Hi Mike,

In George's absence, please can you forward the following statement on behalf of the EP Team:

Further to the hearing on the 23rd of July 2019, the Environmental Protection Team have not received any further documentation (Acoustic Report) from the applicant demonstrating how the premises will control and mitigate noise so as not to cause a nuisance to nearby residential properties.

Due to this, the EP Team recommend refusal of the application as the applicant has failed to demonstrate how they will not undermine the 'Public Nuisance' Objective of the Licensing Act 2003.
