Dalston Ward Forum

Dalston Councillors and the Mayor of Hackney all attended a recent conference called Dalston Speaks that was organised by local voluntary organisations. This Forum will report back on;

- The messages taken from the Dalston Conversation and from Dalston Speaks.
- How Hackney Council is responding
- How Councillors will ensure Supplementary Planning Guidance for Dalston supports those plans
- How to have your say
- Update

We will also give an update on investment plans for Ridley Road Market and how you can get involved to make sure the money is spent well. And of course we will have our regular Forum update and discussion on all Planning, Regeneration & other issues likely to affect Dalston over coming months.
