

Skills Economy and Growth Scrutiny Commission 8 th June 2020 Impact of COVID-19 on Local Residents	Item No 6
---	---------------------

Date of Meeting: 8th June 2020

Outline

The Commission will hear from residents and local groups supporting them to understand how Covid-19 has affected their day-to-day lives, what support they've received, what their experience has been like, what how they believe the council's outreach could be bolstered with a view to bringing more value and understanding to future policy discussions.

The current situation represents substantial challenges and opportunities for residents, the discussion will be crucial moving forward to ensure the challenges are overcome, opportunities are utilised, and the needs of local people are understood and supported, and kept at the heart of the council's inclusive economy plans.

Invited guests

- Melanie Rochford, Business & Development Director, Hackney Foodbank
- Residents making use of Hackney Foodbank
- Herdeep Kaur, Local Resident
- Sharon Shamedje, Local Resident
- Hannah, Abban, Local Resident
- Shekeila & Jermaine, Co-Chairs of the Hackney Young Futures Commission

The discussion will cover:

- How has Covid 19 most profoundly affected your day-to-day life?
- Have you received any of the support available from LBH? which?
- What are the main ways in which LBH could provide further support to you (or support your service)?

Action

The Commission to note the presentations and ask questions.
