Licensing Sub-Committee Hearings

This guide details the procedure for Licensing Sub-Committee hearings under the Licensing Act 2003. Whilst this will be used in most cases, the procedure will be altered in exceptional circumstances and when for example Personal Licences, Temporary Event Notices and Reviews are considered.

Until further notice, all Licensing Sub-Committee Hearings will be held remotely using the Google Meets platform. Licensing Sub-Committee Hearings are public meetings that are live-streamed. Hearings are available to be viewed by the public online.

A Licensing Sub-Committee will be held if:

- The applicant has applied for a Premises Licence, Provisional Statement, Club Premises Certificate or expressed their intention to vary their existing licence/certificate and has advertised this in a local newspaper and displayed a distinctive blue notice at the premises, following which representations have been made by a Responsible Authority or Other Person/s.
- A Review has been requested by a Responsible Authority or Other Person/s and the Review has been advertised by displaying a distinctive blue notice at the premises and also at the Council's office and website.
- An application is made to transfer a Premises Licence or for interim authority and the Police have issued an objection
- The applicant has made a Personal Licence application and the Police have objected to the Licence being granted.
- A Temporary Event Notice has been given and the Police and/or those in the Council that exercise environmental health functions have issued an objection.

Prior to your item being heard:

- The Licensing team upon receiving representations will form a view as to whether the representations are irrelevant, frivolous, vexatious or for review applications; repetitious.
- The Licensing team would have provided written notice to all parties in advance of the hearing and would have responded to any request relating to personal details being removed from the agenda.

If you do not believe this to have happened, please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk as soon as possible. For further information on the application process, please see the guidance notes at www.hackney.gov.uk/licensing.

Making decisions on the items being heard:

Hearings will normally be held in public unless the Sub-Committee believe it not to be in the public interest to do so. Although the Chair will try to make the proceedings as informal as possible, these hearings are of a quasi-judicial nature, and the rules of natural justice shall apply.

Only those Responsible Authorities and Other Persons who have made a relevant representation in writing at the consultation stage **can register to speak at a subsequent hearing**. Applicants, Other Persons and Responsible Authorities will all be given a fair opportunity to put their case and the Sub-Committee will take these representations into account when making their decision. The Sub-Committee may still make a decision on any matter even if any party fails to attend the hearing. However, in these circumstances, it will only be that party's written representation that may be taken into account.

For new applications relating to Premises Licences and Club Premises Certificates, Members can grant with additional conditions attached to the licence, exclude any licensable activities, refuse a Designated Premises Supervisor (DPS) if appropriate or reject the application.

Members when making decisions on variation applications regarding a Premises Licence or Club Premises Certificate, can modify (add, delete or amend) conditions on the licence or reject the application in whole or part. Members will be considering the request for a variation and the impact that this may have. Therefore, representations should be focused on the impact of the variation, although concerns relating to the existing terms of the licence may be relevant in considering the track record of the applicant. However, Members may consider other issues which relate to the promotion of the licensing objectives, although only if it is reasonable and proportionate to do so.

For Provisional Statements, Members can consider any steps that are necessary having regard to the representations made in order to ensure the licensing objectives are not undermined.

Members when deciding a Review application can modify (add, delete or amend) the conditions of the licence, exclude any licensable activities, remove a DPS if appropriate, suspend the licence/certificate for up to 3 months or revoke the licence/certificate completely.

For transfer of Premises Licences, interim authority requests and Personal Licence applications Members can only refuse or grant the application.

Members when deciding on an objection made against a Temporary Event Notice (TEN) will determine whether or not to issue a Counter Notice, which if issued will prevent the proposed event from proceeding. If a TEN has been given for a premises that already has a licence/certificate, Members may impose any of those conditions from the existing licence/certificate to the TEN.

Before the meeting starts:

The Sub-Committee Members are requested to report for business no more than half an hour before the meeting starts to deal with any administrative/procedural issues. This will allow Members to consider;

- the appointment for any substitutes if required
- the appointment of the chair
- any procedural issues
- obtain the list of attendees
- late documents delivered prior to the meeting and to ensure all the paperwork is in order

The Sub-Committee will not be considering any of the actual points raised within the Report itself and no Responsible Authority or Other Person/s shall be present when the Sub-Committee deal with the above issues.

Attending the hearing that concerns you:

All Applicants, Other Persons and Responsible Authorities involved will be informed in writing of the date and time that their application will be considered by the Licensing Sub-Committee. Please contact the Licensing Service on 020 8356 4970 or email licensing@hackney.gov.uk to confirm whether you wish to attend and/or register to speak at the Sub-Committee hearing or if you wish for someone else to speak on your behalf. If you are unable to attend, the application may be heard in your absence.

All parties should arrive promptly at the outset of the scheduled meeting regardless of when the item is listed to be heard on the agenda.

Please contact the Licensing Service for advice within 4 working days from the date on the notice letter if any of the following apply;

- you have special requirements to help make your representation, because of a disability or you need a translator for example
- you wish to supply additional [documentary] information such as photographs and videos/DVDs

Please note that if you wish to provide additional relevant information, this should be given at least **5 working days** before the hearing. Any additional information provided once the hearing has started will only be accepted if all parties agree. Please note that the use of videos/DVDs is at the Sub-Committee's discretion – requests to show these should be made in advance to the Committee Officer.

Timings

In most cases the application will last no longer than 1 hour, and the times to be allocated to each section are shown on the relevant hearing procedure. If you think that your evidence is likely to exceed this time period, please let the Licensing

Service know **within 4 working days of the date on the notice letter** and the Sub-Committee will be advised. If your request is agreed, all parties will also be granted the same extension of time.

Rights of Press and Public to Report on Meetings

Where a meeting of the Council and its committees are open to the public, the press and public are welcome to report on meetings of the Council and its committees, through any audio, visual or written methods and may use digital and social media providing they do not disturb the conduct of the meeting and providing that the person reporting or providing the commentary is present at the meeting.

Those wishing to film, photograph or audio record a meeting are asked to notify the Council's Monitoring Officer by noon on the day of the meeting, if possible, or any time prior to the start of the meeting or notify the Chair at the start of the meeting.

The Monitoring Officer, or the Chair of the meeting, may designate a set area from which all recording must take place at a meeting.

The Council will endeavour to provide reasonable space and seating to view, hear and record the meeting. If those intending to record a meeting require any other reasonable facilities, notice should be given to the Monitoring Officer in advance of the meeting and will only be provided if practicable to do so.

The Chair shall have discretion to regulate the behaviour of all those present recording a meeting in the interests of the efficient conduct of the meeting. Anyone acting in a disruptive manner may be required by the Chair to cease recording or may be excluded from the meeting. Disruptive behaviour may include: moving from any designated recording area; causing excessive noise; intrusive lighting; interrupting the meeting; or filming members of the public who have asked not to be filmed.

All those visually recording a meeting are requested to only focus on recording councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure by someone recording a meeting to respect the wishes of those who do not wish to be filmed and photographed may result in the Chair instructing them to cease recording or in their exclusion from the meeting.

If a meeting passes a motion to exclude the press and public then in order to consider confidential or exempt information, all recording must cease and all recording equipment must be removed from the meeting room. The press and public are not permitted to use any means which might enable them to see or hear the proceedings whilst they are excluded from a meeting and confidential or exempt information is under consideration.

Providing oral commentary during a meeting is not permitted.

Lobbying of Councillors

If a person or an organisation wants to make a representation to the Licensing Sub-Committee, they must **NOT** contact Sub-Committee Members directly. Licensing Sub-Committee Members have to retain an open mind on any application and determine it on its merits. Members can not be in anyway biased towards a party. Therefore, if a Member of the Sub-Committee has had any prior involvement they must ensure that they come to the hearing with an open mind.

Local ward councillors may be able to speak on behalf of objectors if requested to do so, provided that if they have a disclosable pecuniary interest (further information provided below) they leave the meeting room when the application is being considered unless they have been granted dispensation.

Reports

Agendas and Reports for Licensing Sub-Committees are published on the Council's website (www.hackney.gov.uk) 5 working days before the hearing takes place. Copies are also available by contacting Governance Services on 0208 356 3578 or email governance@hackney.gov.uk. Copies of applications together with the detail of any objections will be included in the report.

Appeals

Applicants or any party to the hearing can appeal against the decision made by the Sub-Committee. The appeal to the Thames Magistrates Court must be made within 21 days of the decision being sent formally in writing. However, TEN's have the added restriction that no appeals can be made later than 5 working days before the event is scheduled to take place.

Withdrawal of an Item or Cancellation of a Hearing

An item may be withdrawn from the agenda of a Licensing Sub-Committee meeting at short notice due to the withdrawal or resolution of the representations or objections to an application or notice. A hearing by the Licensing Sub-Committee may therefore be cancelled at short notice if there are no substantive items remaining on the agenda.

As much advance notice as is practicable of the withdrawal of an item on the agenda or cancellation of a meeting of the Licensing Sub-Committee will be provided on the Council's website but please note that this might be as little as a few hours before the hearing if the applicant chooses to leave it that late to satisfactorily address any representation or objection giving rise to the need for a hearing.

Advice to Members on Declaring Interests

If you require advice on declarations of interests, this can be obtained from:

- The Monitoring Officer;
- The Deputy Monitoring Officer; or
- The legal adviser to the meeting.

It is recommended that any advice be sought in advance of, rather than at, the meeting.

Disclosable Pecuniary Interests (DPIs)

You will have a Disclosable Pecuniary Interest (*DPI) if it:

- Relates to your employment, sponsorship, contracts as well as wider financial interests and assets including land, property, licenses and corporate tenancies.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to DPIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner.
- Relates to an interest which should be registered in that part of the Register of Interests form relating to DPIs, but you have not yet done so.

If you are present at any meeting of the Council and you have a DPI relating to any business that will be considered at the meeting, you **must**:

- Not seek to improperly influence decision-making on that matter;
- Make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent; and
- Leave the room whilst the matter is under consideration

You **must not**:

- Participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business; or
- Participate in any vote or further vote taken on the matter at the meeting.

If you have obtained a dispensation from the Monitoring Officer or Standards Committee prior to the matter being considered, then you should make a verbal declaration of the existence and nature of the DPI and that you have obtained a dispensation. The dispensation granted will explain the extent to which you are able to participate.

Other Registrable Interests

You will have an 'Other Registrable Interest' (ORI) in a matter if it

- Relates to appointments made by the authority to any outside bodies, membership of: charities, trade unions, lobbying or campaign groups, voluntary organisations in the borough or governorships at any educational institution within the borough.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to ORIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner; or
- Relates to an interest which should be registered in that part of the Register of Interests form relating to ORIs, but you have not yet done so.

Where a matter arises at any meeting of the Council which affects a body or organisation you have named in that part of the Register of Interests Form relating to ORIs, **you must** make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Disclosure of Other Interests

Where a matter arises at any meeting of the Council which **directly relates** to your financial interest or well-being or a financial interest or well-being of a relative or close associate, you **must** disclose the interest. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Where a matter arises at any meeting of the Council which **affects** your financial interest or well-being, or a financial interest or well-being of a relative or close associate to a greater extent than it affects the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision and a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you **must** declare the interest. You **may** only speak on the matter if members of the public are able to speak. Otherwise you must not take part in any discussion or voting on the matter and must not remain in the room unless you have been granted a dispensation.

In all cases, where the Monitoring Officer has agreed that the interest in question is a **sensitive interest**, you do not have to disclose the nature of the interest itself.

Relevant Extracts from Hackney's Statement of Licensing Policy

Please find below relevant extracts from the Statement of Licensing Policy 2018.

LP1 General Principles

The Council expects applicants to demonstrate:

- (a) That they have an understanding of the nature of the locality in which the premises are located and that this has been taken into consideration whilst preparing the operating schedule.

- (b) Where the application is for evening and night-time activity, that the proposal reflects the Council's aspiration to diversify the offer, whilst at the same time promoting the licensing objectives.

LP2 Licensing Objectives

Prevention of Crime and Disorder Whether the proposal includes satisfactory measures to mitigate any risk of the proposed operation making an unacceptable contribution to levels of crime and disorder in the locality.

Public Safety

Whether the necessary and satisfactory risk assessments have been undertaken, the management procedures put in place and the relevant certification produced to demonstrate that the public will be kept safe both within and in close proximity to the premises.

Prevention of Public Nuisance

Whether the applicant has addressed the potential for nuisance arising from the characteristics and style of the proposed activity and identified the appropriate steps to reduce the risk of public nuisance occurring.

Protection of Children from Harm

Whether the applicant has identified and addressed any risks with the aim of

protecting children from harm when on the premises or in close proximity to the premises.

LP3 Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- Monday to Thursday 08:00 to 23:00
- Friday and Saturday 08:00 to 00:00
- Sunday 10:00 to 22:30

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks. *It should be noted that this policy does not apply to those who are making an application within a special policy area (see section 3) unless they have been able to demonstrate that the proposed activity or operation of the premises will not add to the cumulative impact that is already being experienced.*

LP4 Off' Sales of Alcohol

Hours for the supply of alcohol will generally be restricted to between 08:00 and 23:00.

LP5 Planning Status

Licence applications should normally be from premises where:

- (a) The activity to be authorised by the licence is a lawful planning use or is a deemed permitted development pursuant to the General Permitted Development Order (1995) as amended.
- (b) The hours sought do not exceed those authorised by any planning permission.

The Licensing Authority may take into account the lack of planning permission or an established lawful use in deciding whether there is likely to be any harm to the licensing objectives.

LP6 External Areas and Outdoor Events

The Licensing Authority will normally restrict external areas and outdoor activity to

between 08:00 and 22:00 unless the applicant can demonstrate that comprehensive control measures have been implemented that ensure the promotion of the licensing objectives, in particular the public nuisance objective. Notwithstanding any proposed control measures, the Licensing Authority may restrict the hours and/or activity even further.

LP7 Minor Variations

The Council expects applications to be made in the following circumstances only:

- Small changes in the layout/structure of the premises
- The addition of voluntary/agreed conditions
- Removal of conditions that are dated and have no impact on the operation of the premises
- Reduction of hours for any licensable activity

LP8 Temporary Event Notices

When considering an objection to a TEN the Council will:

- Expect that any existing conditions will be maintained (where relevant) in circumstances where an event is to take place at a premises that has an existing authorisation.
- Assess any history of complaints as a result of licensable activity that may or may not have been authorised by a TEN.
- Consider the track record of the premises user
- Consider any other control measures proposed to mitigate the objection

LP9 Personal Licences

(a) The Council will consider whether a refusal of the licence is appropriate for the promotion of the crime prevention objective and will consider the:

- (i) Seriousness and relevance of any conviction(s)
- (ii) The period that has elapsed since committing the offence(s)
- (iii) Any mitigating circumstances that assist in demonstrating that the crime prevention objective will not be undermined.

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will

not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient. *It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.*

LP11 Cumulative Impact – General

The Council will give due regard to any relevant representations received where concerns are raised and supported around the negative cumulative impact the proposed application has on one or more of the licensing objectives.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A(2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

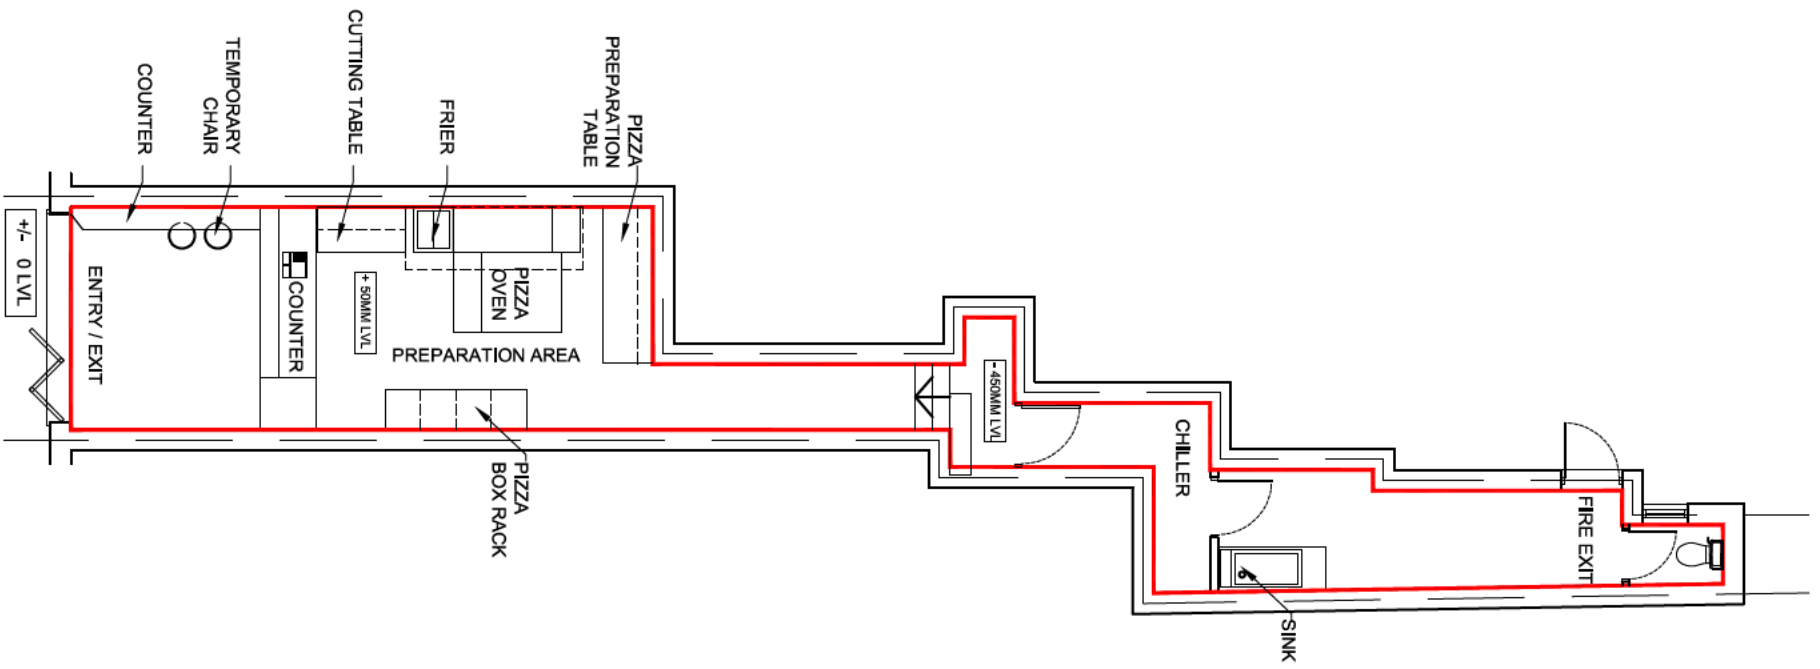

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

The Contractor is to check all dimensions on site and report any discrepancies to the Contract Administrator. This drawing is to be read in conjunction with all other standard documentation.

Hello. I do not have contact details for the resident at kingsland road so i hope you can forward this email on to them.

I am writing in response to your representations made to the premises license at the above address. In regards to the resident at Kingsland road, there seems to be some confusion in regards to what we sell. Please let them know that we do not sell alcohol and we do not intend on selling alcohol ever or facilitating it. We have a strict no alcohol policy on our premises at all times of the day. Further more, we have installed a full facial recognition cctv system to combat anti social behaviour and we are trained in using it and have provided the police with help in the past whenever they have needed so.

When applying for this license we were primarily taking into consideration the prevention of crime and disorder, public safety, prevention of nuisance for the surrounding residents and the protection of children from harm. We therefore offer forward additional licensing objectives that can be a part of our license to satisfy your concerns.

1. CCTV shall be maintained to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Hackney Council.

2. CCTV cameras shall be maintained in good working order that cover the entrance of the premises and further cameras all around the internal area shall be kept in good working order.

3. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises. (which they currently are and do)

4. A member of staff trained in the use of the CCTV system shall be available at the premises at all times that the premises are open to the public.

5 An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Hackney Council or the Police, which will record the following: (a) all crimes reported to the venue (b) all ejections of patrons (c) any complaints received (d) any faults in the CCTV system (e) any visit by a relevant authority or emergency service

6 The premises shall be staffed by a minimum of 2 persons after 21:00 hours until the close of business.

7 A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

8 No children under the age of 16 allowed on the premises after 11:00pm.

9 Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by the Police and authorised officer of Hackney Council.

10 The licensee shall ensure all public areas within 5 metres of the premises are cleared of litter arising from the premises daily.

11. clear and unobstructed view into the premises shall be maintained at all times.

12. suitable intruder alarm complete with panic button shall be maintained. This has been fitted already and is linked to a security office provided by a private company called verisure.

13. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

14. All deliveries shall take place during the normal working day (i.e. 09:00 to 18:00 daily).

15. Delivery drivers shall conduct the delivery in a manner that will not cause a noise disturbance to the occupiers of any residential properties surrounding the delivery address. This includes the avoidance of slamming doors, playing loud music, shouting, over-revving engines and sounding horns to signal their arrival. The driver shall turn the engine off immediately upon arrival at the delivery address and will park considerately without causing any obstruction to the highway.

I hope this satisfies the concerns of the resident . We do care about the residents around and we will ensure not to cause any further difficulty to them.

Thank you

I understand you are concerned that the timing of collection is more than the normal amount. I therefore propose the following;

Monday, Tuesday, Wednesday, Thursday and Sunday; the store will operate for collection orders until 01:00am. And from 01:00 to 03:45, the store will only offer delivery services through verified delivery partners like Uber and through our own couriers who will operate in a quiet and safe manner as to not disturb anybody. We will be closed for all walk-in and collection customers after 01:00am. The shutter will also be partly down to deter any walk-ins and to show we are closed to walk-ins. This is in line with the surrounding area and will meet the licensing objectives above, I hope this can satisfy your concerns.

On Friday and Saturday, the store will operate for collection and delivery up until 03:45am. This is requested because there is much activity on the road from other bars, clubs and food shops open until these times and even later. So it will be in line with the surrounding area. With the licensing objectives set out above, I hope this can satisfy your concerns. Should we face any issues from being open the extra few hours on these days, we will address it accordingly.

In regards to the delivery drivers, there is, right outside the shop, multiple bays for delivery drivers to stop safely. These bays are used for delivery drivers that frequently visit Creams restaurant as well. Delivery drivers, whether our own or from verified delivery partners like Uber, do operate in a safe and quiet manner and I have never seen them disturb local residents. Furthermore, there are no flats directly above any of the shops on our parade.

In regards to when the premises was found operating after 11pm on 16th September, I had not yet received notice that was sent out after the 10th of September visit and therefore was not able to act. I have acted on this immediately thereafter and even now we close at the appropriate times as any visit will show evidence of. In regards to the visit on October 23rd, I addressed this with the staff and they were waiting for Uber delivery drivers to collect an order from the store. Sometimes when Uber has high demand, they can keep reassigning drivers and delaying us. We therefore have to keep someone in the premises until the order is collected otherwise we lose the money on this order because it has already been prepared. That particular order was prepared and ordered well in advance of the closing order time of 10.45pm. Regardless, this has not been an issue thereafter and we completely abide by all conditions given to us and we are not open for any orders after 10.45pm every day of the week. I hope our 5-star health and safety rating for a prolonged period of time shows our commitment to effective management of the business and how seriously I take management of it.

I hope this can satisfy your concerns and that we do take the conditions of the licensing seriously.

Thank you

- 7 A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.
- 8 No children under the age of 16 allowed on the premises after 11:00pm.
- 9 Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by the Police and authorised officer of Hackney Council.
- 10 The licensee shall ensure all public areas within 5 metres of the premises are cleared of litter arising from the premises daily.
11. clear and unobstructed view into the premises shall be maintained at all times.
12. suitable intruder alarm complete with panic button shall be maintained. This has been fitted already and is linked to a security office provided by a private company called verisure.
13. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.
14. All deliveries shall take place during the normal working day (i.e. 09:00 to 18:00 daily).
15. Delivery drivers shall conduct the delivery in a manner that will not cause a noise disturbance to the occupiers of any residential properties surrounding the delivery address. This includes the avoidance of slamming doors, playing loud music, shouting, over-revving engines and sounding horns to signal their arrival. The driver shall turn the engine off immediately upon arrival at the delivery address and will park considerately without causing any obstruction to the highway.

I understand you are concerned that the timing of collection is more than the normal amount. I therefore propose the following;

Monday, Tuesday, Wednesday, Thursday and Sunday; the store will operate for collection orders until 01:00am. And from 01:00 to 03:45, the store will only offer delivery services through verified delivery partners like uber and through our own couriers who will operate in a quiet and safe manner as to not disturb anybody. We will be closed for all walk in and collection customers after 01:00am. The shutter will also be partly down to deter any walk ins and to show we are closed to walk ins. This is in line with the surrounding area and will the licensing objectives above, I hope this can satisfy your concerns.

On Friday and Saturday, the store will operate for collection and delivery up until 03:45am. This is requested because there is much activity on the road from other bars, clubs and food shops open until these times and even later. So it will be in line with the surrounding area. With the licensing objectives set out above, I hope this can satisfy your concerns. Should we face any issues from being open the extra few hours on these days, we will address it accordingly.

In regards to the delivery drivers, there is, right outside the shop, multiple bays for delivery drivers to stop safely. These bays are used for delivery drivers that frequently visit creams restaurant as well. Delivery drivers, whether our own or from verified delivery partners like uber, do operate in a safe and quiet manner and i have never seen them disturb local residents. further more, there is no flats directly above any of the shops on our parade.

In regards to when the premises was found operating after 11pm on 16th september, I had no yet received notice that was sent out after the 10th of september visit and therefore was not able to act. I have acted on this immediately there after and even now we close at the appropriate times as any visit will show evidence of. In regards to the visit on october 23rd, I addressed this with the staff and they were waiting for uber delivery drivers to collect an order from the store. Sometimes when uber has high demand, they can keep reassigning drivers and delaying us. We therefore have to keep someone in the premises until the order is collected otherwise we lose the money on this order because it has already been prepared. That particular order was prepared and ordered well in advance of the closing order time of 10.45pm. Regardless, this has not been an issue thereafter and we completely abide by all conditions given to us and we are not open for any orders after 10.45pm every day of the week. I hope our 5 star health and safety rating for a prolonged period of time shows our commitment to effective management of the business and how seriously i take management of it.

I hope this can satisfy your concerns and that we do take the conditions of the licensing seriously. We are always happy to help the police for any investigations and we have actively helped the police in different ways when they have visited us and needed any help from us.

Thank you

In regards to points 1,2,3 4 and 5, we have a contract with ajs waste facilities who provide us logo bags for recycling, general waste etc. we put the correct waste into the correct bags and they collect it in the morning every day. Our staff also do brush the immediate area outside the shop and any rubbish or cigarette ends, as mentioned in point 5, are disposed of appropriately by our staff on our time. The local road sweeper never has to clean anything outside our shop and you can ask him also. We have a great relationship with him as we take care of our surrounding area outside the property.

Point 6- i will ensure the waste agreement is on display on the window. Currently it is in an accessible folder with all of our certificates, but as of right now i will put it on the window immediately.

We do not find people to be smoking outside our premises as mainly we see them smoking outside the bars pubs and clubs that are open on kingsland road a few hundred metres away from us. We find that people are very clean outside our premises. In the past, we have had other businesses who have on one off occasions left their rubbish out side of our premises and it has been confused with ours. But it has been removed the following day and this was more than a year ago and again a one off occurrence. we do not have any rubbish building up outside our premises any more.

If you ever need to see our cctv cameras to see our waste build up or how we dispose of it, please do come and visit we will show footage on demand.

I hope this can satisfy your concerns and that we do take the conditions of the licensing seriously. We are always happy to help the police for any investigations and we have actively helped the police in different ways when they have visited us and needed any help from us.

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at 550 Kingsland Road, E8 4AH for the following reason(s);

The premises is located on a major road in the middle of the Dalston SPA. The Council's Licensing Policy under LP10 requires that the applicant demonstrates that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. Should the applicant be able to demonstrate that the premises will not add to the cumulative impact then core hours should be considered. Police do not believe that the applicant has adequately demonstrated that the venue will not have a cumulative impact on the area, or detailed sufficient measures to mitigate any such impact.

The hours requested by the applicant are far outside those given in LP3 as core hours as it requests licensable activity until 0400hrs throughout the week.

Police are aware that there have been occasions when the Council's Licensing enforcement team have found the venue to be operating without a licence.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The premises is located in the Dalston Special Policy Area (Dalston SPA), the Dalston SPA has been designated as such due to the impact of the number of premises within the area and their impact on the licensing objectives as well as the local amenity.

“LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council’s policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- *quality and track record of the management;*
- *good character of the applicant; and*
- *extent of any variation sought*

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.”

The applicant is seeking a licence to operate until 04:00 every day for the purpose of late night refreshment. The hours sought are far in excess of the ‘Core Hours’ set out in the Hackney Council Licensing Policy LP3. The Licensing Authority are concerned that operating the premises with the hours sought may lead to the Licensing Objectives being undermined, in particular the Prevention of Public Nuisance licensing objective.

The applicant has not offered any conditions and/or management plans that relate to the use of delivery drivers that frequent the premises. How would the operator manage this given the late opening hours sought.

The Licensing Authority also has some concerns about the management of the premises, this is due to the fact that the premises has previously been found operating without any licence. The premises were found operating at approximately 02:06 on 10th September 2022, Officers carried out a test purchase to confirm trading and advised the staff regarding the requirement for a premises licence to operate at that time.

The premises were then found operating again at 23:32 on 16th September 2022. The staff were again advised about the requirement to hold a premises licence to provide late night refreshment, the visits were followed up with a warning letter to the operator.

At 00:25 on the 23rd October 2022, the premises was again found operating without the authorisation required for late night refreshment. A formal letter was again sent to the operator of the premises.

Whilst the Licensing Authority welcomes the application in an attempt to regularise the operation of the premises, we still hold concerns about the ability of the operator/management to comply with any licence, as outlined above, the operator has previously failed to operate the site in accordance with the Licensing Act 2003.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

The applicant should consider the matters outlined above and propose a robust set of conditions and mitigations to promote the Licensing Objectives.
The applicant should consider if they are prepared to reduce the hours sought.
Further discussion with the applicant may be required, the Licensing Authority are prepared to discuss the application with the applicant.

ENVIRONMENTAL LICENCE CONDITIONS IN RESPECT OF

550 Kingsland Road, London E8 4AH

1. The Licensee shall ensure that all relevant staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominent place where it can be referred to at all times by staff.
2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. The Licensee's premises are situated in an area within which refuse may only be left on the public highway at certain times (time bands). If the Licensee's waste carrier cannot or does not comply by collecting the refuse within an hour after the close of any time band imposed by the waste authority, the Licensee must remove the refuse from the public highway and/or keep it within the premises until such time as his/her waste carrier arrives to collect the refuse.
4. The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.
6. The current trade waste agreement/duty of care waste transfer document shall be conspicuously displayed and maintained in the window of the premises where it can be conveniently seen and read by persons standing in 550 Kingsland Road, E8.

This should remain unobstructed at all times and should clearly identify:-

- the name of the registered waste carrier
- the date of commencement of trade waste contract
- the date of expiry of trade waste contract
- the days and times of collection
- the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Regarding a proposed late-night licence application [until 4:00am, 7 days a week] for [550 Kingsland Road](#).

As a resident and owner at [REDACTED] [Kingsland Road](#), this is of some interest and possible concern. The premises I understand this to be is the small pizza bar, but is there any more information available about the intentions of this premises?

I'm not against late-night licensing in theory, however, there are concerns that this small premises will attract [very] late-night drinkers into what is also a residential area – where is it proposed the alcohol/refreshments purchased here will be consumed? On the street? Is this to be converted into a late-night bar? Or will it be purely a takeaway scenario – buy a beer with your pizza kind of thing?

We have already been subjected to anti-social behaviour, literally on our doorstep, including harassment, urination, theft and vomiting, thus my concerns about alcohol being served in such close proximity for such protracted hours, 7 days a week, here are valid.

Any additional information you can provide and updates on the progress of this application would be appreciated.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **full** birth or adoption certificate issued in the UK which includes the name(s) of at least one of the holder's parents or adoptive parents, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of an EEA state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the EEA national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Please find attached the new modified drawing that we believe will address the concerns raised.

The applicant has reduced the alcohol shelving space. He is also happy to have a condition attached that restricts sales of alcohol with food orders only. This is to apply to all sales of alcohol, on and off the premises. I would like to note that for a café, this store is not expected to have high volumes of deliveries, nowhere near to what a pizza deliveries or other businesses that fully rely on take-away sales normally have. Nor is it expected to have large numbers of customers in the late hours. It is a café, concentrating predominantly on breakfast and lunch trade. Dinner sales will be minimal. They will only be enough to cover the bills. Shortening those hours will only lead to shortening the employees shifts and as a result affecting their wages. Nothing else will be achieved by it.

The applicant is happy to maintain a good relationship with the residents as he is well aware that they – residents – will be his main customers. He has no incentive in alienating the people his business will rely on. The applicant will welcome any of the resident to contact him at any point for any concerns they may have, now or any time in the future.

We would be grateful if this information is relayed back to the objectors and hope to move on following their withdrawal from representations.

Kind Regards,

Ozlem Has

Dear Sir/Madam

We are writing to show our concern regarding the application made by;
The Barrel Boul/Angeria
[6 Whitmore Road](#)
[Hoxton](#)
N1 5DT

The application is to serve alcohol on and off the premises and our concern is that the area is a quiet residential area and this might cause some noise problems in the evening.
Are there any possibilities to restrict the hours they can serve alcohol?
Would be appreciated if this is taken into account when the application is reviewed.

Representations - The Barrel Boulangeria N1 5DT

Hello

I would like to express my concerns over the present application by Mustafa Asian to the Licensing Authority of London Borough of Hackney for a Premises Licence in respect of the premises known as The Barrel Boulangeria at 6 Whitmore road, Hoxton, N1 5DT for the licensable activities:
the sale by retail of alcohol on and off premises from 7am to 23.00 Monday to Sunday.

Sale of alcohol after 7pm would encourage noise, disorder and public nuisance in a residential area. The premises is based on the ground floor of a residential building and the noise late at night would cause great nuisance.

I would limit the sale of alcohol to not later than 7pm.

Thank you

Whitmore road
