

Come along to your local **Ward Forum!**

Your chance to meet your councillors,
raise local issues and explore opportunities
to improve your area

Date and time: Tuesday 23rd October, 7:30 pm

Location: St John's Ambulance Hall,
Mildenhall Road, London, E5 0RU

Fully accessible venue. Refreshments provided

Come and meet other local residents and Councillors to discuss local issues and work together on things that matter in your community.

Leabridge Ward Forum is replacing the old "North East Neighbourhood Committee". It's much more local to our area and is designed to give you an opportunity to share ideas for improving things and with one another and your Councillors.

It doesn't have to be always about Council services but our main focus is Clapton and Hackney. If you've got a particular idea in mind we can discuss how it might be moved forward. Often there are already groups and people working on issues in the area who you can go and work with.

You can also contact your councillors at other times at surgeries, through email, by post and by mobile phone, details published in Hackney Today and on the Council website..
