## Public Attendance

The Town Hall is open. Members of the public and representatives of the press are entitled to attend Council meetings and remain and hear discussions on matters within the public part of the meeting. They are not, however, entitled to participate in any discussions.

On occasions part of the meeting may be held in private and will not be open to the public. This is if an item being considered is likely to lead to the disclosure of exempt or confidential information in accordance with Schedule 12A of the Local Government Act 1972.

For further information, including public participation, contact: [governance@hackney.gov.uk](mailto:governance@hackney.gov.uk)

## Rights of Press and Public to Report on Meetings

The Openness of Local Government Bodies Regulations 2014 give the public the right to film, record audio, take photographs, and use social media and the internet at meetings to report on any meetings that are open to the public.

By attending a public meeting of the Council, Executive, any committee or sub-committee, any Panel or Commission, or any Board you are agreeing to these guidelines as a whole and in particular the stipulations listed below:

- Anyone planning to record meetings of the Council and its public meetings through any audio, visual or written methods they find appropriate can do so providing they do not disturb the conduct of the meeting;
- You are welcome to attend a public meeting to report proceedings, either in 'real time' or after conclusion of the meeting, on a blog, social networking site, news forum or other online media;
- You may use a laptop, tablet device, smartphone or portable camera to record a written or audio transcript of proceedings during the meeting;
- Facilities within the Town Hall and Council Chamber are limited and recording equipment must be of a reasonable size and nature to be easily accommodated.
- You are asked to contact the Officer whose name appears at the beginning of this Agenda if you have any large or complex recording equipment to see whether this can be accommodated within the existing facilities;
- You must not interrupt proceedings and digital equipment must be set to 'silent' mode;
- You should focus any recording equipment on Councillors, officers and the public who are directly involved in the conduct of the meeting. The Chair of the meeting will ask any members of the public present if they have objections to being visually recorded. Those visually recording a meeting are asked to respect the wishes of those who do not wish to be filmed or photographed. Failure to respect the wishes of those who do not want to be filmed and photographed may result in the Chair instructing you to cease reporting or recording and you may potentially be excluded from the meeting if you fail to comply;

- Any person whose behaviour threatens to disrupt orderly conduct will be asked to leave;
- Be aware that libellous comments against the council, individual Councillors or officers could result in legal action being taken against you;
- The recorded images must not be edited in a way in which there is a clear aim to distort the truth or misrepresent those taking part in the proceedings;
- Personal attacks of any kind or offensive comments that target or disparage any ethnic, racial, age, religion, gender, sexual orientation or disability status could also result in legal action being taken against you.

Failure to comply with the above requirements may result in the support and assistance of the Council in the recording of proceedings being withdrawn. The Council regards violation of any of the points above as a risk to the orderly conduct of a meeting. The Council therefore reserves the right to exclude any person from the current meeting and refuse entry to any further council meetings, where a breach of these requirements occurs. The Chair of the meeting will ensure that the meeting runs in an effective manner and has the power to ensure that the meeting is not disturbed through the use of flash photography, intrusive camera equipment or the person recording the meeting moving around the room.

## Advice to Members on Declaring Interests

If you require advice on declarations of interests, this can be obtained from:

- The Monitoring Officer;
- The Deputy Monitoring Officer; or
- The legal adviser to the meeting.

It is recommended that any advice be sought in advance of, rather than at, the meeting.

### Disclosable Pecuniary Interests (DPIs)

You will have a Disclosable Pecuniary Interest (\*DPI) if it:

- Relates to your employment, sponsorship, contracts as well as wider financial interests and assets including land, property, licenses and corporate tenancies.
- Relates to an interest which you have registered in that part of the Register of Interests form relating to DPIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner.
- Relates to an interest which should be registered in that part of the Register of Interests form relating to DPIs, but you have not yet done so.

If you are present at any meeting of the Council and you have a DPI relating to any business that will be considered at the meeting, you **must**:

- Not seek to improperly influence decision-making on that matter;
- Make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent; and
- Leave the room whilst the matter is under consideration

You **must not**:

- Participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business; or
- Participate in any vote or further vote taken on the matter at the meeting.

If you have obtained a dispensation from the Monitoring Officer or Standards Committee prior to the matter being considered, then you should make a verbal declaration of the existence and nature of the DPI and that you have obtained a dispensation. The dispensation granted will explain the extent to which you are able to participate.

### Other Registrable Interests

You will have an 'Other Registrable Interest' (ORI) in a matter if it

- Relates to appointments made by the authority to any outside bodies, membership of: charities, trade unions,, lobbying or campaign groups,

voluntary organisations in the borough or governorships at any educational institution within the borough.

- Relates to an interest which you have registered in that part of the Register of Interests form relating to ORIs as being an interest of you, your spouse or civil partner, or anyone living with you as if they were your spouse or civil partner; or
- Relates to an interest which should be registered in that part of the Register of Interests form relating to ORIs, but you have not yet done so.

Where a matter arises at any meeting of the Council which affects a body or organisation you have named in that part of the Register of Interests Form relating to ORIs, **you must** make a verbal declaration of the existence and nature of the DPI at or before the consideration of the item of business or as soon as the interest becomes apparent. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

### **Disclosure of Other Interests**

Where a matter arises at any meeting of the Council which **directly relates** to your financial interest or well-being or a financial interest or well-being of a relative or close associate, you **must** disclose the interest. **You may** speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

Where a matter arises at any meeting of the Council which **affects** your financial interest or well-being, or a financial interest or well-being of a relative or close associate to a greater extent than it affects the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision and a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you **must** declare the interest. **You may** only speak on the matter if members of the public are able to speak. Otherwise you must not take part in any discussion or voting on the matter and must not remain in the room unless you have been granted a dispensation.

In all cases, where the Monitoring Officer has agreed that the interest in question is a **sensitive interest**, you do not have to disclose the nature of the interest itself.
