Online customers are notified that age verifications will take place on exchange of the goods through the delivery drivers, all drivers are instructed to ID check all customers whose deliveries contain alcohol.

On-site our team marks every bag with special stickers to make sure that such deliveries are easy to identify.

In terms of off-premise sales, our team will follow a strict procedure of age verification when guests are ordering alcohol for take-out.

c) Public safety

We will deny selling alcohol to customers who are already drunk to circumvent alcohol-related crime and anti-social behaviour.

d) The prevention of public nuisance

By controlling the misuse of alcohol we will suppress anti-social behaviour, criminal damage, minor and serious assaults and violent offences. Anything witnessed of this nature we will report to the authorities.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 4) The protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police submit the following representations for the premises variation application at Two Lights Restaurant, 28-30 Kingsland Road, London, E2 8DA.

The venue sits within the Shoreditch Special Policy. The streets of Shoreditch particularly within night time economy hours are extremely busy. The evenings and early hours of the morning see a huge footfall as thousands of people make their way to Shoreditch to visit the pubs, clubs, restaurants etc. There are regular incidents of violent crime, anti-social behaviour, disorder and theft. A large proportion of the people on the streets at night have consumed alcohol. Many of these people are drunk and looking for more alcohol to consume either inside a venue or outside on the street. Alcohol and the consuming of alcohol on the street has a direct impact on the rising number of incidents involving violence, anti-social behaviour, crime and disorder.

The applicant is seeking the addition of off sales to their current licence to run alongside their current licensed hours for on sales Monday to Sunday 1200hours to 2345hours. Currently the venue operates as a restaurant and all sales of alcohol are ancillary to food. This application however does not make mention of any off sales of alcohol being ancillary and states that off sales will take place with via online delivery services using third party companies and take away directly from the premises.

It is the concern of Police that off sales of alcohol directly on to the street will undermine the licensing objectives, namely crime and disorder, public nuisance and public safety. Police would ask what steps the applicant intends to take in order to mitigate any risk there may be to the undermining of the objectives.

Police appreciate that the addition of off sales may be sought as a temporary measure to assist during the current pandemic however, this will be a permanent addition to the licence

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
