

Children and Young People Scrutiny Commission 27th January 2020 Item 6 – Unregistered Settings – Review Update	Item No 6
--	--------------------------------

Outline

In 2017/18 the Commission undertook an in-depth review into unregistered educational settings in Hackney. The report was published January 2018 and the Executive response received in September 2018.

An update on the implementation of the recommendations was provided in April 2019. At this meeting the Commission requested a regular annual update on this work. This item is therefore a second progress report on how Council is meeting the recommendations set out and agreed in this review.
