

Inner North East London Joint Health Overview and Scrutiny Committee

17 February 2014

Proposed move of Moorfields' Eye Hospital

Item No

6

Outline

Moorfields' Eye Hospital NHS Foundation Trust proposes to move its main hospital from its existing site in City Road in Islington to a new site in the King's Cross/Euston area.

The Trust is required to consult the relevant local health overview and scrutiny committees as this would constitute a substantial variation. Although the hospital is based in the NCL JHOSC area it takes patients from across London.

The Trust has provided the following data on the referrals relevant to INEL boroughs.

The total referrals by CCG and those who are seen at City Road:

	Total Referrals 2012-13	City Road Referrals 2012-13
City And Hackney	5,375	4,225
Tower Hamlets	3,811	2,450
Newham	3,129	2,134

Attached is their consultation document on the proposed move and attending the meeting to answer Members' questions will be Rob Elek, Director of Strategy and Business Development

Action

The Committee is requested to give consideration to proposal.
