Dear Members

Audit Completion Report – Year ended 31 March 2020

We are pleased to present our Audit Completion Report for the year ended 31 March 2020. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 10 October 2019. Since then, the COVID-19 pandemic has had significant implications for the UK, including the Pension Fund sector. We have updated our planning work to understand the implications of COVID-19 on our audit and concluded that the original audit risks and other areas of management judgement in the Audit Strategy Memorandum remain appropriate.

In response to the COVID-19 pandemic, MHCLG issued a revised reporting timetable for the Pension Fund to prepare its financial statements for inclusion in the Administering Authority Statement of Accounts and for the audit to be completed. We understand the difficult circumstances that the Pension Fund is facing in order to respond to the pandemic and would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 07387 242052.

Yours faithfully

Lucy Nutley

1. EXECUTIVE SUMMARY

Purpose of this report and principle conclusions

The Audit Completion Report sets out the findings from our audit of London Borough of Hackney Pension Fund ('the Pension Fund') for the year ended 31 March 2020, and forms the basis for discussion at the Audit Committee meeting on 14 September 2020.

The detailed scope of our work as your appointed auditor for 2019/20 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards of Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

Section 2 of this report outlines the detailed findings from our work on the financial statements. Section 2 also includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- management override of control; and
- valuation of level 3 unquoted investments for which a market price is not readily available.

Status of our work

As we outline on the following page, our work is substantially complete. Subject to the satisfactory completion of the outstanding work, at the time of issuing this report we have the following conclusions:

Opinion on the financial statements

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Consistency report

We anticipate concluding that the Pension Fund financial statements within the Pension Fund's Annual Report are consistent with the Pension Fund financial statements within the Statement of Accounts of the London Borough of Hackney. Our draft consistency report is provided in Appendix C

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Pension Fund and to consider any objection made to the accounts. Further details on the exercise of our wider powers are provided in section 2.

1. EXECUTIVE SUMMARY

Status of our audit work

We have substantially completed our work on the financial statements for the year ended 31 March 2020. At the time of preparing this report the following matters remain outstanding:

Status

- Likely to result in material adjustment or significant change to disclosures within the financial statements
- Potential to result in material adjustment or significant change to disclosures within the financial statements
- Not considered likely to result in material adjustment or change to disclosures within the financial statements

We will provide the Audit Committee with an update in relation to these outstanding matters in a follow-up letter, prior to signing the auditor's report.

Our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in January 2020. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum, although our approach has been tailored for the impact of COVID-19.

Materiality

We set materiality at the planning stage of the audit at £22.1m using a benchmark of 1% of net assets available to pay benefits. We set a specific materiality for the fund account of £7.5m at the planning stage of the audit using a benchmark of 10% of benefits payable / contributions receivable.

Our final assessment of materiality, based on the final financial statements and qualitative factors is £22.4m, using the same benchmark. Fund account materiality has been assessed at £7.8m, using the same benchmark.

We set our trivial threshold (the level under which individual errors are not communicated to the Audit Committee, at £0.672m based on 3% of overall materiality.

Misstatements

Section 3 sets out the internal control recommendations that we make, together with an update on any prior year recommendations.

2. SIGNIFICANT FINDINGS

Set out below are the significant findings from our audit. These findings include:

- our audit conclusions regarding significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page X we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year; and
- any significant difficulties we experienced during the audit.

Significant risks and key areas of management judgement

As part of our planning procedures we considered the risks of material misstatement in the Pension Fund's financial statements that required special audit consideration. Although we report identified significant risks at the planning stage of the audit in our Audit Strategy Memorandum, our risk assessment is a continuous process and we regularly consider whether new significant risks have arisen and how we intend to respond to these risks.

Significant risk	Description of the risk
Management override of controls	Management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur there is a presumed risk of material misstatement due to fraud on all audits.
	How we addressed this risk We addressed this risk by performing audit work in the following areas: <ul style="list-style-type: none">• accounting estimates included in the financial statements for evidence of management bias;• any significant transactions outside the normal course of business; and• journals and other adjustments recorded in the general ledger in preparing the financial statements.
	Audit conclusion We are completing our testing in this area. There have been no significant findings arising from our review of areas of potential management override of controls completed to date, we will update the committee once our work is complete.

2. SIGNIFICANT FINDINGS (CONTINUED)

Significant risk	Description of the risk
Valuation of unquoted investments	<p>As at 31 March 2020, the Pension Fund held investments which were not quoted on an active market with a fair value of £206.3 million, accounting for 13.1 per cent of the Fund's net investment assets. This is a marked increase from the values held as at 31 March 2019 of £8.6 million. The assets are held within overall investment vehicles and are only analysed in full at year end, with the proportion of the Fund's net investment assets included.</p> <p>Inherently such assets are harder to value, as they do not have publicly available quoted prices from a traded market, and as such they require professional judgement or assumptions to be made when valuing them at year end.</p> <p>As the pricing of these investment assets is subject to judgements, they may be susceptible to pricing variances due to the assumptions underlying the valuation. We therefore consider that there is an increased risk of material misstatement.</p>

How we addressed this risk

We addressed this risk by completing the following additional procedures:

- agreeing holdings from fund manager reports to the global custodian's report;
- agreeing the valuation to supporting documentation including investment manager valuation statements and cashflows for any adjustments made to the investment manager valuation;
- agreeing the investment manager valuation to audited accounts or other independent supporting documentation, where available;
- where audited accounts are available, confirming that they are supported by a clear opinion; and
- considering the appropriate analysis of the investment as level 2 or 3 and management's judgement of investment analysis.

Audit conclusion

There were no significant findings arising from our review of the valuation of unquoted investments.

The large increase in the value of level 3 investments held was partly due to a planned increase in private equity during 2019/20. However, following the uncertainty surrounding property valuations as a consequence of the COVID-19 pandemic, management have chosen to analyse their investment in a property fund as a level 3 investment, recognising the inherent uncertainty in the valuation.

Key areas of management judgement

Key areas of management judgement include accounting estimates which are material but are not considered to give rise to a significant risk of material misstatement. We have not identified any such judgements.

2. SIGNIFICANT FINDINGS (CONTINUED)

Qualitative aspects of the entity's accounting practices

We have reviewed the Pension Fund's accounting policies and disclosures and concluded they comply with the requirements of the Code of Practice on Local Authority Accounting (the Code), appropriately tailored to the Pension Fund's circumstances.

Draft accounts were received from the Pension Fund on 15 June 2020 and were of a good quality. Supporting working papers were made available to us on the first day of the audit and were of a good quality.

Significant matters discussed with management

We discussed the following significant matters:

- Investment Valuations. We discussed the impact of COVID-19 on the Pension Fund, including potential impact on risks of material misstatement. This included obtaining confirmation that investment valuations received were based as at 31 March 2020 and not based on estimates. We requested additional information where this was not the case.
- Uncertainty of property valuations. RICS guidance was issued in April and May to professional valuers, which highlighted the potential valuation uncertainties as at 31 March 2020 as a result of the COVID-19 pandemic. We discussed management's assessment of their specific property related investment funds and whether the funds should be reclassified as Level 3 investments.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management. Our audit has been performed remotely, using screen-sharing technology where appropriate.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2019/20 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No such objections have been raised in relation to the Pension Fund.

3. SUMMARY OF MISSTATEMENTS

Misstatements

During the audit we have not identified any unadjusted or adjusted misstatements above the trivial threshold of £672k.

Disclosure amendments

The following disclosure amendments were made:

- **Financial instruments:** Improved disclosures in respect of the assessment of financial instruments to ensure that the disclosures are consistent and in line with the requirements of the Code.
- **General:** A number of minor presentational and typographical changes made to the financial statements that do not require individual analysis.

Going concern

To the best of my knowledge there is nothing to indicate that the Pension Fund will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Yours sincerely,

Independent auditor's report to the members of London Borough of Hackney

Report on the financial statements

Opinion on the financial statements of London Borough of Hackney Pension Fund

We have audited the financial statements of London Borough of Hackney Pension Fund ('the Pension Fund') for the year ended 31 March 2020, which comprise the Fund Account, the Net Assets Statement, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

In our opinion the financial statements:

- give a true and fair view of the financial transactions of London Borough of Hackney Pension Fund during the year ended 31 March 2020, and the amount and disposition of the Pension Fund's assets and liabilities as at 31 March 2020; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Council, as administering authority for the Pension Fund, in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Group Director, Finance and Corporate Resources' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Group Director, Finance and Corporate Resources has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Pension Fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Group Director, Finance and Corporate Resources is responsible for the other information. The other information comprises the Annual Governance Statement information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

APPENDIX B

DRAFT AUDITOR'S REPORT

Responsibilities of the Group Director, Finance and Corporate Resources for the financial statements

As explained more fully in the Statement of Responsibilities, the Group Director, Finance and Corporate Resources is responsible for the preparation of the Statement of Accounts, which includes the Pension Fund's financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, and for being satisfied that they give a true and fair view. The Group Director, Finance and Corporate Resources is also responsible for such internal control as the Group Director, Finance and Corporate Resources determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Group Director, Finance and Corporate Resources is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 and prepare the financial statements on a going concern basis, unless the Council is informed of the intention for dissolution of the Pension Fund without transfer of services or function to another entity. The Group Director, Finance and Corporate Resources is responsible for assessing each year whether or not it is appropriate for the Pension Fund to prepare the accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the Pension Fund's financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the members of London Borough of Hackney, as a body and as administering authority for the London Borough of Hackney Pension Fund, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.
