COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 3) the prevention of public nuisance ◆

Representations (which include comments and/or objections) in relation to:

Police make the following objections in relation to the application to vary the Premises Licence at THE STAGS HEAD, 55 ORSMAN ROAD, LONDON, N1 5RA for the following reason(s);

These premises are located on a residential street. There is an outside area situated at the rear of the premises where customers can choose to sit. This outside area is currently available to patrons until 2300hrs. This application seeks to extend those hours until 000hrs on Fridays and Saturdays.

On Saturday 18th July 2020 police licensing officers attended the premises as part of local patrols in the area. Having entered the premises police were directed to the outside area where there were numerous customers drinking. There was also a DJ outside playing music. This music was so loud that a conversation could not be had outside. The applicant, who was at the premises at the time, asked the DJ to turn the music down, but it was still above 'background level'. Police did explain that all music that is played should currently only be played at background level to allow a face to face conversation at normal speech level – this will help prevent people having to shout at each other or coming too close together and spreading infection.

The level of music has concerned police and police feel that the extended time will cause disturbance to the residents. The manager did, however, explain that there is an agreement in place with the local residents that states that loud music will not be played after 2100hrs, however, as music is de regulated until 2300hrs, it is not conditioned as so on the licence.

The COVID-19 crisis has seen a change in how licensed premises will be operated and used. Social distancing will be in place for many months to come, in an attempt to control the spread of infection. How will the applicant ensure that social distancing is practised? What procedures will be in place to protect staff and the public?

Police look forward to hearing from the applicant to discuss a way forward with this application.

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Representation in relation to:

I write to make a representation in relation to this application. The application seeks to amend the condition restricting the hours of use of the garden from closing at 23:00 to enable a 00:00 on Fridays and Saturdays only. However due to residential premises being in close proximity, this change could lead to public nuisance as a result of the customers using the garden later at night.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2018-2023 and S182 Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion with applicant in relation to measure that could mitigate negative impacts on the licensing objectives.
