Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the

Representations (which include comments and/or objections) in relation to:

Police make the following objections in relation to the application to vary the Premises Licence at RYAN'S BAR, 181 STOKE NEWINGTON CHURCH STREET, LONDON, N16 0UL for the following reason(s):

This premises licence was varied in the early months of 2016, during which hours were extended and new conditions adopted.

Police feel that the hours proposed in this application are too late. It may just be 30 minutes each day but the concerns police have are around the dispersal. Although the premises itself is on a High Street, every street, without exception, that leads away from this premises is residential. The later the closing time, the more the customers have had to drink and the louder they are as they leave. And increases the potential for ASB and drunken behaviour on the streets. The police feel that the hours already in place are late enough and should not be extended.

Police look forward to hearing from the applicant to discuss.

The above representations are supported by the following evidence and information.

Application submitted.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The premises is located in a mixed retail parade with residential premises above and opposite. LP12 of the Licensing Policy states 'In residential areas the Council will not normally grant licenses beyond midnight. The Council would expect premises wishing to trade for longer hours to site themselves in places where they will not create disturbances to residential accommodation, and will take a stricter approach to licensing hours in residential areas'.

It is noted that the existing hours on Friday, Saturdays and non-standard days are already beyond midnight and that the proposal would take the hours even further. This could potentially have a negative impact on the prevention of public nuisance objective.

The current hours were fairly recently approved by the Licensing Sub-Committee on 18 February 2016. I have attached a copy of the minutes to this representation.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

4 Licensing Sub-Committee Hearing Procedure

4.1 The Chair outlined the hearing procedure on page 1 of the agenda.

5 Variation to Premises Licence - Ryan's Bar, 181 Stoke Newington Church Street, N16 0UL

5.1 David Tuitt, Licensing Team Leader, introduced the report for a variation to a premises licence. David Tuitt explained that the Police and Licensing Authority had since withdrawn their representations following an agreement to conditions being added to the operating schedule. Representations remained from the Planning Authority and Other Person, however the Other Person was unable to attend the meeting. David Tuitt added that the amended layout plan was detailed on page 30 of the agenda.

5.2 Graham Hopkins, Agent, outlined the application on behalf of the applicant. The Agent explained that Gerard O'Sullivan, Applicant, had owned the business for the past 22 years and was also a local resident. The Applicant wished to vary the layout of the premises, replace conditions on the current licence and to extend the hours for recorded music, late night refreshment and sale of alcohol

- on Friday and Saturday to 00:30. He advised that the variation had come about following requests from customers to stay open later. There would be no amendment to the garden area which would continue to close at 10pm and the capacity of the venue would also remain the same.
- 5.3 The Agent reported that the Applicant had never had any issues with the police or other responsible authorities in the 22 years of owning the business and had agreed to the proposed conditions from the police and Licensing Authority. The police had requested a noise report and noise limiter to be installed at the venue. It was requested that the noise report be undertaken and a noise limiter installed after all of the refurbishment works at the premises had been completed. The Applicant would be applying to vary the conditions in order to comply with the planning permission.
- 5.4 The Applicant had previously spoken to the Other Persons. The Agent told the Sub-Committee that the Other Persons had since moved abroad and were therefore unable to attend the meeting. He had also written to them explaining the variation to the licence and added that his direct neighbours had not objected to the application.
- 5.5 In response to a question regarding the necessary noise works, the Applicant confirmed that he had a qualified environmental health officer on hand to carry out all of the required noise works once all of the refurbishment works at the premises had been completed. The Sub-Committee therefore requested that amendments be made to some of the conditions to specify that no regulated entertainment could take place at the venue until all recommendations within the report approved by the Pollution team were introduced into the premises.
- 5.6 Discussion took place surrounding the revisions to the layout of the premises and it was proposed that the bar area would be moved from the front of the venue to the middle to prevent overcrowding by the door. The toilets would be moved from the upstairs area to downstairs. The Applicant confirmed that there would be no difference in the overall capacity of the venue as a result of the proposed variations.
- 5.7 In response to a question regarding the internal alterations to the premises, the Senior Planning Officer advised that internal alterations did not normally require planning permission, however building regulations would still apply. The Applicant added that due to the age of the property and the fact that there were already two steps into the premises, there was limited scope to provide disabled access at the venue.
- 5.8 Barry Coughlan, Senior Planning Officer, outlined the representation from the Planning Authority. Barry Coughlan advised that the use of the premises at 181 Stoke Newington Church as a bar was authorised. He explained that the proposed extension of opening hours would exceed those permitted under planning permission ref. 2006/3016 for Friday and Saturday, which could result in a public nuisance and was contrary to policy LP1.
- 5.9 The Sub-Committee took into consideration the representations from Other Persons, as detailed on pages 36-38 of the agenda. The Applicant explained that this was the first he had heard about the issues of noise nuisance and

stated that he had previously offered to meet with the Other Persons to discuss the proposals and resolve any issues.

- 5.10 Councillor Lufkin made reference to LP12 – Licensing Hours, and asked the Applicant to justify operating hours beyond midnight. In response, the Agent said that he believed that little weight could be placed on the representation from Other Persons, given that it was just one household and they had, he said, since moved abroad. He added that the Applicant had been a good operator for the past 22 years and had never received any complaints during that time and the Pollution team had not objected to the application.
- 5.11 Discussion took place regarding the outside area at the front and it was explained that two wooden benches were located at the front of the premises and that there was already a condition in place for no alcohol to be permitted outside the front of the premises.
- 5.12 **RESOLVED** that:-

The Licensing Sub-Committee in considering this decision from the information presented to it within the report and at the hearing today has determined that having regard to the promotion of all the licensing objectives:

the application has been approved in accordance with the Council's licensing statement and the proposed conditions set out in paragraph 8.1 of the report, with the following amendments:

- Condition 19 – remove the words 'except for those sat in the designated seating area'.
- Condition 25 be amended to read – 'The doors and windows are to be kept closed after 22:00hrs, except for entry, exit and re-entry to the premises'.
- The following words to be added to the beginning of Condition 28 – 'There shall be no regulated entertainment at the premises unless and until'.
- The second sentence of Condition 29 be amended to read – 'There shall be no regulated entertainment at the premises unless and until all recommendations within the report approved by the Pollution team are introduced into the premises'.

Reasons for the decision

The application has been approved, with the above amendments and additional conditions, as the Licensing Sub-Committee was satisfied that the licensing objectives would not be undermined.

Public informative

The applicant is reminded of the need to operate the premises according to any current planning permission relating to its user class, conditions and hours.

It also should be noted for the public record that the local planning authority should draw no inference or be bound by this decision with regard to any future planning application which may be made.
