

Working in Hackney Scrutiny Commission29th November 2017**Introduction**

Item No

2**OUTLINE**

The world of work will look different in 10 years' time. Technology, an ageing population, automation and artificial intelligence, the ongoing impact of globalisation and climate change, and trends such as the gig economy are changing work as we know it.

The Working in Hackney Scrutiny Commission will be exploring the 'Future World of Work and Skills' with key note speakers from academia, think tanks and local government.

The discussion will cover:

- Future of London's economy and the business environment in the next 5-10 years
- Nature of employment and work
- Skills devolution and the adult skills system
- Increasing polarisation and inequalities in employment (economic and social).
