The overall structure of the premises will be well maintained.

d) The prevention of public nuisance

Customers will be encouraged to leave the premises quietly.

- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application to vary the Premises Licence at L'EAU A LA BOUCHE, 35-37 BROADWAY MARKET, LONDON, E8 4PH for the following reason(s):

Broadway Market has become a very popular destination for people to meet and congregate. Over the past couple of years there has been an increase in the amount of licensed premises along this street and during the Summer and warmer months the street becomes incredibly busy. The crowds tend to stray into the road making it very difficult for people to pass the premises or for vehicles to drive down the street.

This particular premises had a licence granted for off sales of alcohol approximately 8 years ago, when this was a very different place. Police are concerned that should this application be granted, it will add to the problems already being experienced in this area. Police have been part of a few partnership working operations along Broadway Market to target anti social behaviour.

Police would like to know how the applicant intends to ensure that their customers having had a drink will not add to the existing problems and how they will ensure that the licensing objectives are promoted.

Police would also like further information on the following:

- What is the capacity of the venue inside and outside?
- What has changed in the way the business operates that requires the sale of alcohol on the premises?
- How long has this operator been at this venue?
- Police believe that 0800hrs is too early to be offering alcohol for sale on the premises and propose that alcohol sales start at 1000hrs.

The current premises licence is outdated and police propose the attached conditions to ensure the promotion of the licensing objectives.

The above representations are supported by the following evidence and information.

Application submitted

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
