**ENVIRONMENTAL LICENCE CONDITIONS IN RESPECT OF
221 City Road, EC1V 1JN**

1. The Licensee shall ensure that all staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominent place where it can be referred to at all times by staff.
2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. The Licensee's premises are situated in an area within which refuse may only be left on the public highway at certain times (time bands). If the Licensee's waste carrier cannot or does not comply by collecting the refuse within an hour after the close of any time band imposed by the waste authority, the Licensee must remove the refuse from the public highway and/or keep it within the premises until such time as his/her waste carrier arrives to collect the refuse.
- 4 The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.
6. The current trade waste agreement/duty of care waste transfer document shall be conspicuously displayed and maintained in the window of the premises where it can be conveniently seen and read by persons standing in 221 City Road, EC1V 1JN. This should remain unobstructed at all times and should clearly identify:-
 - the name of the registered waste carrier
 - the date of commencement of trade waste contract
 - the date of expiry of trade waste contract
 - the days and times of collection
 - the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have foundm evidence of the illegal disposal of waste businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban and that it is possible that glasses and bottles may be left outside by patrons.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at 221 CITY ROAD, HACKNEY, LONDON, EC1V 1JN for the following reason(s);

This application has been submitted to seek authorisation to sell alcohol for consumption on the premises until 2300hrs every night.

There is very little information contained within this application, so it is unclear how this premises will operate day to day. The premises has not been described on the application and therefore, police are currently unable to submit suitable and workable conditions for discussion.

It is however, a concern for police that there will be an additional premises in Shoreditch that will be offering alcohol for sale. Police have seen a dramatic rise in violence and disorder in Shoreditch and the immediate vicinity. There has been a huge increase in injuries caused to the public and police officers as we deal with the crowds gathering in and around licensed premises using aggressive and anti social behaviour.

Considering the location of this premises, police would like further information as follows;

- What is the capacity of the premises?
- Are there any outside spaces to be utilised?
- Is the premises available for private hire for birthday parties etc?
- Is the premises ready to open and operate?
- What experience has the DPS/licensee had of running and managing a licensed premises in a busy night time economy area?

Police look forward to hearing from the applicant in relation to what policies and procedures will be put in place to ensure that they will not add to the cumulative impact in Shoreditch and to discuss a way forward with this application.

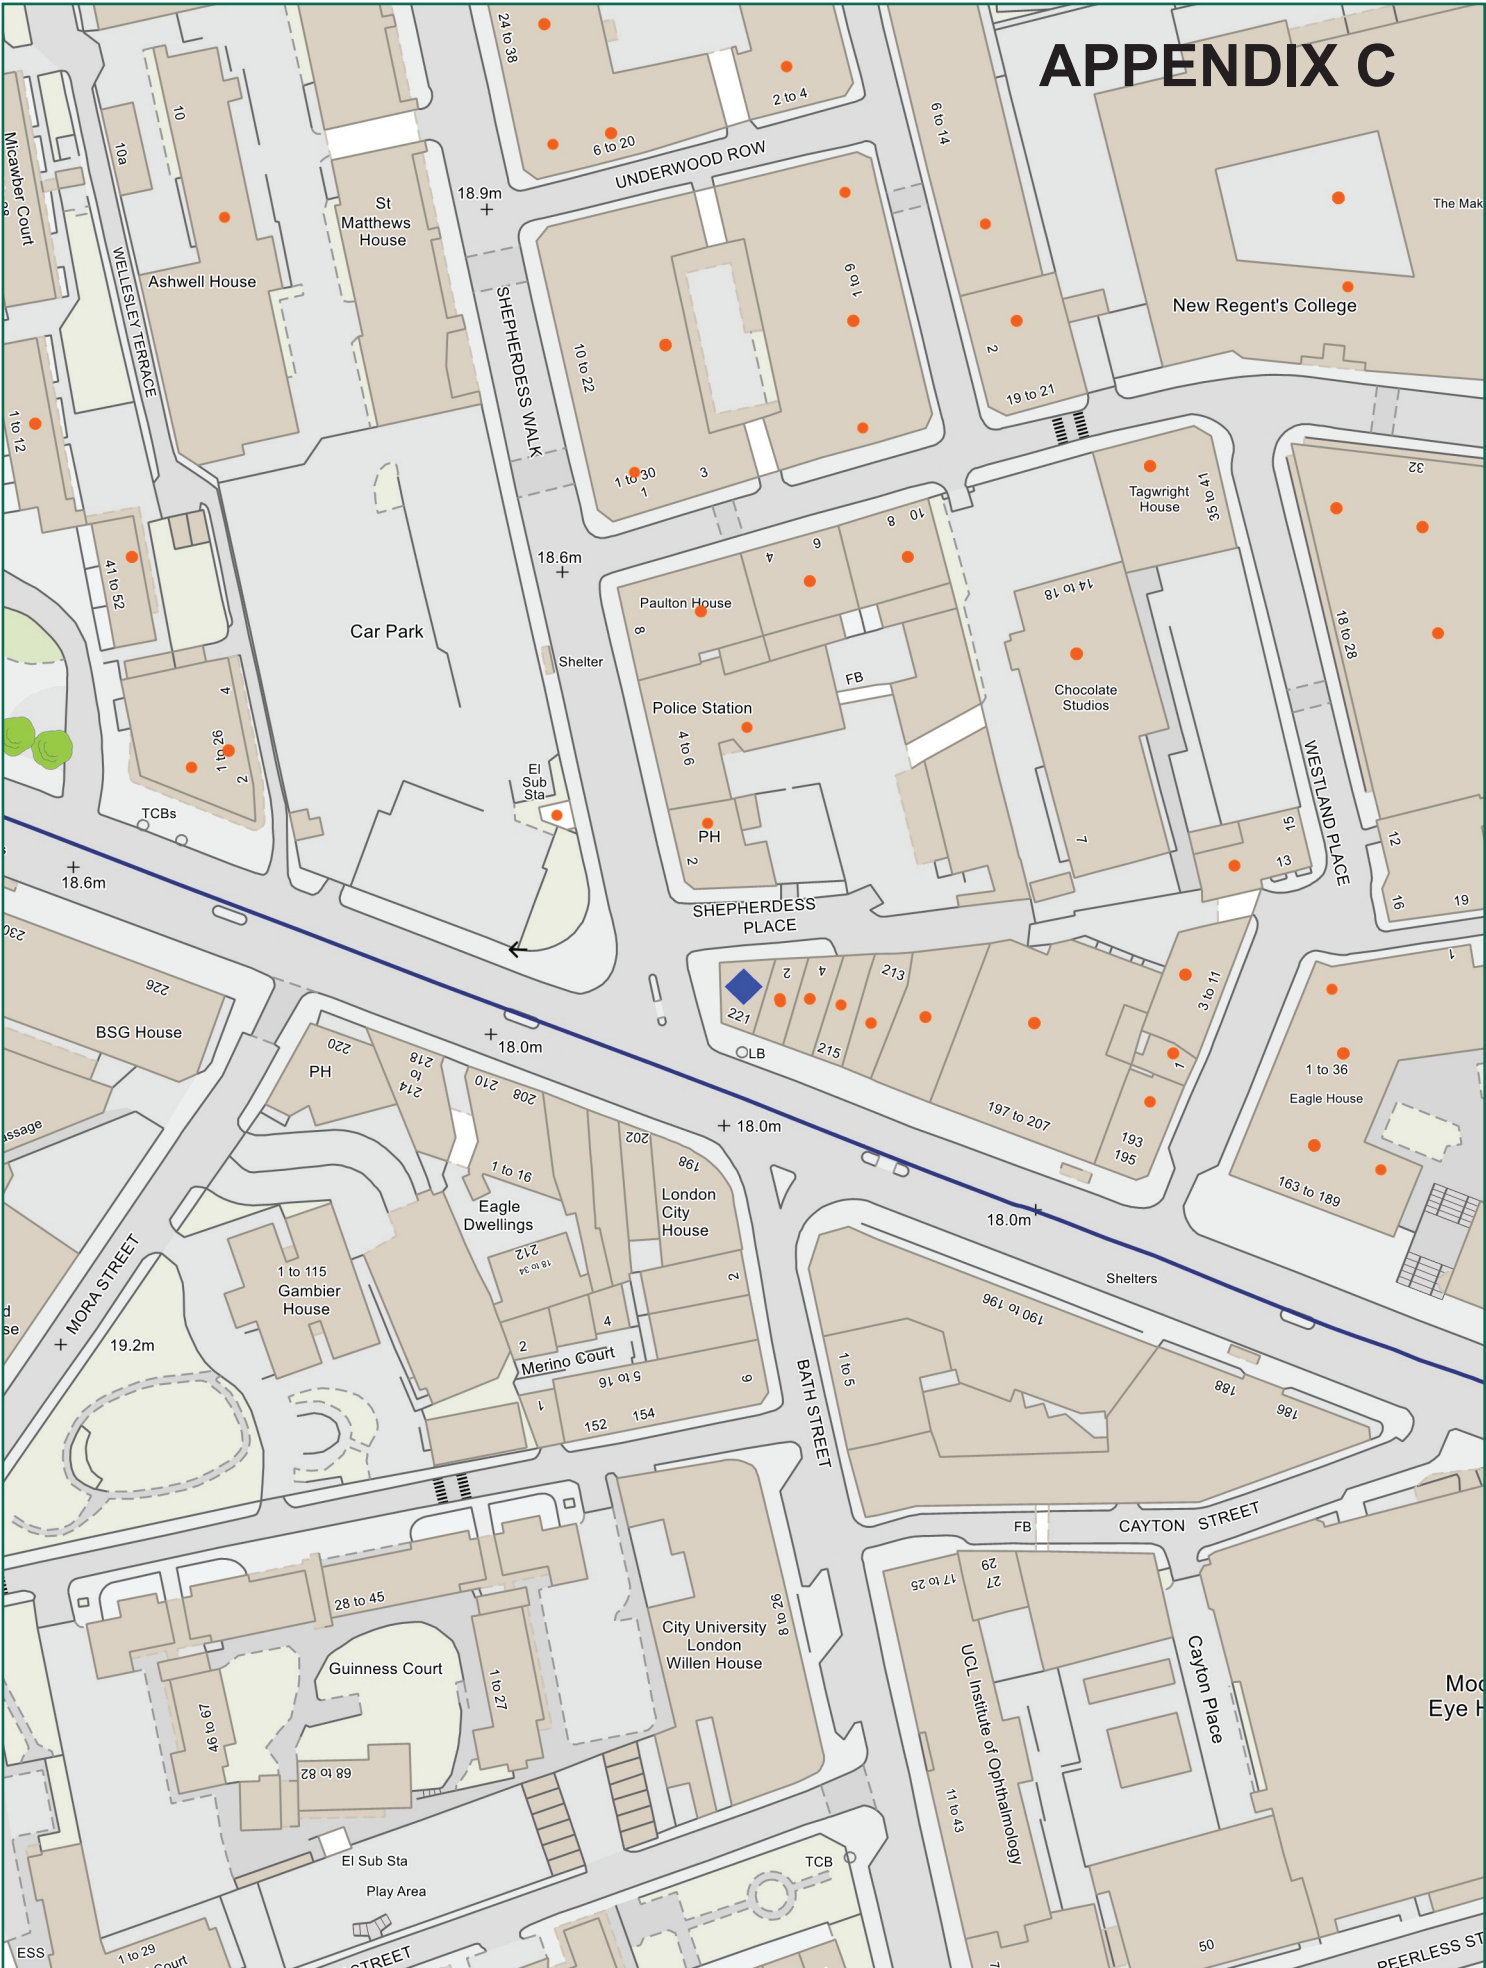

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
