

Governance & Resources Scrutiny Commission 20 th April 2016 Elections Update	Item No 5
---	-------------------------

Outline

Since the 2015 UK Parliamentary Election, a full review of how the election was organised and delivered has taken place. The lessons learnt and the feedback received has been analysed and changes put in place to deal with the shortcomings identified in the review.

In November 2015 the Commission received an update about this review and requested for an update about preparations for the 2016 London Mayoral Elections. Following this update the Commission was informed the following would be implemented:

- a new IT system
- a new team and management structure for the Elections Team.

Action

The Commission is asked to note the update and ask questions.
