

Enforcement Budget Scrutiny Task and Finish Group 9 th September 2015 Item 6: Proposed Savings Areas for 2016 - 2017	Item No 6
---	-------------------------

Outline

This report outlines the cross-cutting enforcement programme and re-stating the purpose of the Council's different enforcement functions. It aims to re-align the enforcement function to better achieve the Council's aim, while dealing with the additional demand arising from an increased population and economic growth, and at the same time also making savings.

Action

The Task Group is asked to consider the report.
