## **LEABRIDGE WARD FORUM**

Come and meet other local residents and Councillors to discuss local issues and work together on things that matter in your community.

Councillors from King's Park Ward will also be attending this meeting for a discussion about the use of Glenarm Road for Street Play activities, and other local issues that affect both wards.

Ward Forums have replaced the old "North East Neighbourhood Committee". It's much more local to our area and is designed to give you an opportunity to share ideas for improving things and with one another and your Councillors.

You can also contact your councillors at other times at surgeries, through email, by post and by mobile phone, details published in Hackney Today and on the Council website.
