

Health in Hackney Scrutiny Commission 12 th September 2019 Annual report of the City and Hackney Safeguarding Adults Board 2018/19	Item No 8
---	-------------------------

OUTLINE

Each year the Commission considers the annual report of the City and Hackney Safeguarding Adults Board. Attached please find the report for 2018/19 and a covering report

This report provides an assessment of the key developments in local multi-agency adult safeguarding activities in 2018/2019 in the City of London and London Borough of Hackney. This is presented as a partnership document. It is representative of the work carried out by statutory and other agencies to realise the vision of the City and Hackney Safeguarding Adults Board, to assist people to live free from harm in communities that are intolerant of abuse, working together to prevent abuse and know what to do when it happens.

The 2017/18 report was considered at our Sept 2018 meeting and the link to the minutes of that discussion is [here](#)

Attending for this item will be:

Anne Canning, Group Director CACH
Simon Galczynski, Director of Adult Services
John Binding, Head of Service - Safeguarding Adults

ACTION

Members are requested to give consideration to the report.
