and Saturday 08:00 to 00:00
- Sunday 10:00 to 22:30

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks. It should be noted that this policy does not apply to those who are

making an application within a special policy area (see section 3) unless they have been able to demonstrate that the proposed activity or operation of the premises will not add to the cumulative impact that is already being experienced.

LP4 Off Sales of Alcohol

Hours for the supply of alcohol will generally be restricted to between 08:00 and 23:00.

LP5 Planning Status

Licence applications should normally be from premises where:

(a) The activity to be authorised by the licence is a lawful planning use or is a deemed permitted development pursuant to the General Permitted Development Order (1995) as amended.

(b) The hours sought do not exceed those authorised by any planning permission.

The Licensing Authority may take into account the lack of planning permission or an established lawful use in deciding whether there is likely to be any harm to the licensing objectives.

LP6 External Areas and Outdoor Events

The Licensing Authority will normally restrict external areas and outdoor activity to between 08:00 and 22:00 unless the applicant can demonstrate that comprehensive control measures have been implemented that ensure the promotion of the licensing objectives, in particular the public nuisance objective. Notwithstanding any proposed control measures, the Licensing Authority may restrict the hours and/or activity even further.

LP7 Minor Variations

The Council expects applications to be made in the following circumstances only:

- Small changes in the layout/structure of the premises
- The addition of voluntary/agreed conditions
- Removal of conditions that are dated and have no impact on the operation of the premises
- Reduction of hours for any licensable activity

LP8 Temporary Event Notices

When considering an objection to a TEN the Council will:

- Expect that any existing conditions will be maintained (where relevant) in circumstances where an event is to take place at a premises that has an existing authorisation.
- Assess any history of complaints as a result of licensable activity that may or may not have been authorised by a TEN.
- Consider the track record of the premises user
- Consider any other control measures proposed to mitigate the objection

LP9 Personal Licences

(a) The Council will consider whether a refusal of the licence is appropriate for the promotion of the crime prevention objective and will consider the:

(i) Seriousness and relevance of any conviction(s) (ii) The period that has elapsed since committing the offence(s) (iii) Any mitigating circumstances that assist in demonstrating that the crime prevention objective will not be undermined.

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas.

This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient. It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

LP11 Cumulative Impact – General

The Council will give due regard to any relevant representations received where concerns are raised and supported around the negative cumulative impact the proposed application has on one or more of the licensing objectives.

2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. In order to minimise the amount of time any waste remains on the public highway in readiness for collection, the Licensee will ensure the timeframe within which it may expect its waste carrier to collect is adhered to.
4. The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacles being carefully placed so as not to cause an obstruction or trip.

 - the date of commencement of trade waste contract
 - the date of expiry of trade waste contract
 - the days and times of collection
 - the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at 527 Kingsland Road, London, E8 2AR for the following reason(s);

The premises is applying to be a food takeaway outlet on the busy Kingsland Road which is within the Dalston Special Policy Area. It currently has a licence which is more geared to the venue being a restaurant, but still under the control of the proposed operator. The application seeks to have Late Night Refreshment on Thursdays until 2330hrs, Friday and Saturday until 0400hrs and Sunday until 2330hrs.

The venue was found to be operating after their permitted hours on 6th February 2022 and a warning letter was issued by the council.

It has also come to the attention of Licensing upon visiting the venue that the layout has been changed significantly from the plans on the current licence so it now resembles a takeaway. Police also saw that Blue Notice that should be displayed during the application consultation period was missing.

As previously mentioned the venue is in the Dalston SPA and police do not think that the applicant has suitably demonstrated how the venue will not add to the cumulative impact currently being experienced in the area. The application is for hours far outside the core hours in the Council Licensing policy and the applicant has NOT put in place robust measures to mitigate any risks identified.

Police would like a discussion over the proposed hours and the conditions below.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The application seeks to extend the hours of operation for the premises beyond the core hours outlined in LP3 Core Hours section of the council's licensing policy for late night refreshment. The hours sought are as follows;

Mon:11:00 - 23:00

Tue:11:00 - 23:00

Wed:11:00 - 23:00

Thur:11:00 - **23:30**

Fri:11:00 - **04:00**

Sat:11:00 - **04:00**

Sun:11:00 - **23:30**

The premises is located in the Dalston Special Policy Area (Dalston SPA), the Dalston SPA has been designated as such due to the impact of the number of premises within the area and their impact on the licensing objectives as well as the local amenity. The applicant has not demonstrated sufficient regard to the council's licensing policy (LP10) within the application.

LP10 states the following;

“LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council’s policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- *quality and track record of the management;*
- *good character of the applicant; and*
- *extent of any variation sought*

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.”

The Licensing Authority have also noted that the operators of the premises were sent a formal warning letter on the 6th February 2022 for operating beyond the hours of the existing licence on the premises.

The applicant has not demonstrated in the application what measures they would put in place to promote the licensing objectives. The applicant has not demonstrated how they will not add to the cumulative impact experienced in the area.

The applicant states that they intend to “provide a late night service to customers in order to buy food to help them sober up”. The Licensing authority does not consider this to be a demonstration of mitigation of the risks associated with a late night operation in the Dalston

SPA. The presence of a further late night premises in the area increases the probability that persons are likely to remain in the area and not disperse, this leads to the further potential that the licensing objectives could be undermined. Additionally, there is no mention of how the premises would deal with late night deliveries/take-aways and the potential nuisance of idling vehicles.

Given the location, hours sought and the recently found non-compliance with the existing premises licence, the Licensing authority are not persuaded that the operation proposed in the application would promote the licensing objectives.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion with the applicant may be required, the Licensing Authority is happy to discuss the application with the applicant. However, the Licensing Authority feels that the applicant should consider a significant reduction in the proposed hours sought. The applicant should also consider proposing robust measures and/or conditions that promote the licensing objectives and have full regard to the fact the premises is located within the Dalston SPA.

Dear Sir or Madam,

I am writing reference the request from Buff Chicken of [527 Kingsland Road, Dalston E8 4AR](#). We live at the above address in Colour house. Buff Chicken is on the corner of Bentley road and the property is adjacent to Colour house. Our main issue with them now is the lack of regular changing of the extraction filters and the resultant bad smells.

However, this application to extend opening hours to 23.30 on Thursdays and -4.00am on Fridays and Saturdays fills us with dread. We already suffer substantial noise pollution in this building with sleep being often disrupted. If this extension was granted we would be guaranteed to have significant sleep deprivation as the clientele it would attract at these hours are those that have left pub and clubs and not likely to be the quietest.

We strongly object to granting the extension in hours that can only bring grief and suffering of sleep deprivation to everyone in our residential area.

Yours faithfully

LA03 - licence objections

Good afternoon,

I am writing about the potential weekend license extension till 4am requested by Dalston Peri Peri Limited - aka Buff' Chicken on [527 Kingsland road](#).

I live in Colour House, the building completed last year on Bentley road - perpendicular to Kingsland road - and I dread the idea to see this shop open till 4 am on Fridays and Saturdays.

The road itself is already raided every weekend night by party goers, abusively dropping their cars where they can not, protected by fake disability badges and no real control. They usually clog the street dropping vehicles everywhere, creating noisy traffic jams, and then they drunkenly recollect them after 4 am, when the clubs close.

Every single person living in this road has reported all sort of disturbance, traffic obstruction, antisocial behaviour and fight throughout the last months and the last drop would be to feed all this people, already puking and peeing on our doorstep every weekend...

Buff chicken has also been filling our houses with stinky frying fumes, without their filters being replaced as often as they should, in spite of the complaints filled by many residents to the council.

The door leading to their kitchen has also been constantly filled with rubbish and oil cans that don't seem to concern them at all.

A very recent issue is also caused by a big group of Deliveroo and Uber Eats drivers, living on top of Buff' Chicken, constantly parked on a loading bay next to the kitchen door. They are partying very loudly every single night, while waiting for new calls.

For all these reasons, and for the total lack of care towards anyone living in Bentley road paid by all the businesses in this street (including Molly Bloom constantly allowing clients loudly drinking outside till late & Vogue the barber, technically open 24/7 for all sort of businesses....) I truly hope not to see this fast food space open till the sun rise each weekend....

Many thanks for taking this into consideration

To Licensing Service, London Borough of Hackney.

We would like to object to the application by Dalston Peri Peri Limited to extend the opening hours of Buff Chicken, [527 Kingsland Road, London E8 4AR](#).

The premises in question open up onto the corner of Kingsland Road and Bentley Road. The latter of which is a short stretch of street which is now largely residential.

We live in [REDACTED] of Colour House, Bentley Road which is the development directly behind Buff Chicken. I'm aware that several members of Colour House will have written to you regarding their concerns.

Our greatest concern is the obvious increase in late-night noise that this will bring. All of our properties face directly onto the street. There are no back rooms or back bedrooms like you find in local Victorian properties. My bed is [REDACTED] from the window [REDACTED] the road. Not only was this development approved by Hackney Council but the council themselves amended the planning application and forced the architect to downgrade the windows to ones that offer little to no sound insulation.

We all bought during the pandemic when this street appeared to be a quiet access street to Bentley Road Car Park. Little did we know.

The street already has persistent noise issues. It's constantly used from early morning onwards as a delivery destination despite the changes to the yellow lines. People use it to illegally park despite there being an actual car park at the end of the street (evidenced by your increased parking fine revenues for the street). The pub across the road has little interest in noise curfews for those standing outside (on Bentley Road) smoking late at night. The parking on Bentley Road by Buff Chicken itself has become the go-to gathering spot for moped delivery drivers to hang out and make a racket into the early hours. Plus, the street erupts into a late-night cacophonous noise of illegal parking/partying at random points already. Presumably connected to a specific clubnight as it isn't simply every Saturday night etc.

Despite the Late-night levy, Hackney council has so far shown little to no interest in any complaints made late at night. The local Police obviously have bigger fish to fry in these parts so it really is up to the council to deal with noise properly.

Allowing Buff Chicken to operate at such late times is only going to ensure these late night noise levels increase and remain. You only need to go walk past McDonald's on Kingsland High Street late on Friday and Saturday to see what you will get.

Although Buff Chicken can't be compared to McDonald's as such, the property in question is far smaller and clearly unable to host many customers. It's clear that these customers are far more likely spill out onto the quietness of our street rather than stand on Kingsland Road eating/ending their night (in the same way they spill out onto the side street by McDonald's and hang out there causing a nuisance).

Add into that the obvious late night need to relieve oneself, once you add in a visit to an eating establishment long after leaving a bar/pub/club. With our "off the main road" location, our low level lighting and darkened corners, we're simply inviting customers to relieve themselves on our street.

There's also the problem of littering. We're already subject to enough people parking up late at night to eat their takeaway food before throwing the wrappers out of their car windows and onto the street. There's no space for any more bins so where do we see all these wrappers ending up? People are unlikely to stay in the establishment just to access a bin at the end of their meal at 4am. The demographic of this part of town has proven that one time and again.

Finally, all our windows open out into Bentley Road. We already have issues with the extractor fan from this establishment being placed in a lower position feeding their rancid fumes directly into our open windows. The last thing we need is increased usage.

Many thanks for taking the time to read this.

Buff Chicken Licensing Opposition.docx

16K

To Licensing Service, London Borough of Hackney.

We would like to object to the application by Dalston Peri Peri Limited to extend the opening hours of Buff Chicken, 527 Kingsland Road, London E8 4AR.

The premises in question open up onto the corner of Kingsland Road and Bentley Road. The latter of which is a short stretch of street which is now largely residential.

We live in [REDACTED] of Colour House, Bentley Road which is the development directly behind Buff Chicken. I'm aware that several members of Colour House will have written to you regarding their concerns.

Our greatest concern is the obvious increase in late-night noise that this will bring. All of our properties face directly onto the street. There are no back rooms or back bedrooms like you find in local Victorian properties. My bed is [REDACTED] the window [REDACTED] the road. Not only was this development approved by Hackney Council but the council themselves amended the planning application and forced the architect to downgrade the windows to ones that offer little to no sound insulation.

We all bought during the pandemic when this street appeared to be a quiet access street to Bentley Road Car Park. Little did we know.

The street already has persistent noise issues. It's constantly used from early morning onwards as a delivery destination despite the changes to the yellow lines. People use it to illegally park despite there being an actual car park at the end of the street (evidenced by your increased parking fine revenues for the street). The pub across the road has little interest in noise curfews for those standing outside (on Bentley Road) smoking late at night. The parking on Bentley Road by Buff Chicken itself has become the go-to gathering spot for moped delivery drivers to hang out and make a racket into the early hours. Plus, the street erupts into a late-night cacophonous noise of illegal parking/partying at random points already. Presumably connected to a specific clubnight as it isn't simply every Saturday night etc.

Despite the Late-night levy, Hackney council has so far shown little to no interest in any complaints made late at night. The local Police obviously have bigger fish to fry in these parts so it really is up to the council to deal with noise properly.

Allowing Buff Chicken to operate at such late times is only going to ensure these late night noise levels increase and remain. You only need to go walk past McDonald's on Kingsland High Street late on Friday and Saturday to see what you will get.

Although Buff Chicken can't be compared to McDonald's as such, the property in question is far smaller and clearly unable to host many customers. It's clear that these customers are far more likely spill out onto the quietness of our street rather than stand on Kingsland Road eating/ending their night (in the same way they spill out onto the side street by McDonald's and hang out there causing a nuisance).

Add into that the obvious late night need to relieve oneself, once you add in a visit to an eating establishment long after leaving a bar/pub/club. With our “off the main road” location, our low level lighting and darkened corners, we’re simply inviting customers to relieve themselves on our street.

There’s also the problem of littering. We’re already subject to enough people parking up late at night to eat their takeaway food before throwing the wrappers out of their car windows and onto the street. There’s no space for any more bins so where do we see all these wrappers ending up? People are unlikely to stay in the establishment just to access a bin at the end of their meal at 4am. The demographic of this part of town has proven that one time and again.

Finally, all our windows open out into Bentley Road. We already have issues with the extractor fan from this establishment being placed in a lower position feeding their rancid fumes directly into our open windows. The last thing we need is increased usage.

Many thanks for taking the time to read this.

Hi,

I am writing to oppose the extension of the buff chicken opening licence.

The area is already prone to night time noise pollution and people gathering down Bentley Road. The extension of Buff Chickens opening licence will only make this worse.

Regards,

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at CROWN KEBABS, 1 QUAKER STREET, LONDON, E1 6SZ for the following reason(s);

This premises is located within the Shoreditch Special Policy Area (SPA) on a junction with a busy main road, which is one of the main egress routes out of the SPA, experiencing an extremely high footfall throughout the days and evening, especially at weekends.

Police have seen a vast increase in serious violence and disorder in Shoreditch over the past several months – year, as the footfall has increased to unprecedented levels since the easing of Coronavirus Restrictions. Behaviours and attitudes to drinking seem to have changed and we have seen a big increase in levels of extreme drunkenness and illness due to intoxication on the streets of Shoreditch. There are crowds of people on the streets after midnight in Shoreditch and police regularly receive complaints from residents in relation to ASB, violence, litter and noise. Granting an extension to an already late night licence here has the potential to increase numbers hanging around the area. Although the venue is not selling alcohol, by encouraging people to gather whilst waiting for their food the potential for violence and disorder is increased.

Police feel that an extension of hours will have a huge negative effect on the cumulative impact. The current issues being experienced in Shoreditch will increase and the licensing objectives will be undermined.

Police respectfully request that this application be refused.

1.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

None
