**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b,c,d,e)** (please read guidance note 9)

Please see below, our outline for the premises. We hope that we have demonstrated our understanding of how we will promote the four licensing objectives re 20a Stamford Hill. Our main aim is to provide a community based space for all to enjoy that will not impact on the immediate residence, or prove to be a hindrance/public nuisance to the community at large. We intend to be part of the community, and in doing so all steps will be taken to ensure public safety and order. Rubbish from the premises will be recycled and cleared nightly. Smokers will be encouraged to do so with the minimum amount of noise and drinks will be consumed inside the premises (not outside).

**b) The prevention of crime and disorder**

We are marketing the premises to a mature clientele. That said we will serve alcoholic drinks with a glass of water  
 We will stop serving alcohol 45 minutes before the end of the night.  
 The attendees will be encouraged by SIA door operative to leave the premise with respect and consideration for the neighbourhood which is to be done quietly. My staff and I will liaise with local PCs and community support officer. We will promptly and readily CCTV available on request from local authorities

**c) Public safety**

CCTV is installed and will be operated to the correct standard in agreement with the Community Police.

We will stop serving alcohol 45 minutes before the end of the night.  
 All drinks will be served in CE stamped polycarbonate drinking vessels which is our standard.

The premises, relevant safety certificates are all in place and up to date.

Our SIA security operative will not allow persons into the premises if they are clearly

intoxicated. They will also be encouraged to leave quietly.

No drinks (apart from water) will be served to a person who is clearly intoxicated.

**d) The prevention of public nuisance**

Part of the premises has been sound proofed.  
we have a fair and zero policy of public miscontact and nuisance behaviour and will promptly and regularly liaise with police and local authorities.  
There is also a noise limiter planned.  
We will stop serving alcohol 45 minutes before the end of the night.  
The attendees will be encouraged by SIA door operative to leave the premise with respect for the neighbourhood.  
A free bottle of water will be provided when the club ends along with a lolly pop (people don't really speak when they have a lolly pop in their mouth)

**e) The protection of children from harm**

CCTV is installed and will be operated to the correct standard in agreement with the Community Police. Police will be informed if we suspect an adult

Staff will be vigilant and ensure Challenge 25 is adopted. We will register to participate in the voluntary test community purchases. We will adhere to The Proof of Age Standards Scheme (PASS).

Our staff will also be vigilant to ensure not adult is purchasing alcohol for a child under 25. Police will be informed if we suspect any adult of doing so.

### **ENVIRONMENTAL LICENCE CONDITIONS IN RESPECT OF The Kafeteria**

**The business is located in Stamford Hill, which is an area where waste is not allowed to be stored on the public highway for any length of time. Businesses have a legal requirement to ensure that they have adequate arrangements in place for the storage and disposal of waste generated by the business. Also there should be measures put in place to prevent littering to the detriment of the area.**

The above representations are supported by the following evidence and information.

**Information and Evidence** – There has been no reference made as to its waste storage and collection arrangements and consequential environmental impact. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban and that it is possible that glasses and bottles may be left outside by patrons.

Police make the following representations in relation to the application for a new Premises Licence at THE GRAVY, 20 STAMFORD HILL, LONDON, N16 for the following reason(s):

This venue is located on a main thoroughfare through the centre of Stoke Newington, Hackney. It is, however, opposite residential properties. The times requested in this application are very late and would mean that a crowd of people would be pouring onto the street during the early hours of the morning. Police are concerned that the late hour will cause unnecessary disturbance to the local residents.

This premises, have in the past, held events using TENs, and these events have run late into the night and early hours, however, there has only been a few (4) held this calendar year and each of these events have been risk assessed by the Hackney Police Licensing Unit . A Premises Licence would allow these events to be held every weekend, and as the application states, every other week day until 0230hrs for pop ups such as birthday parties, christenings, wakes etc.

LP12 of LBH Statement of Licensing policy states that ' In residential areas, the council will not normally grant licences beyond midnight, unless the applicant can demonstrate that operating hours beyond this will not cause undue disturbance to local residents'.

Police believe that the hours proposed in this application are excessive and will cause a nuisance to the residents once outside on the street. A person leaving a venue at this late hour will have undoubtedly consumed copious amounts of alcohol and will be drunk. Drunk customers become loud, boisterous, confrontational. They will find various spots to urinate, vomit and generally be a nuisance.

Police would like further information as follows:

- What is the capacity of the venue?
- Do you have a dispersal policy? If so, police would like a copy
- The application states that alcohol will cease 45 minutes before closing time. Why is this not reflected in the times for sale of alcohol proposed in the application?

Police have attached a set of conditions to be considered by the applicant. Police look forward to hearing from the applicant soon to arrange a site visit.

The above representations are supported by the following evidence and information.
