4.1 The Pensions Committee act in the capacity of quasi trustees for the Pension Fund and its Administering Authority, the London Borough of Hackney and as such are responsible for the management of approximately £1.48 billion worth of assets and for ensuring the effective and efficient running of the Pension Fund. The decisions taken by the Committee impact directly on the financial standing of the Fund and, given the need to ensure that the Fund is able to meet its liabilities (pension benefit payments), the decisions taken will affect its ability to meet such liabilities.

4.2 The Administering Authority has a responsibility to ensure that over time the Pension Fund is able to meet all its future liabilities and ensuring prudent financial management will directly impact on the contribution rates payable by all employers participating in the Fund, with the Council representing the largest employer in the Fund.

4.3 There are no immediate financial implications arising from this report.
