3. REASONS FOR DECISION

- 3.2. PSIAS requires the Chief Audit Executive (or equivalent) to report functionally to a board and to communicate the internal audit service's performance relative to its plan and other matters. For the purposes of the PSIAS the Audit Committee has been designated the 'board'.

4.9 Risk Assessment

The work of Internal Audit was based upon a risk assessment which covers all areas of the Council's activity and is continually changing to reflect new initiatives, risk areas and legislation. There was also continuous reassessment of risk as audits were undertaken, plus regular consultation with directors, chief officers and senior managers to ensure that account was taken of any concerns they raised during the year.

5. COMMENTS OF THE GROUP DIRECTOR OF FINANCE AND CORPORATE RESOURCES

- 5.1. There are no financial implications arising from this report as the costs of providing the audit service are included within the Council's base budgets.

5.2 However, an effective audit service is important in order to ensure that key internal controls are assessed, thereby aiding the prevention and detection of fraud and other occurrences that could otherwise result in budget pressures.

6. COMMENTS OF THE DIRECTOR OF LEGAL

6.1. The Accounts and Audit Regulations 2015 place obligations on the Council to ensure that its financial management is adequate and effective and that it has a sound system of internal control which includes arrangements for management of risk. An adequate system of internal audit is inherent. This report demonstrates how the Council is fulfilling its obligations in this regard.

6.2 The Audit Committee is asked to note the report on Audit and Anti-Fraud's performance and opinion. There are no immediate legal implications arising from the report.
