| Living in Hackney Scrutiny Commission 23rd June 2020 Item 5 – Community Safety Partnership Plan 2019-2022 | Item No 5 |
|---|---------------------|

Report Author: Karen Law

Authorised by:

Outline

The Living in Hackney Scrutiny Commission has the statutory duty to scrutinise the work of the Community Safety Partnership in London Borough of Hackney. At this meeting the commission will review the Community Safety Partnership Plan and look in more detail at the strategic priority street based drug market and substance misuse.

The following reports are attached in the agenda:

- **Community Safety Partnership Plan 2019-2022**
Report Author: Community Safety Partnership Statutory Officer Group
Authorised by: Community Safety Partnership
- **Street Based Drug Market and Substance Misuse - a condensed version of the action plan**
Report Author: Karen Law
Authorised by: Director of Public Realm

The discussion will cover

1. An update on the progress to date against the community safety partnership plan.
2. A review of the strategic priority area *street based drug market and substance misuse* to consider the coordinated response of the Community Safety partnership to tackle street drug dealing and associated ASB.

Attending for this item will be:

London Borough of Hackney

Cllr Caroline Selman, Cabinet Member for Community safety, policy and the voluntary sector

Tim Shields, Chief Executive

Aled Richards, Director Public Realm Neighbourhoods & Housing

Gerry McCarthy, Head of Community Safety, Enforcement and Business Regulation
Maurice Mason, Community Safety Partnership Manager
Karen Law, Partnership Strategic Analysis & Performance Manager

Metropolitan Police Service

Detective Chief Superintendent Marcus Barnett (BCU Commander)

Action

Members are asked to review the papers and ask questions in relation to the reports and any presentation made.
