Licensing Sub-Committee Hearings

This guide details the procedure for Licensing Sub-Committee hearings under the Licensing Act 2003. Whilst this will be used in most cases, the procedure will be altered in exceptional circumstances and when for example Personal Licences, Temporary Event Notices and Reviews are considered.

A Licensing Sub-Committee will be held if:

- The applicant has applied for a Premises Licence, Provisional Statement, Club Premises Certificate or expressed their intention to vary their existing licence/certificate and has advertised this in a local newspaper and displayed a distinctive blue notice at the premises, following which representations have been made by a Responsible Authority or Other Person/s.
- A Review has been requested by a Responsible Authority or Other Person/s and the Review has been advertised by displaying a distinctive blue notice at the premises and also at the Council's office and website.
- An application is made to transfer a Premises Licence or for interim authority and the Police have issued an objection
- The applicant has made a Personal Licence application and the Police have objected to the Licence being granted.
- A Temporary Event Notice has been given and the Police and/or those in the Council that exercise environmental health functions have issued an objection.
- Prior to your item being heard:
 - The Licensing team upon receiving representations will form a view as to Whether the representations are irrelevant, frivolous, vexatious or for review applications;
 - repetitious.
 - The Licensing team would have provided written notice to all parties in advance of the hearing and would have responded to any request relating to personal details being removed from the agenda.
- If you do not believe this to have happened, please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk as soon as possible.

For further information on the application process, please see the guidance notes at www.hackney.gov.uk/licensing.

Making decisions on the items being heard:

Hearings will normally be held in public unless the Sub-Committee believe it not to be in the public interest to do so. Although the Chair will try to make the proceedings as informal as possible, these hearings are of a quasi-judicial nature, and the rules of natural justice shall apply. Only those Responsible Authorities and Other Persons who have made a relevant representation in writing at the consultation stage can register to speak at a subsequent hearing. Applicants, Other Persons and Responsible Authorities will all be given a fair opportunity to put their case and the Sub-Committee will take these representations into account when making their decision. The Sub-Committee may still make a decision on any matter even if any party fails to attend the hearing

However, in these circumstances, it will only be that party's written representation that may be taken into account.

For new applications relating to Premises Licences and Club Premises Certificates, Members can grant with additional conditions attached to the licence, exclude any licensable activities, refuse a Designated Premises Supervisor (DPS) if appropriate or reject the application.

Members when making decisions on variation applications regarding a Premises Licence or Club Premises Certificate, can modify (add, delete or amend) conditions on the licence or reject the application in whole or part. Members will be considering the request for a variation and the impact that this may have. Therefore, representations should be focused on the impact of the variation, although concerns relating to the existing terms of the licence may be relevant in considering the track record of the applicant. However, Members may consider other issues which relate to the promotion of the licensing objectives, although only if it is reasonable and proportionate to do so.

For Provisional Statements, Members can consider any steps that are necessary having regard to the representations made in order to ensure the licensing objectives are not undermined.

Members when deciding a Review application can modify (add, delete or amend) the conditions of the licence, exclude any licensable activities, remove a DPS if appropriate, suspend the licence/certificate for up to 3 months or revoke the licence/certificate completely.

For transfer of Premises Licences, interim authority requests and Personal Licence applications Members can only refuse or grant the application. Members when deciding on an objection made against a Temporary Event Notice (TEN) will determine whether or not to issue a Counter Notice, which if issued will prevent the proposed event from proceeding. If a TEN has been given for a premises that already has a licence/certificate, Members may impose any of those conditions from the existing licence/certificate to the TEN.

Before the meeting starts:

The Sub-Committee Members are requested to report for business no more than half an hour before the meeting starts to deal with any administrative/procedural issues. This will allow Members to consider;

- the appointment for any substitutes if required
- the appointment of the chair
- any procedural issues
- obtain the list of attendees
- late documents delivered prior to the meeting and to ensure all the paperwork is in Order.

The Sub-Committee will not be considering any of the actual points raised within the Report itself and no Responsible Authority or Other Person/s shall be present when the Sub-Committee deals with the above issues.

Attending the hearing that concerns you:

All Applicants, Other Persons and Responsible Authorities involved will be informed in writing of the date and time that their application will be considered by the Licensing Sub-Committee. Please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk to confirm whether you wish to attend and/or register to speak at the Sub-Committee hearing or if you wish for someone else to speak on your behalf. If you are unable to attend, the application may be heard in your absence.

All parties should arrive promptly at the outset of the scheduled meeting regardless of when the item is listed to be heard on the agenda.

Please contact the Licensing Service for advice within 4 working days from the date on the notice letter if any of the following apply;

- you have special requirements to help make your representation, because of a disability or you need a translator for example
- you wish to supply additional [documentary] information such as photographs and videos/DVDs
- Please note that if you wish to provide additional relevant information, this should be given at least 5 working days before the hearing. Any additional information provided once the hearing has started will only be accepted if all parties agree. Please note that the use of videos/DVDs is at the Sub-Committee's discretion – requests to show these should be made in advance to the Governance Officer.

Timings

In most cases the application will last no longer than 1 hour, and the times to be allocated to each section are shown on the relevant hearing procedure. If you think that your evidence is likely to exceed this time period, please let the Licensing Service know within 4 working days of the date on the notice letter and the Sub-Committee will be advised. If your request is agreed, all parties will also be granted the same extension of time.

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting. The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other

reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting.

Disruptive behaviour may include:

- moving from any designated recording
- area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

Lobbying of Councillors

If a person or an organisation wants to make a representation to the Licensing Sub-Committee, they must NOT contact Sub-Committee Members directly. Licensing Sub-Committee Members have to retain an open mind on any application and determine it on its merits. Members cannot be in anyway biased towards a party. Therefore, if a Member of the Sub-Committee has had any prior involvement they must ensure that they come to the hearing with an open mind. Local ward councillors may be able to speak on behalf of objectors if requested to do so, provided that if they have a disclosable pecuniary interest they leave the meeting room when the application is being considered unless they have been granted dispensation.

Reports

Agendas and Reports for Licensing Sub-Committees are published on the Council's website (www.hackney.gov.uk) 5 working days before the hearing takes place. Copies are also available by contacting Governance Services on 0208 356 3578 or email governance@hackney.gov.uk. Copies of applications together with the detail of any objections will be included in the report.

Appeals

Applicants or any party to the hearing can appeal against the decision made by the Sub-Committee. The appeal to the Thames Magistrates Court must be made within 21 days of the decision being sent formally in writing. However, TEN's have the added restriction that

no appeals can be made later than 5 working days before the event is scheduled to take place.

Withdrawal of an Item or Cancellation of a Hearing

An item may be withdrawn from the agenda of a Licensing Sub-Committee meeting at short notice due to the withdrawal or resolution of the representations or objections to an application or notice. A hearing by the Licensing Sub-Committee may therefore be cancelled at short notice if there are no substantive items remaining on the agenda.

As much advance notice as is practicable of the withdrawal of an item on the agenda or cancellation of a meeting of the Licensing Sub-Committee will be provided on the Council's website but please note that this might be as little as a few hours before the hearing if the applicant chooses to leave it that late to satisfactorily address any representation or objection giving rise to the need for a hearing.

Facilities

There are public toilets available, with wheelchair access, on the ground floor of the Town Hall. Induction loop facilities are available in the Assembly Halls, rooms 101, 102 & 103 and the Council Chamber. Access for people with mobility difficulties can be obtained through the ramp on the side to the main Town Hall entrance.

Relevant Extracts from Hackney's Statement of Licensing Policy
Please find below relevant extracts from the Statement of Licensing Policy 2018.

LP1 General Principles

The Council expects applicants to demonstrate:

- (a) That they have an understanding of the nature of the locality in which the premises are located and that this has been taken into consideration whilst preparing the operating schedule.
- (b) Where the application is for evening and night-time activity, that the proposal reflects the Council's aspiration to diversify the offer, whilst at the same time promoting the licensing objectives.

LP2 Licensing Objectives

Prevention of Crime and Disorder

Whether the proposal includes satisfactory measures to mitigate any risk of the proposed operation making an unacceptable contribution to levels of crime and disorder in the locality.

Public Safety

Whether the necessary and satisfactory risk assessments have been undertaken, the management procedures put in place and the relevant certification produced to demonstrate that the public will be kept safe both within and in close proximity to the premises.

Prevention of Public Nuisance

Whether the applicant has addressed the potential for nuisance arising from the characteristics and style of the proposed activity and identified the appropriate steps to reduce the risk of public nuisance occurring.

Protection of Children from Harm

Whether the applicant has identified and addressed any risks with the aim of protecting children from harm when on the premises or in close proximity to the premises.

LP3 Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- Monday to Thursday 08:00 to 23:00
- Friday and Saturday 08:00 to 00:00
- Sunday 10:00 to 22:30

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may

undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks. It should be noted that this policy does not apply to those who are making an application within a special policy area (see section 3) unless they have been able to demonstrate that the proposed activity or operation of the premises will not add to the cumulative impact that is already being experienced.

LP4 Off' Sales of Alcohol

Hours for the supply of alcohol will generally be restricted to between 08:00 and 23:00.

LP5 Planning Status

Licence applications should normally be from premises where:

- (a) The activity to be authorised by the licence is a lawful planning use or is a deemed permitted development pursuant to the General Permitted Development Order (1995) as amended.
- (b) The hours sought do not exceed those authorised by any planning permission. The Licensing Authority may take into account the lack of planning permission or an established lawful use in deciding whether there is likely to be any harm to the licensing objectives.

LP6 External Areas and Outdoor Events

The Licensing Authority will normally restrict external areas and outdoor activity to between 08:00 and 22:00 unless the applicant can demonstrate that comprehensive control measures have been implemented that ensure the promotion of the licensing objectives, in particular the public nuisance objective. Notwithstanding any proposed control measures, the Licensing Authority may restrict the hours and/or activity even further.

LP7 Minor Variations

The Council expects applications to be made in the following circumstances only:

- Small changes in the layout/structure of the premises
- The addition of voluntary/agreed conditions
- Removal of conditions that are dated and have no impact on the operation of the premises
- Reduction of hours for any licensable activity

LP8 Temporary Event Notices

When considering an objection to a TEN the Council will:

- Expect that any existing conditions will be maintained (where relevant) in circumstances where an event is to take place at a premises that has an existing authorisation.
- Assess any history of complaints as a result of licensable activity that may or may not have been authorised by a TEN.
- Consider the track record of the premises user
- Consider any other control measures proposed to mitigate the objection

LP9 Personal Licences

(a) The Council will consider whether a refusal of the licence is appropriate for the promotion of the crime prevention objective and will consider the:

- (i) Seriousness and relevance of any conviction(s)
- (ii) The period that has elapsed since committing the offence(s)
- (iii) Any mitigating circumstances that assist in demonstrating that the crime prevention objective will not be undermined.

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas.

This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient. It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

LP11 Cumulative Impact – General

The Council will give due regard to any relevant representations received where concerns are raised and supported around the negative cumulative impact the proposed application has on one or more of the licensing objectives.

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application to vary the Premises Licence at The Angel Service Station, 241-255 City Road, EC1V 1NR for the following reason(s);

The Angel Service Station is located on City Road, in close proximity to the Night Time Economy area of Shoreditch and a large residential area, as well as being directly in front of a McDonalds.

This application seeks to increase the sale of alcohol from 0800-0000hrs to 24hrs every day. Police have concerns over the 24 hours of opening for this premises. During the current hours the sale of alcohol is limited and doesn't cause too many issues. However Police fear that this will be a completely different story when this premises can sell alcohol 24 hours. Once it becomes known to the public it will attract a lot more customers, many of those customers will have come from Shoreditch or nearby licensed premises and would have consumed various quantities of alcohol already. By having the sale of alcohol 24hrs a day as opposed to the current hours, the additional customers will more than likely come from this group.

People's behaviour changes dramatically when they have consumed alcohol. Not only will there be a much higher number of customers on foot, but there will also be an increased number of vehicular traffic attending the premises. This in turn increases the likelihood of noise issues from car doors slamming, engines running and customers standing around vehicles. This coupled with patrons with increased levels of intoxication creates the potential for disorder and anti-social behaviour. The service station, although on a main road, is surrounded by residential streets. In Hackney Council's own licensing policy gives core hours for licensable activity under LP3 of Monday – Thursday 0800-2300hrs; Friday and Saturday 0800-0000hrs and Sunday 1000-2230hrs. Furthermore LP4 goes on to state that 'off sales' hours will generally be restricted to between 0800-2300hrs. The hours applied for in this application are clearly outside of the hours as per the Licensing Policy.

Additionally police have concerns about the safety of customers. The premises primary use is that of a petrol station, therefore experiencing a steady stream of vehicles throughout the day/night. Later alcohol sales, as mentioned before, will attract those that have already been out drinking in the local area. An increased footfall of intoxicated individuals coupled with the continual stream of vehicles has the potential to be the cause of an increased amount of accidents.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

None

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The application seeks to extend the hours for the supply of alcohol off the premises for the full 24 hour period that the premises is open. This is an additional 8 hours for the sale of alcohol.

The Licensing Authority are concerned that the availability of 24 hour alcohol in this location may lead to the Prevention of Public Nuisance licensing objective being undermined.

The premises are in close proximity to nearby residential premises, the increased number of customers from the alcohol off sales may increase the potential that the licensing objectives could be undermined.

The premises is located on the same site as a 24 hour McDonalds restaurant. Whilst both of the premises here are currently open for 24hrs, the addition of alcohol sales to this increases the likelihood that the licensing objective may be undermined.

The Licensing Authority is already aware of complaints from local residents in relation to the McDonald's restaurant.

The Licensing Authority are concerned that the additional alcohol sales, particularly to persons who may have already been consuming alcohol in the area, creates a further risk to the Licensing objectives.

Whilst we note that this application is considered on its own merits, the applicant has not suggested any conditions beyond the provision of waste receptacles in relation to the prevention of public nuisance. Additionally, the applicant has not indicated or proposed how they would manage and/or mitigate any issues that may arise from the late night supply of alcohol. They have not indicated how staff will be trained to manage and deal with these potential risks.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion with the applicant may be required, the Licensing Authority is happy to discuss the application with the applicant. However, the Licensing Authority feels that the applicant should consider a significant reduction in the proposed hours sought. The applicant should seek to propose additional conditions that aim to mitigate the risks highlighted.

Once through the main front door and down the stairs, another door leads into a large open space which can be used for seating and hosting a variety of activities. To the front of the hall there is a small kitchen, a storage room and a bar. To the rear of the hall, a door leads to the Male and Female toilets with handwash basins, hand dryers and stairs leading up to the rear exit. M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Prior to any event a detailed 'Risk Assessment' of the event and the premises will be carried out to ascertain any potential problems, before a decision to continue is made. On agreement to host an event, we intend to promote the four licensing objectives by working closely with the 'RESPOSIBLE AUTHORITIES' to develop, implement and execute working policies and practices. We will implement control measures by using Security Industry Authority qualified and licensed Door Supervisors, CCTV monitors and also display clear Notices. The premises will be safe and secure paying particular attention to fire safety, capacity levels and we will use search methods to ensure drugs and weapons do not enter the premises. Consideration to the public will be promoted as we will use noise level controls internally, control queuing anti-social behaviour outside the premises and manage refuse and litter disposal. We will promote sensible and responsible drinking with notices displayed about drink-driving and the adverse effects excessive drinking can have on one's health. We will not provide or allow the provision of any entertainment of a sexual nature and effectively manage Health & Safety.

b) The prevention of crime and disorder

We will promote the prevention of CRIME AND DISORDER by using Security Industry Authority qualified and licensed Door Supervisors for entry and exiting to the premises. Depending on the nature of the event and the amount of people expected, we will have 1 - 4 security on duty, located at the front door, inside hall and rear exit. They will be given job descriptions informing them of their duties and they will have hand held metal detecting devices to scan customers to ensure no weapons enter the premises. We will maintain a Logbook in which all door supervisors must sign in and out and detail their names and badge numbers. Badges will be displayed at all times. There will be a minimum of 4 CCTV cameras sited on the external wall of Stoke Newington Road, external wall at the rear of the building and internally at various points. Monitors kept in the bar area and/or stock room, will show all camera visions simultaneously. We will keep a 24 hours daily recording and keep it for 4 weeks, which can be made available to the police on request. DRUGS/WEAPONS All customers entering the premises will be Body Searched. Notices will be displayed throughout from entry point, down the stairs, through the hall, at the bar, in the toilets areas and stairs leading up to the exit, informing customers of our rules and policies. Anyone caught breaking these rules will be asked to leave the premises and may be reported to the police. All confiscated items will be placed in a clear plastic bag, stored in a safe and notified to the police and made available for them to take. DRINKS Notices will be displayed behind the bar about the dangers of drinking and driving and also the adverse effect excessive consumption of alcohol can have on one's health. ANT-SOCIAL BEHAVIOUR Door Supervisors will be responsible for monitoring and ensuring any queuing on the footpath is carried out in an orderly manner. Notices will be placed on the stairs and exterior walls of building drawing patrons' attention to noise and public nuisance. GLASSES/CUPS Plastic cups/containers will be used in which to serve drinks. Staff will be employed to ensure that empty glass bottles are not left on tables or on bar areas but collected and dealt with appropriately Notices will be placed at strategic points to inform patrons that drinks must not be taken outside of the premises.

c) Public safety

We intend to promote public safety by ensuring :- CAPACITY The maximum amount of patrons that can be accommodated on the premises is estimated at one hundred and forty (120). We can accommodate and control this number because of the measures we have in place. The use of Door Supervisors' patrol, CCTV to help detect potential problems, display notices regarding excessive alcohol consumption, drugs prevention measures and the use of metal detector devices for physical searches. SENSIBLE DRINKING Notices will be displayed behind the bar about drink-driving and the adverse effects excessive drinking can have on one's health. No 'price reduction' marketing technique will be used to encourage patrons to consume excessive amounts of alcohol in a short space of time. DRUGS Notices will be placed at entrance and toilet areas informing customers that the premises are a drugs free zone and that anyone found breaking this law will be removed from the premises and reported to the police. Door Supervisors and staff will patrol all areas including toilets to monitor and ensure that the premises rules are being adhered. All customers will be searched on entry to the premises to ensure that no drugs or weapons enter. Hand held metal detectors devices will also be used at the entrance and exit. WATER Bottled water will be available to purchase at the bar and other free of charge water made available to customers. PUBLIC TRANSPORT A notice board will be strategically placed giving necessary information about the availability and location of public transport, buses, under/overhead stations and BR stations and mini cab services. Door Supervisors and members of staff will also advise. SPECIAL EFFECTS There will be no special effects equipment used such as smoke machines, lasers or strobe lights that could affect public safety. UNDER AGE DRINKING In the event that patrons under the age of eighteen use the premises, then alcohol will not be served to them. It remains the responsibility of the management and staff, not to serve alcohol to anyone under the legal age. Our working policy is if in doubt ask for ID or refuse to serve. FIRE SAFETY The attached plan identified the location of smoke detectors, fire points, emergency lights and fire exits.

d) The prevention of public nuisance

We will promote the prevention of public nuisance by:- NOISE : The premises has been fully soundproofed and we have fitted and installed a noise limitation device to control volumes and ensure that agreed decibel level are not exceeded. PATRONS QUEUING : With the aid of safety barriers, Door Supervisors will be responsible for monitoring and ensuring that queuing on the footpath is carried out in an orderly manner. Notices will be placed on the exterior of the building drawing patrons attention to noise and public nuisance after hours. The Door Supervisors will play an active part in implementing these measures. PUBLIC TRANSPORTATION: Strategically placed notices will give information about the availability and location of public transportation, car parking facilities and mini cab services. Door Supervisors and staff members will also advise patrons accordingly. We will liaise with a local mini cab firm to install a direct line to their services. REFUSE/LITTER: We will generate at least one refuse bag daily and seek arrangement with local council authorities for their disposal.

e) The protection of children from harm

We intend to promote the protection of children from harm. UNDER AGE DRINKING Notices will be clearly displayed that alcohol will not be served to patrons under the drinking age limit. It remains the responsibility of management and staff that alcohol must not be served to anyone whom they believe to be under age. Our working policy will be "if in doubt, request proof of age or refuse to serve the individual". Any refusal will be recorded in the Refusal Book which will be kept behind the bar. Notices will be placed at the entrance and bar area, highlighting the law on under age drinking. The Door Supervisors' job descriptions will detail their responsibility and our policy in line with the law on under age drinking. DRUGS Notices will be placed throughout the premises from entrance to exit and toilet areas, informing patrons that "these premises are a 'drugs free zone' and anyone found breaking the law will be asked to leave and reported to the police. Door Supervisors will search customers entering the premises and will patrol all areas including the toilets to ensure that the law is being adhered and thus protecting children from drug dealing, drug taking and exposure to drugs on the premises. GAMBLING We do not anticipate having any gambling machines but should this be the case, any gambling machine sited on the premises will be in line of sight of staff (Bar Staff and/or Door Supervisors) who will be able to address any breach of the gambling law before it is committed. Notices will be displayed on the premises about under age gambling. ADULT ENTERTAINMENT We will not provide or allow the provision of any entertainment of a sexual nature. EXPOSURE TO INCIDENTS OF VIOLENCE, DISORDER AND HAZARDS Steps that we will employ to address incidents of violence and disorder are listed under our operating schedule of PUBLIC NUISANCE AND CRIME AND DISORDER. We will work with the police and other agencies such as local bar/pub networks to identify patrons known for causing problems and will operate a 'barring' system to reduce and limit potential problems. HAZARDS:- before opening to the public, a 'risk assessment, will be carried out and staff will check and ensure that anything which could cause physical harm to children are removed or safely secured (i.e. broken glass, sharp edges, loose cables, dangerous substances etc). A designated staff member will be trained and be responsible for child protection, who will be able to advise staff on any issue raised.

HEALTH & SAFETY A Health & Safety Notice Board will be displayed notifying staff and patrons of where the First Aid box is located and the named First Aider clearly displayed. Professional staff training and development will be reviewed annually.

APPLICATION PREMISES

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety €
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following objections in relation to the application for a Premises Licence at 8 STOKE NEWINGTON ROAD, LONDON, N16 7XN for the following reason(s);

These premises are located in the centre of Dalston and within the Dalston Special Policy Area. This policy area was applied with the aim of managing the growth of licensed premises. The area has seen a rapid increase in the amount of licensed premises over the past few years and the footfall has increased along side it, causing a substantial rise in the amount of alcohol related crime, ASB and disorder.

LP10 of LBH's Statement of Licensing policy states that any applicant will need to demonstrate that it will not add to the cumulative impact in the area. Police have met with the applicants and discussed the operation of the premises. Mr STEELE states that he intends to attract an older crowd (Over 30 yrs old), and that in his culture, people don't tend to come out and socialise until much later on in the evening. Unfortunately, it is the later hour that cause the most issues and most concern for police.

Although Mr STEEL offered a condition in relation to Over 30's and against playing certain genres of music that have been known to attract a troublesome crowd, it is most often the case that the problems occur on the street once the patrons have left, having consumed high levels of alcohol. In this particular stretch of road, police have been called to and dealt with, several large fights in the street. The people involved in these fights had come from surrounding venues and had been drinking alcohol for several hours. It concerns police that the patrons from this venue, despite the good intentions of the applicant, will add to the cumulative effect and issues that are being experienced in the area. It also concerns police that the application sets out that the venue will be available to hire for weddings, birthday parties, hen and stag parties. These events are notoriously risky and cause problems for police and enforcement officers, both inside and outside in the street.

There are large capacity venues that surround these premises and there is the potential for hundreds of people to be out on the street at the same time.

The hours proposed in this application far exceed the hours laid out in LBH Statement of Licensing Policy. Police look forward to hearing from the applicant in relation to what policies and procedures will be put in place to ensure that they will not add to the cumulative impact in Dalston.

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Representation in relation to:

I make a representation in relation to this application as the premises is located within the Dalston Special Policy Area (SPA). The SPA is area that has been identified as suffering from the negative cumulative impact of the concentration of licensed premises in the area.

It should be noted that **LP10** (Special Policy Areas – Dalston and Shoreditch) of the Council's Statement of Licensing Policy states:

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2018-2023 and S182 Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Dear Licensing,

I have been on the receiving end of loud music nuisance and noisy dispersals from this operator.

This application is unrealistic. The hours applied for are outlandish.

The applicant has been recently refused a licence.

The premises is in the most dense area of licensed premises within Dalston's Special Policy Area and any additional would cause more crime and nuisance.
