## **Licensing Sub-Committee Hearings**

This guide details the procedure for Licensing Sub-Committee hearings under the Licensing Act 2003. Whilst this will be used in most cases, the procedure will be altered in exceptional circumstances and when for example Personal Licences, Temporary Event Notices and Reviews are considered.

Until further notice, all Licensing Sub-Committee Hearings will be held remotely using the Google Meets platform. Licensing Sub-Committee Hearings are public meetings that are live-streamed. Hearings are available to be viewed by the public online.

### **A Licensing Sub-Committee will be held if:**

- The applicant has applied for a Premises Licence, Provisional Statement, Club Premises Certificate or expressed their intention to vary their existing licence/certificate and has advertised this in a local newspaper and displayed a distinctive blue notice at the premises, following which representations have been made by a Responsible Authority or Other Person/s.
- A Review has been requested by a Responsible Authority or Other Person/s and the Review has been advertised by displaying a distinctive blue notice at the premises and also at the Council's office and website.
- An application is made to transfer a Premises Licence or for interim authority and the Police have issued an objection
- The applicant has made a Personal Licence application and the Police have objected to the Licence being granted.
- A Temporary Event Notice has been given and the Police and/or those in the Council that exercise environmental health functions have issued an objection.

### **Prior to your item being heard:**

- The Licensing team upon receiving representations will form a view as to whether the representations are irrelevant, frivolous, vexatious or for review applications; repetitious.
- The Licensing team would have provided written notice to all parties in advance of the hearing and would have responded to any request relating to personal details being removed from the agenda.

If you do not believe this to have happened, please contact the Licensing Service on 020 8356 4970 or email [licensing@hackney.gov.uk](mailto:licensing@hackney.gov.uk) as soon as possible. For further

information on the application process, please see the guidance notes at [www.hackney.gov.uk/licensing](http://www.hackney.gov.uk/licensing).

### **Making decisions on the items being heard:**

Hearings will normally be held in public unless the Sub-Committee believe it not to be in the public interest to do so. Although the Chair will try to make the proceedings as informal as possible, these hearings are of a quasi-judicial nature, and the rules of natural justice shall apply.

Only those Responsible Authorities and Other Persons who have made a relevant representation in writing at the consultation stage **can register to speak at a subsequent hearing**. Applicants, Other Persons and Responsible Authorities will all be given a fair opportunity to put their case and the Sub-Committee will take these representations into account when making their decision. The Sub-Committee may still make a decision on any matter even if any party fails to attend the hearing. However, in these circumstances, it will only be that party's written representation that may be taken into account.

For new applications relating to Premises Licences and Club Premises Certificates, Members can grant with additional conditions attached to the licence, exclude any licensable activities, refuse a Designated Premises Supervisor (DPS) if appropriate or reject the application.

Members when making decisions on variation applications regarding a Premises Licence or Club Premises Certificate, can modify (add, delete or amend) conditions on the licence or reject the application in whole or part. Members will be considering the request for a variation and the impact that this may have. Therefore, representations should be focused on the impact of the variation, although concerns relating to the existing terms of the licence may be relevant in considering the track record of the applicant. However, Members may consider other issues which relate to the promotion of the licensing objectives, although only if it is reasonable and proportionate to do so.

For Provisional Statements, Members can consider any steps that are necessary having regard to the representations made in order to ensure the licensing objectives are not undermined.

Members when deciding a Review application can modify (add, delete or amend) the conditions of the licence, exclude any licensable activities, remove a DPS if appropriate, suspend the licence/certificate for up to 3 months or revoke the licence/certificate completely.

For transfer of Premises Licences, interim authority requests and Personal Licence applications Members can only refuse or grant the application.

Members when deciding on an objection made against a Temporary Event Notice (TEN) will determine whether or not to issue a Counter Notice, which if issued will prevent the proposed event from proceeding. If a TEN has been given for a

premises that already has a licence/certificate, Members may impose any of those conditions from the existing licence/certificate to the TEN.

### **Before the meeting starts:**

The Sub-Committee Members are requested to report for business no more than half an hour before the meeting starts to deal with any administrative/procedural issues. This will allow Members to consider;

- the appointment for any substitutes if required
- the appointment of the chair
- any procedural issues
- obtain the list of attendees
- late documents delivered prior to the meeting and to ensure all the paperwork is in order

The Sub-Committee will not be considering any of the actual points raised within the Report itself and no Responsible Authority or Other Person/s shall be present when the Sub-Committee deal with the above issues.

### **Attending the hearing that concerns you:**

All Applicants, Other Persons and Responsible Authorities involved will be informed in writing of the date and time that their application will be considered by the Licensing Sub-Committee. Please contact the Licensing Service on 020 8356 4970 or email [licensing@hackney.gov.uk](mailto:licensing@hackney.gov.uk) to confirm whether you wish to attend and/or register to speak at the Sub-Committee hearing or if you wish for someone else to speak on your behalf. If you are unable to attend, the application may be heard in your absence.

All parties should arrive promptly at the outset of the scheduled meeting regardless of when the item is listed to be heard on the agenda.

Please contact the Licensing Service for advice within 4 working days from the date on the notice letter if any of the following apply;

- you have special requirements to help make your representation, because of a disability or you need a translator for example
- you wish to supply additional [documentary] information such as photographs and videos/DVDs

Please note that if you wish to provide additional relevant information, this should be given at least **5 working days** before the hearing. Any additional information provided once the hearing has started will only be accepted if all parties agree. Please note that the use of videos/DVDs is at the Sub-Committee's discretion – requests to show these should be made in advance to the Committee Officer.

### **Timings**

In most cases the application will last no longer than 1 hour, and the times to be allocated to each section are shown on the relevant hearing procedure. If you think that your evidence is likely to exceed this time period, please let the Licensing Service know **within 4 working days of the date on the notice letter** and the Sub-Committee will be advised. If your request is agreed, all parties will also be granted the same extension of time.

### **Rights of Press and Public to Report on Meetings**

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

### **Lobbying of Councillors**

If a person or an organisation wants to make a representation to the Licensing Sub-Committee, they must **NOT** contact Sub-Committee Members directly. Licensing

Sub-Committee Members have to retain an open mind on any application and determine it on its merits. Members cannot be in anyway biased towards a party. Therefore, if a Member of the Sub-Committee has had any prior involvement they must ensure that they come to the hearing with an open mind.

Local ward councillors may be able to speak on behalf of objectors if requested to do so, provided that if they have a disclosable pecuniary interest (further information provided below) they leave the meeting room when the application is being considered unless they have been granted dispensation.

## **Reports**

Agendas and Reports for Licensing Sub-Committees are published on the Council's website ([www.hackney.gov.uk](http://www.hackney.gov.uk)) 5 working days before the hearing takes place. Copies are also available by contacting Governance Services on 0208 356 3578 or email [governance@hackney.gov.uk](mailto:governance@hackney.gov.uk). Copies of applications together with the detail of any objections will be included in the report.

## **Appeals**

Applicants or any party to the hearing can appeal against the decision made by the Sub-Committee. The appeal to the Thames Magistrates Court must be made within 21 days of the decision being sent formally in writing. However, TEN's have the added restriction that no appeals can be made later than 5 working days before the event is scheduled to take place.

## **Withdrawal of an Item or Cancellation of a Hearing**

An item may be withdrawn from the agenda of a Licensing Sub-Committee meeting at short notice due to the withdrawal or resolution of the representations or objections to an application or notice. A hearing by the Licensing Sub-Committee may therefore be cancelled at short notice if there are no substantive items remaining on the agenda.

As much advance notice as is practicable of the withdrawal of an item on the agenda or cancellation of a meeting of the Licensing Sub-Committee will be provided on the Council's website but please note that this might be as little as a few hours before the hearing if the applicant chooses to leave it that late to satisfactorily address any representation or objection giving rise to the need for a hearing.

## Advice to Members on Declaring Interests

If you require advice on declarations of interests, this can be obtained from:

- The Monitoring Officer;
- The Deputy Monitoring Officer; or
- The legal adviser to the meeting.

It is recommended that any advice be sought in advance of, rather than at, the meeting.

### Disclosable Pecuniary Interests (DPIs)

You will have a Disclosable Pecuniary Interest (\*DPI) if it:

- Relates to your employment, sponsorship, contracts as well as wider financial interests and assets including land, property, licenses and corporate tenancies.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to DPIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner.
- Relates to an interest which should be registered in that part of the Register of Interests form relating to DPIs, but you have not yet done so.

If you are present at any meeting of the Council and you have a DPI relating to any business that will be considered at the meeting, you **must**:

- Not seek to improperly influence decision-making on that matter;
- Make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent; and
- Leave the room whilst the matter is under consideration

You **must not**:

- Participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business; or
- Participate in any vote or further vote taken on the matter at the meeting.

If you have obtained a dispensation from the Monitoring Officer or Standards Committee prior to the matter being considered, then you should make a verbal declaration of the existence and nature of the DPI and that you have obtained a dispensation. The dispensation granted will explain the extent to which you are able to participate.

## Other Registrable Interests

You will have an 'Other Registrable Interest' (ORI) in a matter if it

- Relates to appointments made by the authority to any outside bodies, membership of: charities, trade unions,, lobbying or campaign groups, voluntary organisations in the borough or governorships at any educational institution within the borough.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to ORIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner; or
- Relates to an interest which should be registered in that part of the Register of Interests form relating to ORIs, but you have not yet done so.

Where a matter arises at any meeting of the Council which affects a body or organisation you have named in that part of the Register of Interests Form relating to ORIs, **you must** make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

## Disclosure of Other Interests

Where a matter arises at any meeting of the Council which **directly relates** to your financial interest or well-being or a financial interest or well-being of a relative or close associate, you **must** disclose the interest. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Where a matter arises at any meeting of the Council which **affects** your financial interest or well-being, or a financial interest or well-being of a relative or close associate to a greater extent than it affects the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision and a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you **must** declare the interest. You **may** only speak on the matter if members of the public are able to speak. Otherwise you must not take part in any discussion or voting on the matter and must not remain in the room unless you have been granted a dispensation.

In all cases, where the Monitoring Officer has agreed that the interest in question is a **sensitive interest**, you do not have to disclose the nature of the interest itself.

Representations (which include comments and/or objections) in relation to:

I write to make a representation in relation to this application.

The application seeks to extend the hours for the supply of alcohol for consumption off the premises. The additional hours being sought would increase the availability of alcohol in this area late into the night. The nature of the surrounding area is a mix of commercial and residential. As a result an extension of hours could have a negative impact on the promotion of the licensing objectives. It is also noted that the hours exceed those as set out in LP4 (Off-sales of Alcohol) within the Council's Licensing Policy. The applicant's attention is drawn to this policy which states:

**LP4 'Off' Sales of Alcohol**

Hours for the supply of alcohol will generally be restricted to between 08:00 and 23:00.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion with the applicant in relation to the issues raised above.

Licensing Team,

On behalf of the Wick Ward councillors can I raise concern over the request for the Expa Local to sell alcohol until 2am Mon-Sat. Our policy says off licenses hours should be up to 11pm. Having a store open this late would be setting a precedent and inviting potential ASB matters?

## LICENSING DEPARTMENT

We, the undersigned are in **support** of Ali Cam's application to vary the hours to permit the sale of alcohol off the premises:

**Monday to Sunday from 08:00 to 02:00**

at: **Expa Local, 226 – 228 Homerton High Street, Hackney, London, E9 6AS**, for the following reasons:

1. For many of us who work various shift schedules, our shopping options are severely limited.
2. We work unsociable hours and we would appreciate enjoying this very basic privilege, without having to travel and incur further costs.
3. Many of us don't drive for very good reasons. Having access to a local store is very important to us.
4. We have no concerns over the applicant's ability to uphold the four Licensing Objectives.

❖ Prevention of Crime and Disorder ❖ Public Safety

❖ Prevention of Public Nuisance ❖ Protection of Children from Harm

Dear Mr. Tuitt

I have liaised with my client following receipt of the objections to his premises licence variation application.

In addition to those conditions already on his premises licence, we would like to propose the following additional conditions to allay any concerns that Responsible Authorities have in relation to a) the prevention of crime and disorder, and b) the prevention of public nuisance.

The additional conditions proposed are:

A2. No single cans or bottles of beer, lager or cider shall be sold or supplied at the premises after midnight.

A3. No miniature bottles of spirits of 50ml or less shall be sold or supplied at the premises after midnight.

A7. Any alcohol sold or supplied (for consumption off the premises) must be in a sealed container.

G2. The licensee shall display the telephone number/email address of the Designated premises Supervisor for use by any Responsible Authority or any person who may wish to make a complaint during the operation of the licence in a prominent external location at the premises that is easily accessible to the public.

P4. Prominent, clear notices shall be displayed at the point of entry to the premises and in a suitable location at any points of sale indicating that where a person appears to be under the age of 25, identification will be sought and, if not provided, service of alcohol will be refused.

W8. Signage to be erected asking customers to refrain from littering the public highway outside the premises.

I would be grateful if you could forward these to the Police Licensing Team; Planning and Cllr. Webb as well, and I look forward to your response.

Many thanks

Kind regards

## 9. **Reasons for Officer Observations**

9.1. Conditions 1 to 8 are derived from the applicant's operating schedule and conditions 9 to 14 have been agreed with Environmental Enforcement.

## 10. **Legal Comments**

10.1. The Council has a duty as a Licensing Authority under the Licensing Act 2003 to carry out its functions with a view to promoting the following 4 licensing objectives;

- The Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- The Protection of Children from Harm

10.2. It should be noted that each of the licensing objectives have equal importance and are the only grounds upon which a relevant representation can be made and for which an application can be refused or terms and conditions attached to a licence.

## 11. **Human Rights Act 1998 Implications**

11.1. There are implications to;

- **Article 6** – Right to a fair hearing
- **Article 14** – Not to discriminate
- Balancing: **Article 1**- Peaceful enjoyment of their possession (i.e. a licence is defined as being a possession) with **Article 8** – Right of Privacy (i.e. respect private & family life) to achieve a proportionate decision having regard to the protection of an individuals rights against the interests of the community at large.

12. **Members Decision Making**

12.1. **Option 1**

**That the application be refused**

12.2. **Option 2**

**That the application be approved, together with any conditions or restrictions which Members consider necessary for the promotion of the Licensing objectives.**

13. **Conclusion**

13.1. That Members decide on the application under the Licensing Act 2003.

This premises is located in the middle of the Shoreditch Special Policy Area (SPA).

Police have seen a vast increase in serious violence and disorder in Shoreditch over the past several months – year, as the footfall has increased to unprecedented levels since the easing of Coronavirus Restrictions. Behaviours and attitudes to drinking seem to have changed and we have seen a big increase in levels of extreme drunkenness and illness due to intoxication on the streets of Shoreditch. There are crowds of people on the streets after midnight in Shoreditch and police regularly receive complaints from residents in relation to ASB, violence, litter and noise. Granting a late night licence here has the potential to increase numbers hanging around the area. Although the venue is not selling alcohol, by encouraging people to gather whilst waiting for their food the potential for violence and disorder is increased.

As per LP10, it is up to the applicant to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact in this area. Police do not believe that this application does this. Should the applicant be able to demonstrate this then as per LP10, core hours would apply. The hours applied for here are far outside the core hours as detailed in LP3.

Police respectfully request that this application be refused.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

None

I make the following relevant representations in relation to the above application.

Representations (which include comments and/or objections) in relation to:

The application seeks the hours of operation for the premises beyond the core hours outlined in LP3 Core Hours section of the council's licensing policy for late night refreshment. The hours sought are as follows;

Late Night Refreshment

Mon:23:00 - 02:00

Tue:23:00 - 02:00

Wed:23:00 - 04:00

Thur:23:00 - 04:00

Sun:12:00 - 00:00

*"LP10 Special Policy Areas – Dalston and Shoreditch*

*It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.*

*It should also be noted that the;*

- quality and track record of the management;*
- good character of the applicant; and*
- extent of any variation sought*

*May not be in itself sufficient.*

*It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply."*

The presence of a further late night premises in the area increases the probability that persons are likely to remain in the area and not disperse, this leads to the further potential that the licensing objectives could be undermined. Additionally, there is no mention of how the premises would deal with late night deliveries/take-aways and the potential nuisance of idling vehicles. The premises is located in close proximity to the junction of Great Eastern Street and Curtain Road along a red route, the area can become extremely busy with traffic and footfall during the hours sought.

The Licensing Authority are not persuaded that the application, whilst limiting the activity to Late Night Refreshment, will have no impact on the Licensing Objectives.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Thanks, I did not understand that, but I still object to the late night opening as this place is below me and this late night licence, if granted, will cause noise at the front and back of my property. I have single glazed windows so hear everything below me, and there is a noisy fan and shutter at the back which will make noise for longer, and later. I have copied in my landlord as he also was not aware they would apply for this late opening licence either. Thanks again, and I hope that you will consider my objection and my living space, when deciding whether to grant this request.

Dear [Redacted]

Many thanks for your email.

We confirm that we are in receipt of an application for a premises licence at this location. However, the application seeks to authorise late night refreshment only. Late night refreshment is the provision of alcohol for consumption on the premises in the case the application seeks to authorise late night refreshment from 23:00 to 02:00 Mon and Tue, 23:00 to 04:00 Wed to Sat and from 23:00 to 00:00 Sun. The application does not seek to authorise and alcohol sale

This means I will get little rest.

Rack and bite are not considerate neighbours – they fitted a noisy extractor fan to the back of the building and they have a shutter at the back which makes a loud noise when they leave at the pm.

I was under the impression that a restaurant was given permission, but this is a kebab shop.

Dear Hackney Licensing,

I would like to object to the licensing application from the above premises.

Shoreditch is completely over-saturated with bars and nightclubs and is increasingly noisy, unpleasant and infected with rising levels of anti-social behaviour. This may not be the responsibility of any particular venue but rather the cumulative effect since the Licensing Act of 2003. The only way to reverse this tide is to start restricting the endless expansion of the hours and these clubs and bars.

To whom it may concern,

I write to oppose the application by Rack and Bite, [36 Great Eastern Street, London EC2A 3EH](#) for late night food and refreshments. As a nearby resident suffering the noise pollution (shouting, very loud cars and motorcycles and loud music from parked cars), this application will see people lingering even longer after spilling out of the neighbouring venues, until 4:00 on many nights. Current late night dispersion policies do not work and this license will undermine dispersion policies even more.

We also oppose the application on the following specific grounds:

- The prevention of crime and disorder is paramount in Shoreditch, which has amongst the highest crime rates in London, heavily related to the late-night economy. Additional late night venues, particular on this corner, will by definition contribute to the cumulative impact on crime, and risks undermining the SPA/saturation zones in the area.

Dear Sir/Madam,

RE: Rack and Bite, [36 Great Eastern Street, London EC2A 3EH](#)

I strongly object to the application by Rack and Bite, [36 Great Eastern Street, London EC2A 3EH](#) for late night refreshment. This application will hugely increase the cumulative impact of late night activities on residents in the area and until 4:00 on many nights. This is contrary to policy for the area. This kind of venues attract groups of people in the street and this create nuisance and disturbance. Residents are already experiencing much stress from existing venues. The area is already saturated with late night premises.

I oppose the application on the following specific grounds:

- The premises is located in the Shoreditch Special Policy Area, and should be rejected. There is no case in the application indicating exceptional circumstances.
- The prevention of crime and disorder: Shoreditch suffers from being the third highest crime area in the whole of London Met and this has been linked to the late night economy. Additional late night venues, particular on this spot, will act as a honey pot and contribute to the increase in crime in the area due to the added number of customers late at night at the premises. They will then disperse in adjacent areas and streets thus extending the impact much further than the immediate area.
- Public safety: This area has significant issues with violence and other anti-social behaviours such as substance/drug use, vomiting, urination, defecation, fights with broken glass, etc. presenting real safety, security and nuisance issues late into the night. As a female resident I do not feel safe having groups of late night revellers in the streets.
- Public nuisance: This additional late night license contributes to the public nuisance via increasing crowds. Noise from the venue, and the nuisance of people coming and going, with drunk and disorderly crowds gathering in the streets where we have bedroom and living spaces, will severely impact residents.
- The protection of children from harm: Late night venues attract violent people, illicit acts and vile behaviour, as confirmed by the police. The addition of another late-night establishment will contribute to the impact on the numerous children in the neighbourhood.

I wish to be notified of any hearing.

Yours sincerely,

To Whom it may concern,

We are writing to oppose the application by Rack and Bite, [36 Great Eastern Street, London EC2A 3EH](#) for permission to sell late night refreshments. This application seeks to extend the time for late night refreshment from 23:00 to 02:00am Mon and Tue, 23:00 to 04:00am Wed to Sat and from 23:00 to 00:00 Sun.

This extension would lead to further overcrowding of the Shoreditch area late at night, when noise pollution, anti-social behaviour, drinking in the streets, nitrous oxide consumption, and other behaviours (including criminal offences such as assaults and sexual offences) are already disrupting residents' ability to sleep and creating a threatening atmosphere. Allowing any additional sales will only add to these issues, which are currently slipping out of control again, after a few months of improvement between late 2021 and June 2022. In particular sales for consumption off-premises directly encourage groups to congregate and loiter in residential streets drinking through the night. We are objecting to all aspects of this proposal, however, it ought to be especially obvious that allowing sales until 02.00am on quite week nights and 04.00am four nights a week is particularly unreasonable and, in our opinion, impossible to justify for any venue.

We oppose the application on the following specific grounds:

The premises are located in the Shoreditch Special Policy Area. We are not aware of any information provided by the applicant as to how this application avoids any negative impact on this area. We understand that it is the applicant's responsibility to demonstrate why the license should be granted. Arguments based on concerns about recent increases in prices, pressures on customers due to inflation, etc. apply to all hospitality business of this kind and do not therefore constitute an acceptable reason to extend any individual licence.

The prevention of crime, disorder, anti-social behaviour and noise pollution ought to be the top priority in Shoreditch, which is heavily residential and where a proper balance needs to be struck between the Council's duty to its residents and the wishes of late night economy venues. Additional late night hours will by definition contribute to the cumulative impact on crime, disorder, anti-social behaviour and noise pollution, and risks undermining the SPA/saturation zones in the area. Longer sales hours will deepen the problems already being experienced.

Public safety is also at risk with this new application. The neighbourhood already has significant issues with violence, vomiting, urination, defecation and drug use late into the night, presenting real safety, security and nuisance issues. This is not limited to the immediate vicinity of any venue, but spreads to the streets such as ours where groups gather throughout the night.

This extension of hours will only add to the crowding issue. Consumption of refreshments will create significant noise from the venue, the noise created by groups coming and going, and drunk and disorderly crowds gathering underneath bedroom windows.

The protection of residents, including children, from harm is an important consideration. Residents cannot be expected to put up with the disruption caused by extended hours, as the existing amount of venues, alcohol and refreshments consumed are already stretching the resources of the police and Hackney enforcement to manage and control the late night economy to breaking point. We have just submitted a report to the police about the situation over the last two weekends in our street, which reflects the deterioration already occurring this summer (CAD reference [REDACTED]). Adding to this will only make a difficult situation worse.

We can be contacted at the address below. We wish to be notified of any hearing. We do not consent to the release of any personally identifiable information.

Dear Licensing Team,

We live just behind Great Eastern Street, at the corner of Charlotte Road and Rivington Street, the path used by night revellers on their way to Hoxton Square and other late night venues in Shoreditch.

Our nights regularly involve noisy brawls, fights, people urinating and vomiting on our doorstep, or using our porch as a dustbin for their greasy take-away leftovers ...

The latest incident being a fight, half an hour ago just under our bedroom window.. waking us up in the middle of the night.

We understand that the night economy brings business, which on paper is a good thing (jobs, tax receipts, activity) but it should not be at the detriment of residents who also have jobs, contribute to the local economy, its community, and have a right to a decent quality of life. This situation is very upsetting indeed.

We experience first-hand the direct impact of late opening of bars, fast food restaurants, delis, etc in the area. These attract AND keep people out on the streets until the early hours of the morning on a quasi-daily-basis, causing severe nuisances and countless degradations.

With the above in mind, **we vigorously object to the application by *Rack and Bite*, 36 Great Eastern Street, London EC2A 3EH for late night refreshments licence**. Should this licence be granted, in our view, it would contribute to the cumulative impact of late night anti-social activity in our area, which has been a source of tremendous stress to us (residents) for many years and is pushing the fantastic local police team close to break point.

We strongly oppose the application for the following reasons:

- *Rack & Bite* is located in the Shoreditch Special Policy Area.
- The cumulative impact on anti-social behaviour (SPA/saturation zone) in the area.
- Late night bar activity has a direct impact on Hackney residents safety (crime, thefts, fights, break-ins, drunkenness, vomiting, fouling and drug use).
- Public safety.

Thank you for considering our objection.

Should you have any questions, please feel free to get in touch.

We look forward to hearing from you on this matter. Do keep us posted on the outcome.

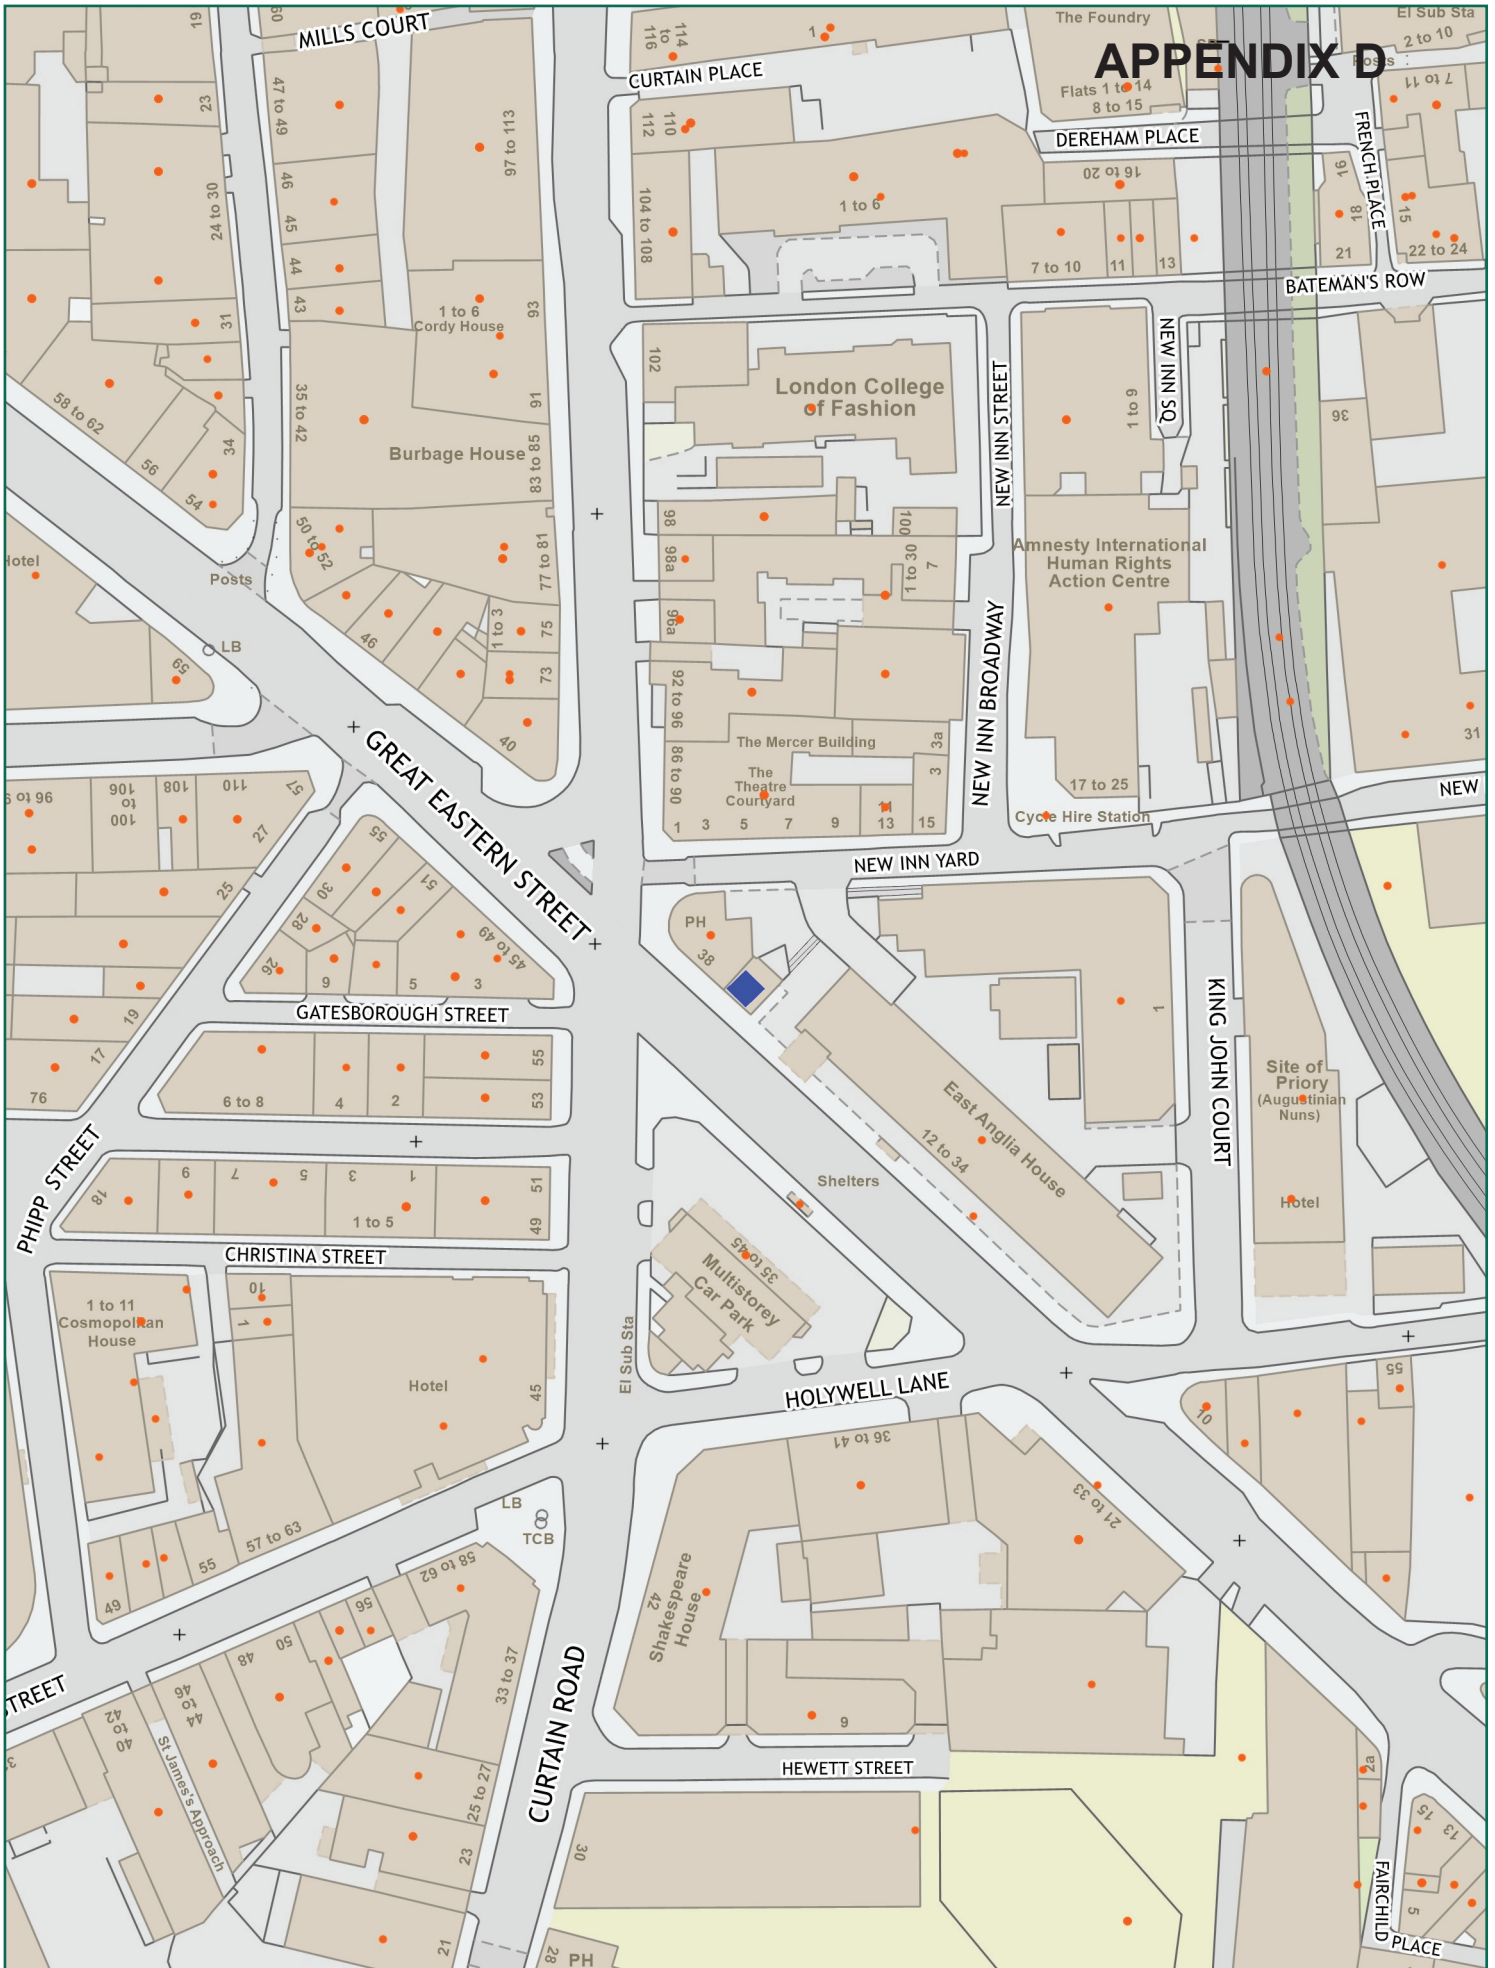

Yours gratefully,
