

<b>Cazenove Ward Forum</b> 6 <sup>th</sup> March 2014 <b>Traffic on Alkham, Osbaldeston and Kyverdale Roads (Cazenove / Northwold Road)</b>	Item No  <b>2</b>
---	-------------------------

**Outline**

The paper enclosed details historical road safety interventions in the Cazenove Ward, and looks at potential achievable solutions to issues remaining.

The possibility for further interventions depends on the Council finding that there is a consensus of opinion amongst local residents that there are ongoing issues in the area.

This document should be used to structure the discussion at the Ward Forum.
