### Public Attendance

Following the lifting of all Covid-19 restrictions by the Government and the Council updating its assessment of access to its buildings, the Town Hall is now open to the public and members of the public may attend meetings of the Council.

We recognise, however, that you may find it more convenient to observe the meeting via the live-stream facility, the link for which appears on the agenda front sheet.

We would ask that if you have either tested positive for Covid-19 or have any symptoms that you do not attend the meeting, but rather use the livestream facility. If this applies and you are attending the meeting to ask a question, make a deputation or present a petition then you may contact the Officer named at the beginning of the Agenda and they will be able to make arrangements for the Chair of the meeting to ask the question, make the deputation or present the petition on your behalf.

The Council will continue to ensure that access to our meetings is in line with any Covid-19 restrictions that may be in force from time to time and also in line with public health advice. The latest general advice can be found here - <https://hackney.gov.uk/coronavirus-support>

## Rights of Press and Public to Report on Meetings

The Openness of Local Government Bodies Regulations 2014 give the public the right to film, record audio, take photographs, and use social media and the internet at meetings to report on any meetings that are open to the public.

By attending a public meeting of the Council, Executive, any committee or sub-committee, any Panel or Commission, or any Board you are agreeing to these guidelines as a whole and in particular the stipulations listed below:

- Anyone planning to record meetings of the Council and its public meetings through any audio, visual or written methods they find appropriate can do so providing they do not disturb the conduct of the meeting;
- You are welcome to attend a public meeting to report proceedings, either in 'real time' or after conclusion of the meeting, on a blog, social networking site, news forum or other online media;
- You may use a laptop, tablet device, smartphone or portable camera to record a written or audio transcript of proceedings during the meeting;
- Facilities within the Town Hall and Council Chamber are limited and recording equipment must be of a reasonable size and nature to be easily accommodated.
- You are asked to contact the Officer whose name appears at the beginning of this Agenda if you have any large or complex recording equipment to see whether this can be accommodated within the existing facilities;
- You must not interrupt proceedings and digital equipment must be set to 'silent' mode;
- You should focus any recording equipment on Councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure to respect the wishes of those who do not want to be filmed and photographed may result in the Chair instructing you to cease reporting or recording and you may potentially be excluded from the meeting if you fail to comply;
- Any person whose behaviour threatens to disrupt orderly conduct will be asked to leave;
- Be aware that libellous comments against the council, individual Councillors or officers could result in legal action being taken against you;
- The recorded images must not be edited in a way in which there is a clear aim to distort the truth or misrepresent those taking part in the proceedings;
- Personal attacks of any kind or offensive comments that target or disparage any ethnic, racial, age, religion, gender, sexual orientation or disability status could also result in legal action being taken against you.

Failure to comply with the above requirements may result in the support and assistance of the Council in the recording of proceedings being withdrawn. The Council regards violation of any of the points above as a risk to the orderly conduct of a meeting. The Council therefore reserves the right to exclude any person from the current meeting and refuse entry to any further council meetings, where a breach

of these requirements occurs. The Chair of the meeting will ensure that the meeting runs in an effective manner and has the power to ensure that the meeting is not disturbed through the use of flash photography, intrusive camera equipment or the person recording the meeting moving around the room.

## Advice to Members on Declaring Interests

If you require advice on declarations of interests, this can be obtained from:

- The Monitoring Officer;
- The Deputy Monitoring Officer; or
- The legal adviser to the meeting.

It is recommended that any advice be sought in advance of, rather than at, the meeting.

## Disclosable Pecuniary Interests (DPIs)

You will have a Disclosable Pecuniary Interest (\*DPI) if it:

- Relates to your employment, sponsorship, contracts as well as wider financial interests and assets including land, property, licenses and corporate tenancies.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to DPIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner.
- Relates to an interest which should be registered in that part of the Register of Interests form relating to DPIs, but you have not yet done so.

If you are present at any meeting of the Council and you have a DPI relating to any business that will be considered at the meeting, you **must**:

- Not seek to improperly influence decision-making on that matter;
- Make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent; and
- Leave the room whilst the matter is under consideration

You **must not**:

- Participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business; or
- Participate in any vote or further vote taken on the matter at the meeting.

If you have obtained a dispensation from the Monitoring Officer or Standards Committee prior to the matter being considered, then you should make a verbal declaration of the existence and nature of the DPI and that you have obtained a dispensation. The dispensation granted will explain the extent to which you are able to participate.

## Other Registrable Interests

You will have an 'Other Registrable Interest' (ORI) in a matter if it

- Relates to appointments made by the authority to any outside bodies, membership of: charities, trade unions,, lobbying or campaign groups, voluntary organisations in the borough or governorships at any educational institution within the borough.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to ORIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner; or
- Relates to an interest which should be registered in that part of the Register of Interests form relating to ORIs, but you have not yet done so.

Where a matter arises at any meeting of the Council which affects a body or organisation you have named in that part of the Register of Interests Form relating to ORIs, **you must** make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

## Disclosure of Other Interests

Where a matter arises at any meeting of the Council which **directly relates** to your financial interest or well-being or a financial interest or well-being of a relative or close associate, you **must** disclose the interest. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Where a matter arises at any meeting of the Council which **affects** your financial interest or well-being, or a financial interest or well-being of a relative or close associate to a greater extent than it affects the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision and a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you **must** declare the interest. You **may** only speak on the matter if members of the public are able to speak. Otherwise you must not take part in any discussion or voting on the matter and must not remain in the room unless you have been granted a dispensation.

In all cases, where the Monitoring Officer has agreed that the interest in question is a **sensitive interest**, you do not have to disclose the nature of the interest itself.

### COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The Licensing Authority has considered the application and raise the following points.

The application seeks hours for licensable activity beyond those set out in the Licensing Policy LP3. The Licensing Authority are concerned that this may lead to the Prevention of Public Nuisance Licensing objective being undermined.

The Licensing Authority notes "Off sales" of alcohol are also being applied for, the application suggests that the sales will only be in a sealed container. Would the applicant be prepared to regulate this activity via condition.

The application describes the premises as "Brunch spot", with this in mind would the applicant consider limiting alcohol sales to table meals and takeaway meals only. The Licensing Authority would also like the applicant to consider the non-promotion of bottomless brunches in order to promote the licensing objectives.

The Licensing Authority believes the applicant should consider the addition of the following condition(s)/amendments.

- *Alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are taking substantial table meals and that the consumption of alcohol by such persons is ancillary to taking such meals. The supply of alcohol shall be by waiter or waitress service only.*
- *Alcohol supplied for Off Sales shall be in sealed containers and sold in conjunction with Take away delivery meals only.*
- *There shall be no "bottomless brunch" events and/or promotions , this includes events and/or promotions where unlimited alcohol is supplied.*
- *Challenge 25 scheme.*
- *The hours sought in the application should be brought into alignment with the LP3 Core Hours Licensing Policy.*

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

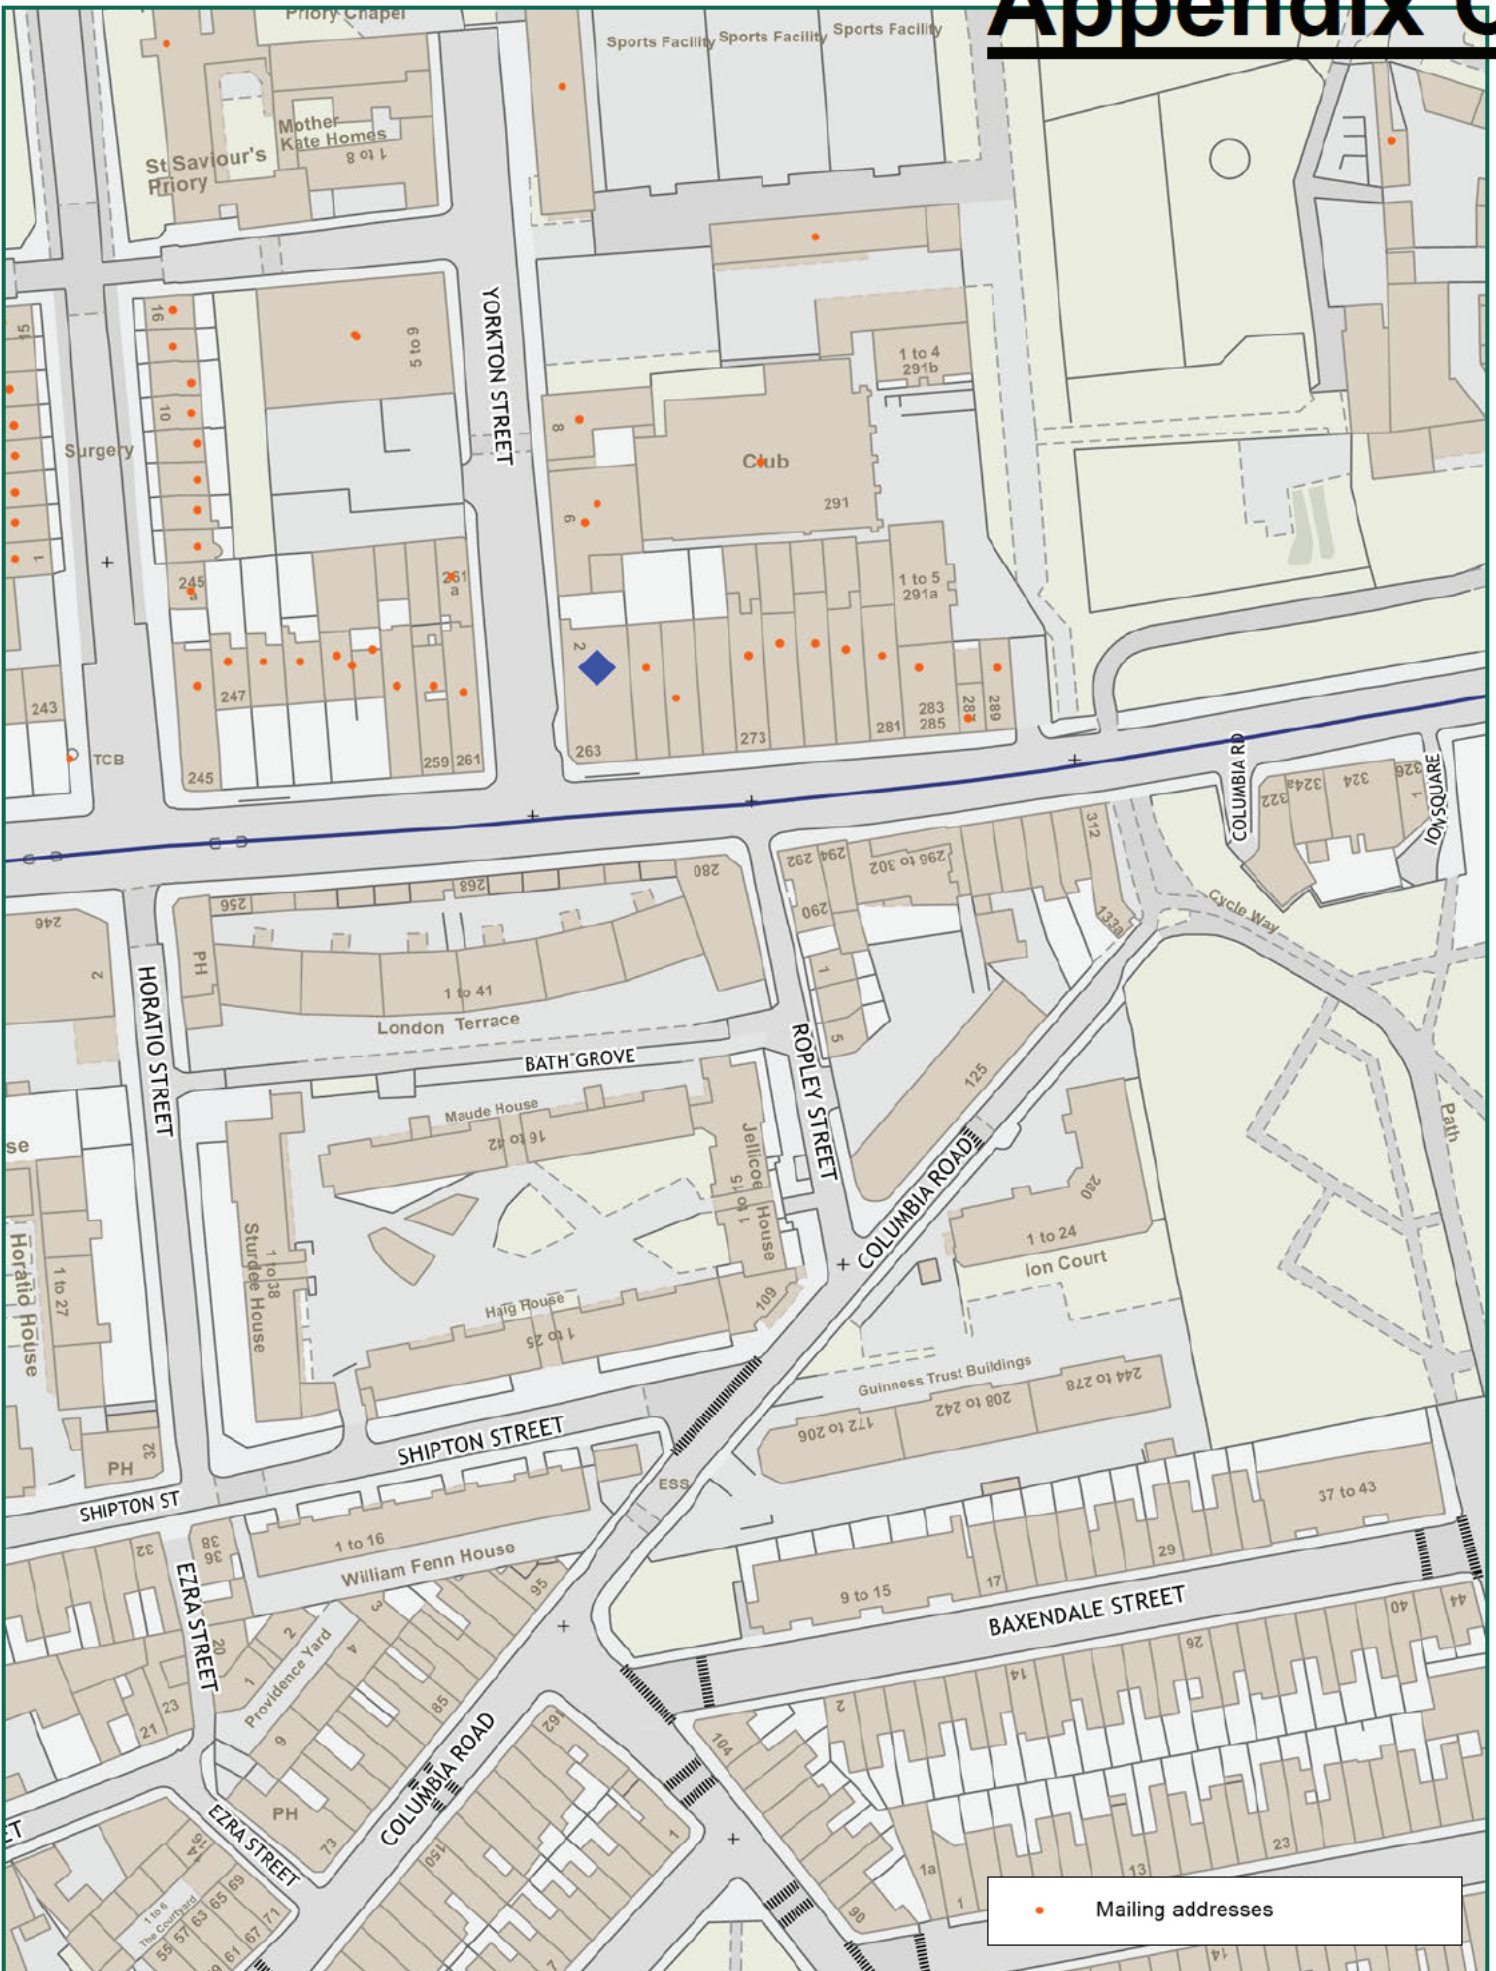

The applicant should consider reducing the hours sought to hours that fit within the Core Hours Policy LP3.

The applicant should consider if they would be prepared to amend the application to include the suggestions of the Licensing Authority.

The Licensing Authority is happy to discuss the application with the applicant.

**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

The proposed annual one-day event is to be staged by the Premises Licence Holder (Krankbrother Ltd) who have extensive experience in staging similar events.

The Premises Licence Holder will provide an Event Management Team consisting of competent staff who will liaise with the licensing authority, residents, and other stakeholders in advance of the event and will manage the live event operation with priority given to the promotion of the licensing objectives.

Specifically, this team will include personnel with responsibility for event safety, security, audience medical/welfare arrangements, site cleaning and noise control.

Details of the event arrangements, particularly in relation to the promotion of the licensing objectives will be documented in an Event Safety Management Plan which will be provided in advance to the Licensing Authority for circulation amongst relevant stakeholders for review and comment.

Members of the Event Management Team will engage in advance of the event with responsible authorities and other stakeholders as requested and will be available throughout the event as required.

The event will take place with a fenced perimeter to control access and manage event capacity. Where residents require access to premises this will be facilitated via agreement with the Premises Licence Holder. Access will be controlled via ticketing and accreditation and managed by SIA licensed security staff at entry and egress points.

Event Management staff and team members will be connected via handheld two-way radios to assist effective communications across the site.

**b) The prevention of crime and disorder**

The Premises Licence Holder will take proactive and reactive measures to prevent crime and disorder, including, but not limited to;

Publicising in advance entry restrictions, crime reduction messages and advice on event security, medical and welfare arrangements.

Engaging in advance of the event with responsible authorities including Metropolitan Police Service on crime and disorder prevention matters.

Deploying an appropriate number of SIA licensed security staff throughout the site, provided by a competent crowd management/security company.

Directing their security provider to deploy staff to manage and monitor the audience in key locations including front of stage, bars, site entrance, emergency exits and circulation spaces.

Directing their security provider to deploy staff to operate and enforce entry procedures under the direction of the Premises Licence Holder including;

- restrictions on items that may be brought into the event,
- conducting bag and other proportionate and legitimate searches as a condition of entry to the date,
- exercising the right to refuse entry to any unauthorised/disorderly person.

Ensuring that bars staff have been fully briefed on the Challenge 25 policy in operation, are familiar with on reasons for refusal of service and understand how to seek assistance from bars management/security staff.

Ensuring that signage advising customers of the Challenge 25 policy is in operation is prominently displayed at each bar.

Ensuring that no supply of alcohol shall take place at any bar unless a personal licence holder is present in a supervisory capacity.

### **c) Public safety**

The Premises Licence Holder will take proactive measures to promote public safety, including, but not limited to;

Employment of an Event Safety Officer to oversee build, event and de-rig.

Provision of free drinking water supplies

Access to an appropriate number of toilets for public and workers throughout the event.

Protection of audience & staff from noise via volume control, exposure management and provision of ear plugs

Installation of a front of stage barrier to assist in crowd management.

Adoption of food hygiene standards and catering safety arrangements by food vendors

Provision of competent persons to install and operate generators and temporary power supplies.

Provision of competent persons to install and operate event infrastructure including temporary structures and sound equipment.

Monitoring of crowd movement and dynamics by competent persons with authority to take corrective measures if required.

Provision of fire precautions including the adequate numbers of emergency exits, appropriate levels of fire-fighting equipment and access for emergency vehicles including fire appliances

Production and dissemination of emergency arrangements including the provision of show stop procedures, evacuation plans and other contingency measures.

Provision of an on-site Medical/Welfare Team with trained and experienced staff available to care for ill, intoxicated, or vulnerable persons until they are ready to leave safely.

### **d) The prevention of public nuisance**

The Premises Licence Holder will take proactive and reactive measures to prevent public nuisance, including, but not limited to;

Providing pre-event information to local businesses and residents including details of the event and contact information for the Event Management Team.

Engaging with local businesses and residents on maintaining access to premises and mitigating any potential disruption.

Providing an event 'hotline' so local businesses and residents may contact the Event Management Team during the event.

Providing sound engineers to monitor sound levels on and off site, and take corrective action as required.

Providing on site waste bins and litter pickers. Arranging for post event cleaning of the event site and surrounding areas.

Directing security staff to ensure customers do not leave the event with food/drinks and use the litter bins provided.

Advising customers to leave the event and surrounding area quickly and quietly, whilst behaving respectfully.

Not undertaking any flyposting or post-event leafletting in connection with the event.

#### e) The protection of children from harm

The event is advertised for over 18's, and is programmed to appeal to an audience of 25+ year olds.

The event is contained within a fenced perimeter with access through a security staff controlled entry point.

ID checks will place on entry, and at bars as required. Persons without satisfactory identification will be refused entry or service of alcohol. - 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

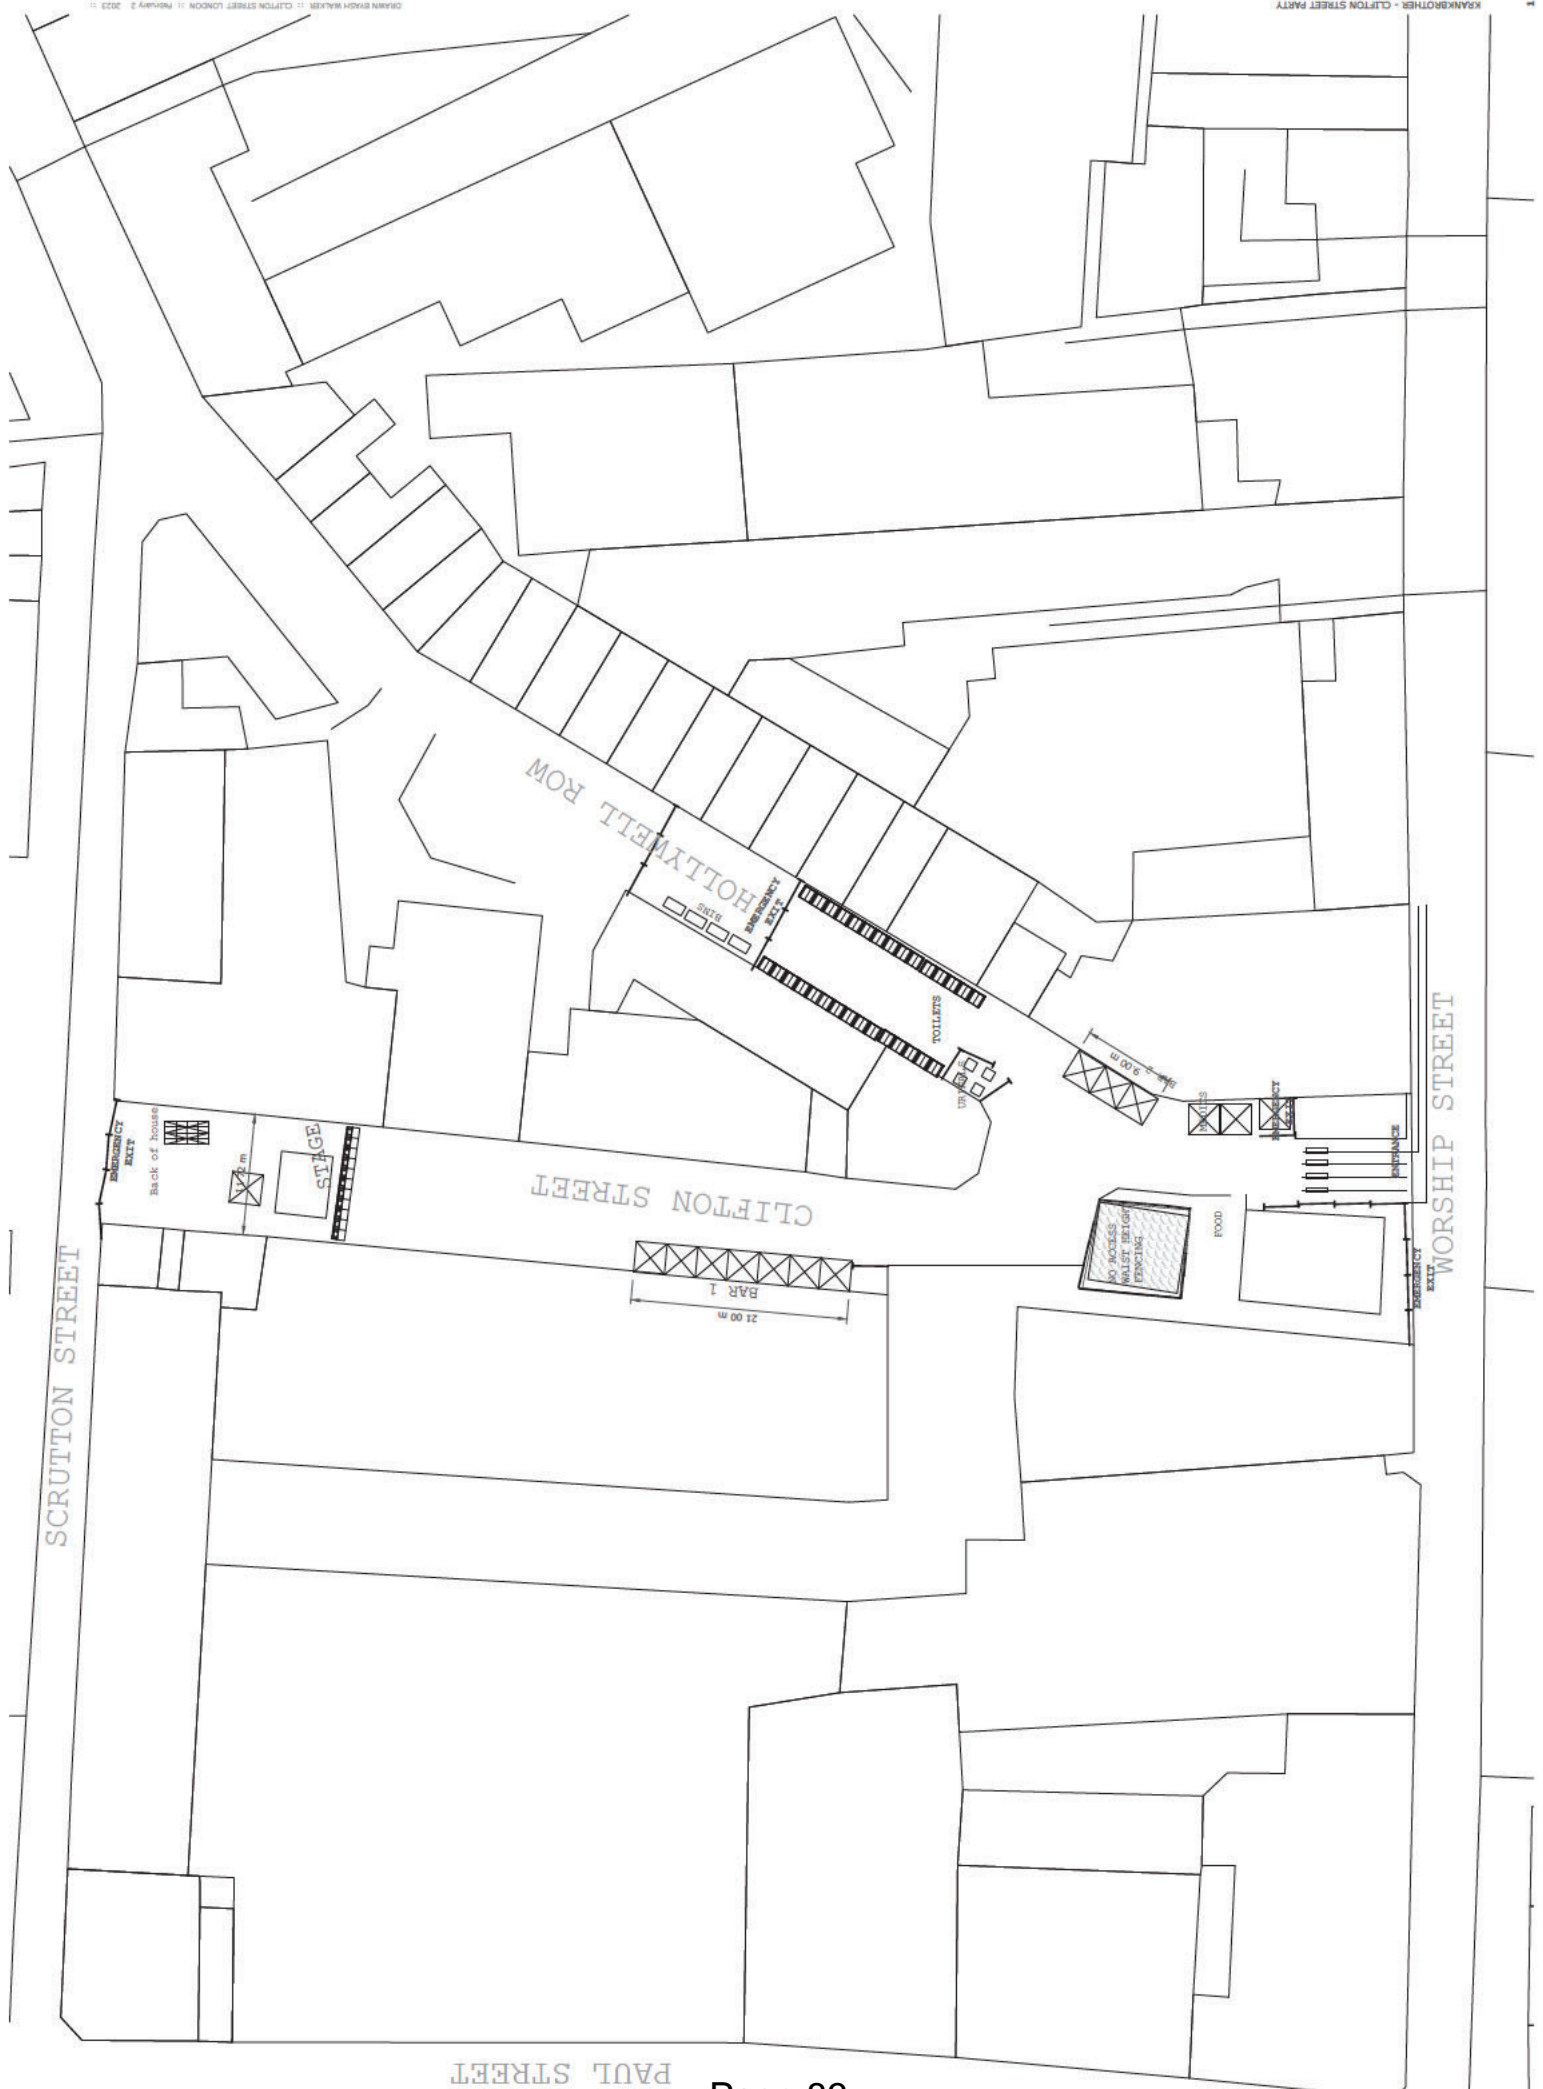

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which,

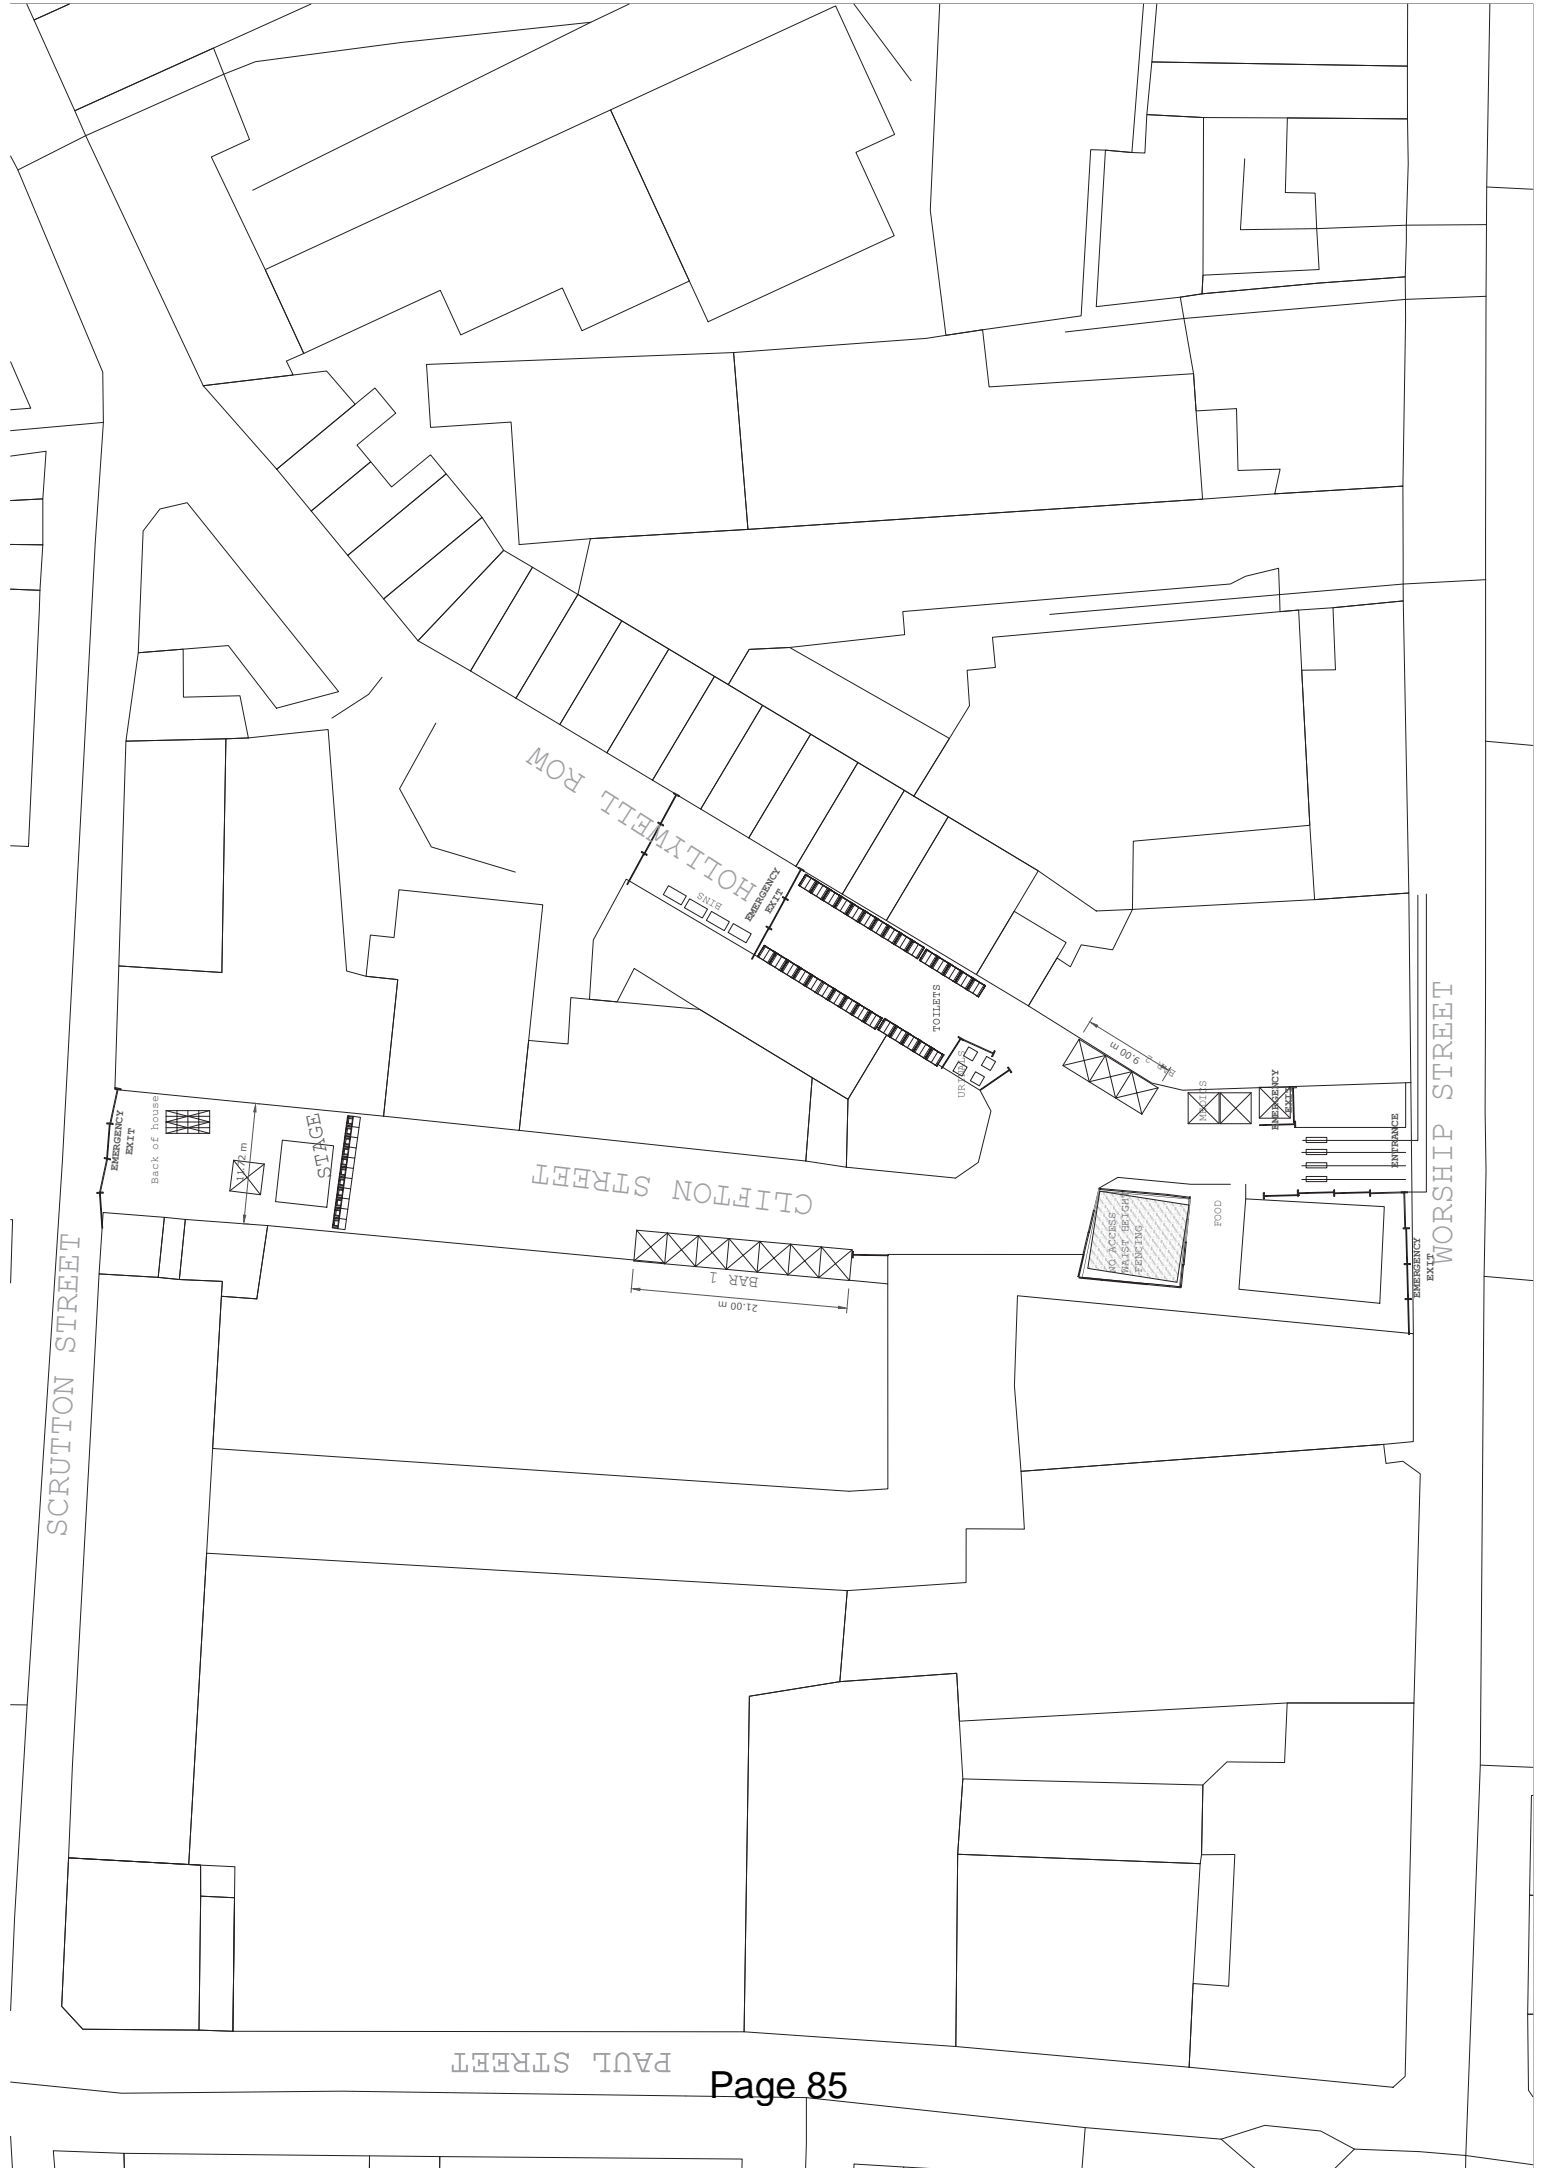

along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Krankbrother Limited ("the Applicant"): Application for a Premises Licence at Clifton Street, Hackney, EC2A 4AX [GSC=M1040-6]  
To: [Licensing@hackney.gov.uk](mailto:Licensing@hackney.gov.uk) <[Licensing@hackney.gov.uk](mailto:Licensing@hackney.gov.uk)>

Dear Sir/Madam,

I am writing as a consequence of the Application for a Premises Licence to be granted under the Licensing Act 2003 (above) made by Krankbrother Limited; that notice states that Krankbrother Limited wish to change their current licence to incorporate **two** events per year (as opposed to one) "... **relevant in the activities categorisation performance of dance, recorded music and supply of alcohol**".

The "premises" in question and the details are described as:

***Clifton Street between Worship Street and Scrutton Street and Holywell Row between Scrutton Street and Worship Street. The premises is a temporary one day event space for 2000 persons and would be created by fence lines that encompass the public highway of both these sections of Clifton and Holywell Row as per the attached site plan. Event infrastructure within the site perimeter would include a stage, sound system, bars, toilets, entrance gates and first aid post.***

I am instructed by a number of local freeholders, tenants and occupiers who have been adversely affected by the Krankbrother Limited events to date, and who occupy premises in Christopher Street, Clifton Street and Dysart Street.

Please therefore note:

- I am instructed to **object** to the application by Krankbrother Limited to vary their current licence to host events on Clifton Street.

- In relation to the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm), my clients have been prepared to tolerate to date the obvious breaches of those objectives in relation to just **one** event a year, which has caused considerable public order issues (because of crowds and apparent substance abuse), safety issues (because of crowds) and public nuisance (because of noise and closure of public highways); however, the doubling of those problems gives rise to an intolerable adverse impact in relation to those objectives.
- The premises occupied by my clients need access on a 24/7 basis. During previous events there have been very real difficulties in gaining access to their own premises, and obvious breaches of the four licensing objectives.
- If the variation is granted, then "splitting" the location to dilute the adverse consequences is the "*least worst*" way for these events to take place; however, the best way forward – bearing in mind the four licensing objectives – is to **refuse the application**.

Please therefore treat this as a formal objection to the variation of the terms of the licence.

*I would be grateful if you could acknowledge this objection, and inform me of the progress / outcome of the application; if it is referred to Committee in due course I would like to register to speak.*

Regards,

RE: Krankbrother Ltd Application to Vary a Premises Licence at Clifton Street, Hackney, EC2A 4AX ("Applicant")  
I am writing to formally object to the application made by KRANKBROTHER LTD. to amend their current license to hold events on Clifton Street. Notice attached.

I am the Managing Director of , located at  [Dysart street EC2A 2BX](#) and  located at  [Clifton Street EC2A 2BS](#). I am aware that the closure of the streets is currently permitted once a year and causes significant disruption to my business, we currently have to close the business during the event. However, to have to close our business for 2 days is totally unacceptable, we are an operating hospitality business operating Monday to Saturday 52 weeks of the year. Krankbrother Ltd request to close the Dysart and Clifton Street locations will result in severe losses to our business and we will take legal action to protect our rate paying business. We require full access to our business all day on a Saturday.

We kindly ask you to reject the application based on the severe negative and damaging effect it will have on our business

Thank you
