

Governance & Resources Scrutiny Commission 20 th February 2017 Commercialisation and Income Generation	Item No 7
---	---------------------

OUTLINE

The Government's public sector efficiency agenda has been operational since 2010. Councils have experienced a reductions in funding from central government since the commencement of this work programme. In response to the reductions in funding councils have been reviewing the potential for commercialisation and income generation activity.

The Commission asked the Council to provide information about services that have the potential for income generation - beyond increasing fees and charges – and to provide an overview of the Council's approach and work on income generation for services across the organisation and their potential for commercial activity.

ACTION

The Commission is requested to review the information presented and ask questions.
