Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation the application for a new premises licence at 398 Kingsland Road;

This premises is located within the boundaries of the Dalston Special Policy area (SPA) the SPA has been recognised as an area where there is a high density of licensed premises.

As such LP10 of the Hackney London Borough of Hackney Statement of Licensing Policy states that any application made within the Dalston SPA *'will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact'*

LP3 of the policy also outlines core hours for the borough and that *'later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks'*

The applicant has in their application applied for indoor late night refreshment only. However after speaking with the applicant this is believed to be a mistake police would ask that if the applicant if takeaways from the restaurant if for collection only or do they provide a delivery service utilising companies such as Deliveroo and Ubereats.

There are a number of licensed premises whose customers may make use the proposed venue in the early hours. This coupled with the potential for the utilisation of moped enabled deliveries could lead to increase in disruption for local residents as well as an increase litter within the area. This is likely to be detriment to both the public nuisance and public safety objectives

Police would ask that the applicant reconsider the applied hours so they the more in line with the core hours of the statement of licensing policy and provide details of how they will look to minimise the negative cumulative impact of the area.

Police look forward to hearing from the applicant

The above representations are supported by the following evidence and information.

I make a representation in relation to this application as the premises is located within the Dalston Special Policy Area (SPA). The SPA is area that has been identified as suffering from the negative cumulative impact of the concentration of licensed premises in the area.

It should be noted that **LP10** (Special Policy Areas – Dalston and Shoreditch) of the Council's Statement of Licensing Policy states:

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

- Most crime in Dalston (51%) occurred between the hours of 2200 and 0359 hours peaking between 0100 to 0259 hours over a period of 5 years.
- Friday's to Sunday's experienced the most crime overall (67%) of the total, particularly between Friday PM to Saturday AM, and Saturday PM to Sunday Morning between 2200 hours and 0459 hours (42%).
- A 'Behaviour Study' undertaken between May and November 2016 made a series of findings, including Dalston being a noisy location late at night, with many noise 'incidents', as well as a generally high ambient noise level creating potential conflicts of between local residents and ENTE businesses and patrons.

The above representations are supported by the following evidence and information.

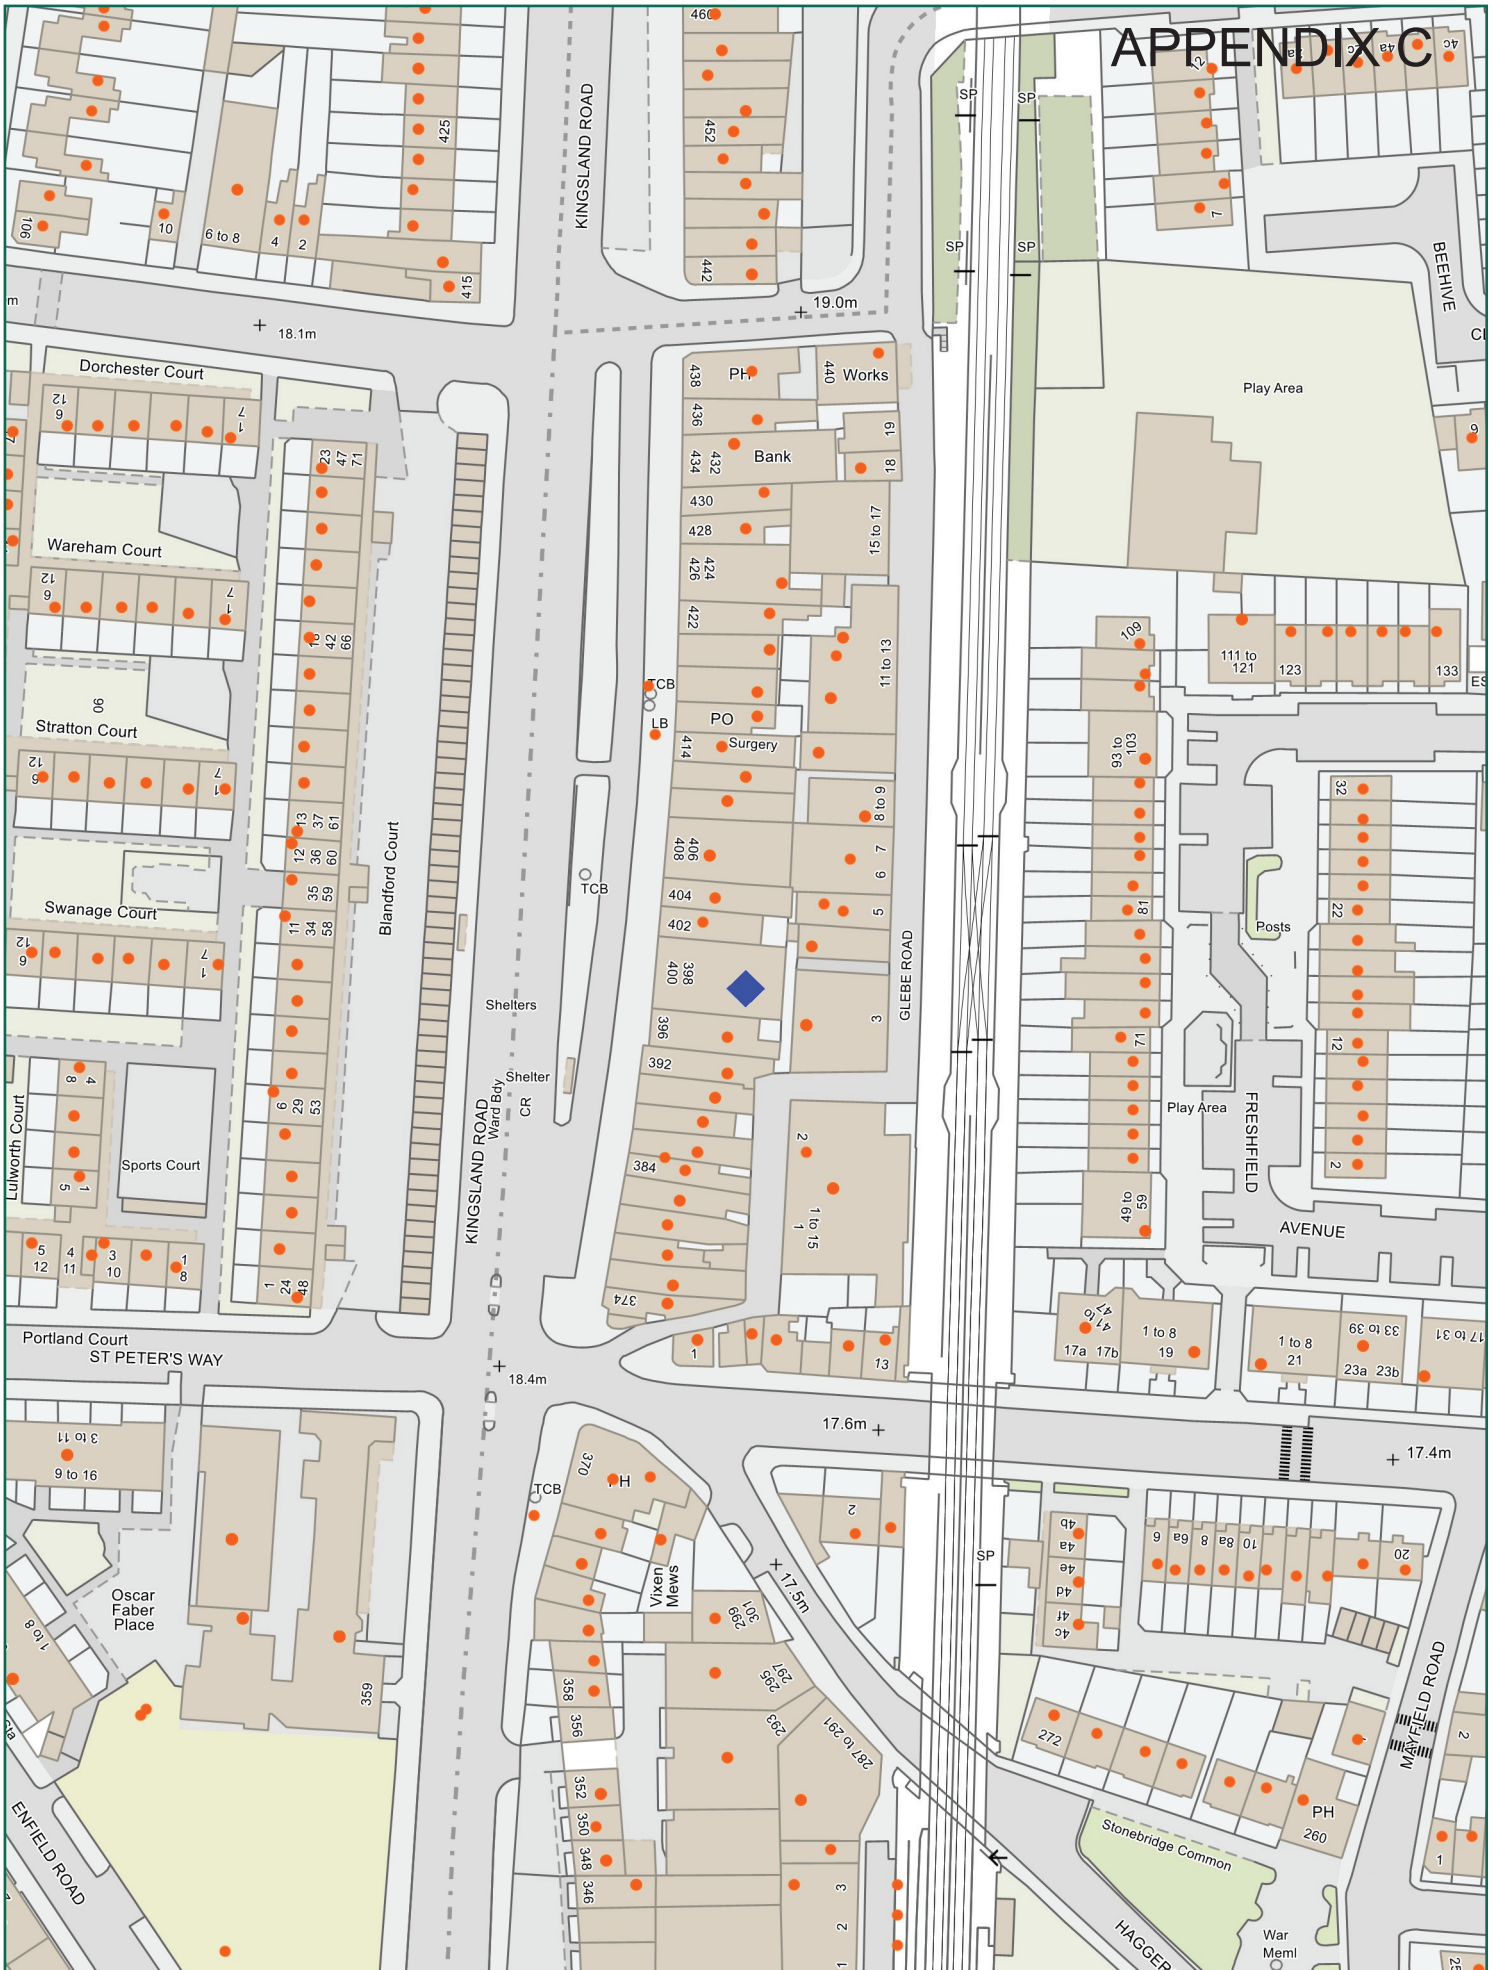

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion with the applicant may assist however it is likely that application will be referred to the Licensing Sub-Committee for determination.
