the second entrance, is for the tiny restaurant beside, a very cosy restaurant with 8 tables, where guests can relax and enjoy the Italian dishes prepared by Chef Roberto.

We intend to use the main restaurant and the Delicatessen area, for the service of alcohol as well.

we also have a large window facing Scrutton Street, and we would like the guests to enjoy the little space outside within the shop.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

## Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
  - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.

  - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
  - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Dear Licensing Team,

I am writing to register my objections to the following Licensing Application listed online, closing date 2 July 2019 :

*39 Scrutton Street.  
 Application for a premises licence to authorise the supply of alcohol for consumption on and off the premises from 10:00 to 23:00 Mon to Sun.*

The basis for my objection is:

These premises are currently an Italian deli/sandwich bar and as such have no need for a licence unless there is an undisclosed intent on the part of the owners to transform their business into, for example, a wine bar,

The opportunity to serve alcohol late both on and off the premises from morning to late evening 7 days a week would have a

**THE CUMULATIVE IMPACT ON WHAT WAS ONCE A QUIET AREA BUT IS NOW RAPIDLY BECOMING PART OF THE SHOREDITCH SCENE**

Location/context:

This end of Scrutton Street is mixed use/residential ie: just offices by day, and therefore relatively quiet for residents living on the corner buildings of Scrutton Street/Holywell Lane and in Phipp Street. There is one small pub (the Old Kings Head), opposite, and it is not busy apart from the few hours *directly after the local offices close* on weekdays.

My Objections

- 1) The proven cumulative impact of antisocial behaviour already suffered as a direct result of the high concentration of Licenced Premises in the South Shoreditch SPA area and the related activity, in the surrounding streets.
- 2) Additional alcohol licenses on/near the boundary of the SPA are against the stated objective of the Hackney Licensing Policy which seeks to prevent crime and disorder, and prevent public nuisance and protect public health and safety.

**3) The approval of additional alcoholic sales licenses to 39 Scrutton poses a serious threat of cumulative impact and creating a new "licensed enclave" connecting the Curtain Club venues to the existing Old Kings Head Pub ,**

As a result of the **cumulative impact**, I object on the grounds of:

- a) Increased **public nuisance** including, e.g.: Noise:-shouting/ swearing/drunken voices in the street;
- b) Increased noise due to the refuse/empty glass bottles being thrown-out (and collected) if the premises are open all day *plus* at night, seven days a week.
- c) Litter:-including empty bottles, and rubbish dropped in the street, increased further by the risk of Curtain Club clients purchasing alcohol both on and off premises for "pre-loading" .
- d) Increased **issues of health and safety** ( increased urinating in doorways, and access-areas, to nearby buildings); increased incidences of local residents being directly affected and intimidated by drunken behaviour.
- e) Increased alcohol related **crime and disorder**, such as vandalism, vagrancy, and trespass and fighting, due to the extended hours and also the "on/off" sales.

Please consider this application carefully and help to prevent the negative effects of **cumulative impact** increasing even further into the quiet streets across the road from the South Shoreditch SPA boundary.

Please note that whilst you may not receive many objections, it should not be assumed that the degradation of the neighbourhood as a residential area is accepted. Many properties are rented and it is in the nature of tenants that they take little interest in entering objections. However that does not lessen the validity of the objections you do receive.

Please confirm receipt of this objection.

Dear Sir or Madam

*Objection to Premises Licence Application  
FABIO SETTEMBRE  
LA SPIGA PASTA 39 Scrutton Street EC2A 4HU*

I wish to strongly object to allowing 39 Scrutton Street a license to sell alcohol.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

La Spiga is a Café, I am not sure how sale of any alcohol will be beneficial for them or the surrounding area.

As far as I have witnessed the main sales on the premises are takeaway so I am assuming that the sale of alcohol will also be on a takeaway basis. There are no details highlighted on the notice of application.

The area is already saturated in bars this pocket of Hackney is still very quite and I love the fact that at the weekend the pub on the road is closed. We have enough noise from the drunken street drinkers using us as a cut through to busy curtain road.

The Curtain hotel at the end of the road, with its late licence has created enough noise from drunken behaviour we don't need to add to this any further.

Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective.

In view of the above, I would urge the Licensing Authority to refuse this application.

Yours faithfully,

Dear Sir or Madam

**Objection to Premises Licence Application**  
**FABIO SETTEMBRE**  
**LA SPIGA PASTA 39 Scrutton Street EC2A 4HU**

I am writing to register my objection to the application for a premises licence application for the above property 39 Scrutton Street. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The area currently has issues with problem drinkers who purchase alcohol from nearby wine bars and off-licences. This café provides mainly a takeaway service so I am not sure how supplying alcohol will be at all beneficial to the area. The notice online does not give any details on their intention and raises serious concerns for me. Being a takeaway café, I feel this would only add to the street drinking culture we seem to have at weekends round here.

Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective. I appreciate Hackney Council have been very proactive in introducing special licensing policies in Shoreditch. Although I do not live in the Shoreditch special policy area, I am worried that granting new licences in this area could introduce new problems currently experienced in the designated special policy areas.

The application proposes that alcohol will be sold between 10am and 11.30pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

In view of the above, I would urge the Licensing Authority to refuse the application.

Dear Sirs

**Representation in respect of applications for Premises Licences  
39 Scrutton Street, London EC2A 4HU**

We would be grateful if the council could please consider this letter of objection in respect of the licence application for 39 Scrutton Street. Our representation is based on the limited information available contained within the applicant's blue notice and online.

Our company is the premises licence holder of the Old King's Head public house situated at 28 Holywell Row, EC2A 4JB. Our pub is located a few yards away from the application premises, directly across the road. We have not been consulted by the applicant so are unaware of their plans.

39 Scrutton Street currently operates as a small café shop. It is unclear whether the proposals simply seek to authorise the sale of alcohol alongside the current businesses, or alternatively transform each premises into a new wine bar or similar.

We understand planning is not a proper consideration under the licensing regime. However, we do have concerns that the applicant is, or intends to, breach planning controls.

The council's statement of licensing policy cites a preference for the correct planning consent to be in place prior to making a premises licence application. We are concerned that the premises has not got the correct planning permission to operate as a wine bar, or indeed any premises offering a substantial on-sale offer.

We currently experience problems with irresponsible drinking in the local area. Street drinking is becoming increasingly common. These persons inevitably purchase cheap price alcohol from nearby premises authorised to sell alcohol for consumption off the premises. This presents a constant cause of conflict for general members of the public and persons enjoying the services provided by premises authorised to sell alcohol for consumption on the premises.

We have experienced anti-social behaviour by persons drinking on the street. This also causes additional litter in the area, which our employees often voluntarily have to collect. We also have problems with these persons using our facilities. Unlike persons attending on-licence premises, they are largely unsupervised and present a real risk of public nuisance and crime and disorder in the area.

If the licence is given this could increase the unsupervised street drinkers in the area. This does not necessarily mean homeless people, but a wide range of people who may decide to buy cheap price alcohol to enjoy on the street, particularly during the summer months. This could have a very negative effect on the licensing objectives in the local area.

As far as we are aware, the applicant has not consulted with the local residents. We are not sure how the premise intends to operate. The current business at the premises is a café style, small pasta food shop, mainly providing a takeaway food service. They have very little inside space for drinking on the premises. They currently close early in the evening, which is appropriate to the local area. Changing the use of these premises to a bar operating late at night every day of the week could have a serious impact on all four licensing objectives.

May we also note, we have some concerns that the application has not been made in line with Hackney Council Licencing application rules. For example, the Premises have not displayed the notice of application correctly. It went up in their window on 11<sup>th</sup> June, but was taken down the next day. They have since put it back up but it keeps being removed during daytime hours. This raises some concerns for us and shows total disrespect to the residents and business in the area.

The premises are very close to the Shoreditch special policy area. This area has been recognised as saturated with licensed premises. Further licenced premises could have a negative impact in the immediate vicinity and Shoreditch as a whole.

The existing businesses operating from the premises currently close early in the evening. The application proposes the sale of alcohol between 10.00 am to 11.30pm seven days a week. The area is very quiet late in the evening and especially at weekends. We are concerned that two new premises opening until midnight every day of the week would have a very significant and negative impact in the local area.

Thank you for your consideration of this letter. Please keep us updated on progress of the application and any proposed hearing dates.

Yours faithfully

Dear Sir or Madam

**Objection to Premises Licence Application**  
**FABIO SETTEMBRE**  
**LA SPIGA PASTA 39 Scrutton Street EC2A 4HU**

Please can you consider this letter of objection to the above licence application.

I am a director of the premises and licence holder of the Old King's Head Pub at 28 Holywell Row. My company has written a separate letter of representation in its capacity as a local business. I write this letter in my personal capacity as a local resident living above the pub and directly opposite 39 Scrutton Street.

The area currently benefits from being quiet at weekends and late at night. For the majority of the year the pub is closed at weekends. This means local residents and I are able to rest peacefully at night time and at the weekend. I am worried that the applications propose the sale of alcohol on and off the premises until 11PM Monday to Sunday. This could introduce a serious risk of public nuisance and crime and disorder in the neighbourhood. This will effect the quiet enjoyment of a lot of local residents' properties.

As far as I am aware, the applicant has not consulted with the local residents. We are not sure how the premises intends to operate. The current business at the premises, is a café style, small pasta food shop. They have very little inside space for drinking on the premises. They currently close early in the evening which is appropriate to the local area. Changing the use of these premises to a bar operating late at night every day of the week could have a serious impact on all four licensing objectives.

We also note that the application has not been made in line with Hackney Council Licensing application rules. For example, the Premises have not displayed the notice of application correctly. It went up in their window on 11<sup>th</sup> June, but was taken down the next day. They have since put it back up but it keeps being removed during daytime hours.

We would also like to see evidence of the required advert in the local newspaper as we have not yet seen this.

The area currently has issues with problem drinkers who purchase alcohol from nearby off-licences. Adding another licensed premises could add to public nuisance, crime and disorder and risk public safety and the protection of children from harm licensing objective. I appreciate Hackney Council have been very proactive in introducing special licensing policies in Shoreditch. Although I do not live in the Shoreditch special policy area, I am worried that

[REDACTED] Holywell Row, London, EC2A [REDACTED]

granting new licences in this area could introduce new problems currently experienced in the designated special policy areas.

As a result, I hope that the council refuses the applications. Thank you for taking my letter into account.

Yours sincerely

Dear Licensing Team, I am registering another objection to the application for an alcohol licence ( on and off premises) at [39 Scrutton Street EC2A 4HU](#).

Ashton, you may recall that this premises applied in 2017, and the application was scheduled to be reviewed at a Public Hearing on 7th Feb 2017. The application was withdrawn the day before the hearing.

I am copying Feryal on this email as she supported the residents objection to the application in 2017, and our ward councillor Kam.

I have been informed that the new application for on/ off alcohol sales just the first stage of a plan, by the applicant, to open the wine bar that was originally proposed in 2017.

My objection to the alcohol license application is the same as originally. We have already experienced additional public nuisance and cumulative impact on Scrutton Street, since the Curtain Club opened in Summer of 2017. There is additional onstreet drinking and crowds outside the Old Kings Head ( directly opposite 39 Scrutton) due to the increased office worker numbers from the newly opened Frames Office complex ( next door to no 39).

Hackney Licensing should not allow this quiet, mixed use area ( which is home to many residents, aswell as small businesses) to become a new "night time economy enclave" like the SPA area just a couple of streets away.

The application should be rejected on the grounds of prevention of further , alcohol related , negative impacts including: public nuisance ( crowd noise; onstreet litter and debris; noise from smashing bottles/bottle collection); health and safety ( obstruction of pavements and people in the roadway; litter; urination in doorways and against residential walls); crime and disorder ( preloading before going clubbing; nitrous oxide; drunken behaviour and vandalism).

Many thanks in advance , for your consideration and support in upholding the Licensing Policy to protect the amenity of local residents

Best regards

Subject: Alcohol Licensing Representation: 37 and 39 Scrutton Street EC2A 4HU (Ref: 083880 and 083879)

Dear Licensing Team, Happy New Year.

I am writing to register an objection to the 2 Licensing Applications listed online, closing date 17-1-17 :

[37 Scrutton Street](#) (app ref: 083879) and the next door property

[39 Scrutton Street](#) (app ref 083880).

It appears that the Applicant of the Licensing amendments is listed as Edwins Wine Bar but [number 37- 39 Scrutton Street](#) is not currently operated as anything related to them and certainly not as a Wine Bar.

Background: Number 39 is currently a small "corner café"/"workers café" which does not sell alcohol. It is only open during daytime/ office hours and not in the evenings.

Next door, number 37 always appeared to be separate and purely residential (but is only very recently being used as a "pop up" shop ).

Neither site has been used to sell alcohol before. As such, there has never been any related public nuisance or crime/disorder or public safety issue.

Location/context: The 37 & 39 Scrutton St site, at the Great Eastern Street end of the street, is only just opposite the South Shoreditch SPA boundary. In fact, it is only about 4 doors along Scrutton Street from the new CURTAIN HOTEL/ Club development which local residents contested, at the Licensing Committee Meetings last year.

This end of Scrutton Street is mixed use/residential ie: just offices by day, and therefore relatively quiet for residents living on the corner buildings of Scrutton Street/Holywell Lane and Phipp Street.

There is one small pub (the Old Kings Head), opposite, and it is not busy apart from the few hours *directly after the local offices close* on weekdays.

Licensing context:

I am objecting to the proposed application for the new alcohol Licences (x2) and also the extended opening hours, due to the proven cumulative impact already suffered as a direct result of the high concentration of Licenced Premises in the South Shoreditch SPA area and the related activity, in the surrounding streets.

Additional alcohol licenses on/near the boundary of the SPA are against the stated objective of the Hackney Licensing Policy which seeks to prevent crime and disorder; and prevent public nuisance and protect public health and safety.

The approval of additional alcoholic sales licenses (for both "on and off premises" ) at 37 and 39 Scrutton poses a serious threat of cumulative impact and creating a new "licensed enclave" connected to the New Curtain Club venues, plus the existing Old Kings Head Pub , plus the new (not yet completed) office/commercial development at 1 Phipp Street- directly nextdoor to 37 & 39 Scrutton St.

As a result of the cumulative impact, I object on the grounds of:

-increased **public nuisance** including, eg:

Noise:-shouting/ swearing/drunken voices in the street;

plus increased noise due to the refuse/empty glass bottles being thrown-out (and collected) if the premises are open all day *plus* at night, seven days a week.

Litter:-including empty bottles, and rubbish dropped in the street, increased further by the risk of new Curtain Club clients purchasing alcohol both on and off premises for "pre-loading" and drinking whilst queuing in the street..

-increased **issues of health and safety** ( increased urinating and even defecating in doorways, and access-areas, to nearby buildings); increased incidences of local residents being directly affected and intimidated by drunken behaviour.

-increased alcohol related **crime and disorder**, such as vandalism, vagrancy, and trespass and fighting, due to the extended hours and also the "on/off" sales.

It should also be noted, that the only 2 neighbouring restaurants (including the Edwins French Wine bar just along Phipp Street ; and Oklava opposite this on Luke St) only have Licenses to sell alcohol **with meals** not without, and they are *not* open every day until midnight!

Please consider this application carefully and help to prevent the negative effects of cumulative impact increasing even further into the quiet streets across the road from the South Shoreditch SPA boundary.

Unfortunately, many residential owners have already been forced to move out and/or rent their homes to tenants. Whilst it may appear that *not many* "locals" raise representations directly to Hackney, it does not mean that there is less impact on the amenity of the residents and live/work neighbours overall.

Best regards,

Dear Sir or Madam

*Objection to Premises Licence Application*  
**FABIO SETTEMBRE**  
*LA SPIGA PASTA 39 Scrutton Street EC2A 4HU*

I wish to strongly object to allowing 39 Scrutton Street a license to sell alcohol. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. We already have two licensed premises opposite each other a restaurant and a pub next door and opposite to No.39.

There is no need to promote further alcohol sales in such close vicinity.

The area currently has issues with problem drinkers who purchase alcohol from nearby cheap suppliers and drink on the street.

This café provides a takeaway service so I am not sure how supplying alcohol will be at all beneficial to the area. The notice online does not give any details on their intention and raises serious concerns for me. Being a takeaway café, I feel this would only add to the street drinking culture we seem to have at weekends round here.

As a community we have in the recent past had to object to the same store trying to also obtain an alcohol license. They were quite rightly refused. Why we are having to go through the whole process again is beyond me.

In view of the above, I would stongly urge the Licensing Authority to refuse the application.

Yours Sincerely

Dear Sir or Madam

**Objection to Premises Licence Application**  
**FABIO SETTEMBRE**  
**LA SPIGA PASTA 39 Scrutton Street EC2A 4HU**

I am writing to register my objection to the application for a premises licence application for the above property 39 Scrutton Street. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The area currently has issues with problem drinkers who purchase alcohol from nearby wine bars and off-licences. This café provides mainly a takeaway service so I am not sure how supplying alcohol will be at all beneficial to the area. The notice online, does not give any details on their intention and raises serious concerns for me. I appreciate Hackney Council have been very proactive in introducing special licensing policies in Shoreditch. Although I do not live in the Shoreditch special policy area, I am worried that granting new licences in this area could introduce new problems currently experienced in the designated special policy areas.

The application proposes that alcohol will be sold between 10am and 11.30pm, seven days a week. Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,
